Power: A Radical View

2014-07-10

Power: A Radical View by Steven Lukes. This book is a seminal work in social and political theory. It explores the concept of power and its various forms, including the invisible power of ideology and culture. The book is widely used in academic settings and is a classic work in the field.

Developing Reading Power

1998-10-01

Developing Reading Power: A Guide to Reading Comprehension. This book is a comprehensive guide to reading comprehension. It covers a wide range of topics, including the history of reading, the psychology of reading, and the development of reading skills. The book is written in a clear and accessible style, making it suitable for both students and teachers.

Power: A Radical View

2013-04-25

Steven Lukes' *Power: A Radical View* is a seminal work still widely used some 30 years after publication. The second edition includes the complete original text alongside two major new essays. One assesses the main debates about how to conceptualize and study power, including the influential contributions of Michel Foucault. The other reconsiders Steven Lukes' own views in light of these debates and of criticisms of his original argument, with a new introduction and bibliographical essay. This book will consolidate its reputation as a classic work and a major reference point within social and political theory.

There is simply no value put on words we can all speak them they don't cost any money as they are free to all they are simply not appreciated words however are the reason that one person lives a life of abundance while another person lives a life of lack words can open doorways that hands can not they can break down invisible boundaries a few words can destroy life or breathe new life into a withering one words can fill a person full of happiness or fill them full of despair words can build up a person's confidence or take it crashing to the ground as most people do not value their words they misuse them which allows the power

of their words to work against them they want to go in one direction but their words push them in another this conflict is what most people battle with each day they ask god to grace their lives with favor health and abundance but their words keep them in a life full of disappointment sickness and lack in this book i want to share with you the correct way to harness the power of your words so instead of holding you back they propel you towards the life that you desire the life that you were destined to live i will draw from personal experience and scripture to illustrate how positive thoughts and words can be used to overcome every challenge that stands in your way i will share how important it is to stop the habit of talking idly about your problems and instead focus on speaking about solutions knowing is not enough we must apply willing is not enough we must do johann wolfgang von goethe pick up your copy today by clicking the buy now button at the top of this page
