Chronicles and the Priestly Literature of the Hebrew Bible

2021-11-08

the study of the books of chronicles has focused in the past mainly on its literary relationship to historical books such as samuel and kings less attention was paid to its possible relationships to the priestly literature against this backdrop this volume aims to examine the literary and socio historical relationship between the books of chronicles and the priestly literature in the pentateuch and in ezekiel since chronicles and pentateuch and also ezekiel studies have been regarded as separate fields of study we invited experts from both fields in order to open a space for fruitful discussions with each other the contributions deal with connections and interactions between specific texts ideas and socio historical contexts of the literary works as well as with broad observations of the relationship between them

The Island Chronicles 1

2007

think your job s bad mine s hell literally as lucy aka lucifer the ceo of hell i never expected to find myself on earth trying to blend in and stop a terrible monster feasting on the souls of humans it s my job to mete out justice in the afterlife to serve as warden for sinful souls until their sentences are served so they can cross through those pearly gates in the sky but some idiot humans playing with an ouija board just opened an interdimensional portal and it falls to me to stop the demon now running amok as i spend more time on earth and with one human in particular i start to question my old 9 to 5 job and wonder if i could give up my role in hell for the love of this human

Reflection and Refraction

2003-09-01

let the righteous many step out is a bold call for 21st century christian involvement in politics especially in the area of political leadership a subject considered taboo in some christian circles jesus taught a lot on public affairs and his teachings and principles in this area are more than those of any philosopher or thinker these profound kingdom driven principles influenced the very foundational values of the free and democratic world the aim of this author is twofold 1 to prod every righteous man reading this book to come to terms with getting involved in politics and or rising up to political leadership without self demonization 2 to persuade the political leadership especially in the free world to rethink the present policies of distancing democracy from christian values that assault the heart and conscience this book will bring out the evangelical vote and catapult many christians and christian leaders into electoral positions in all growing christian democratic societies it is also a good manual on good governance from an american and a judaeo christian worldview due to the lack of education about the events leading to the founding of america a single phrase by jefferson has been far perverted from its original meaning by him and the original intention of the founding fathers of christian democratic america by modern day humanists and atheists that is the famous wall of separation between church and state we have endeavoured to clarify public and political opinion on the subject from a biblical perspective using the actual wording by those from that time there is a spirit in these few pages to give every serious christian a vision in politics to stir you up out of the armchair of an observer and discard indifference and resignation dictated by fear or defeat to take a step ordered by the lord to get involved and correct the moral decay in our society from inside the system

The Chronicler as Theologian

1985

winner of the 2018 christian book award for bible of the year the swindoll study bible offers the best of chuck swindoll s wit charm pastoral insight and wise biblical study directly to you as you study god s word chuck s warm personal style comes across on every page and his informed practical insights get straight to the heart of the bible s message for the world today reading each part of this study bible is like hearing chuck speak god s word directly to your heart it will both encourage readers faith and draw them deeper into the study of god s word

history partly to encourage his community to have faith in god s ancient promises to david that better things would come to a penitent people although not often recognized as such the books of chronicles belong to the mainstream of biblical teaching on divine grace and hope as the present study shows by analysing its themes of reward and punishment and its teaching on the future it differs significantly from the interpretation given by sara japhet in her monograph on chronicles of 1989 and her major new commentary of 1993

Let the Righteous Many Step Out

1996-01-01

The Commercial & Financial Chronicle

2019-06-18

in this volume gordon mcconville and stephen williams interpret the book of joshua in relation to christian theology providing exegetical commentary and reflection on an often troubling book that nonetheless plays a key role in the biblical drama of salvation mcconville and williams address significant theological themes in joshua such as land covenant law miracle judgment including the problem of genocide and idolatry they posit that the theological topics engaged in joshua are not limited to the horizons of the author and first readers of the book but that this ancient text is part of a much larger testimony that concerns readers yet today what a marvelous book many commentaries on joshua are disappointing and dispiriting after using them you wonder what the point was this one helps you understand the book helps you see the point and sets you thinking energetically and constructively on the theological issues it raises john goldingay fuller theological seminary in the light of qoheleth s tired comment of making many books there is no end one can be forgiven for asking whether we need yet another english commentary on the book of joshua having had opportunity to dive into this new one coauthored by old testament scholar gordon mcconville and systematic theologian stephen williams i can only respond with another of qoheleth s sayings two are better than one for they have a good return for their labor this collaborative effort in theological exegesis is first rate both as exegesis and as theological interpretation brilliantly demonstrating the organic and necessary link between the two v philips long regent college vancouver book jacket

an obituary for wisdom literature considers the definitional issues long plaguing wisdom scholarship will kynes argues that wisdom literature is not a category used in early jewish and christian interpretation it first emerged in modern scholarship shaped by its birthplace in nineteenth century germany kynes casts new light on the traits long associated with the category such as universalism humanism rationalism empiricism and secularism which so closely reflect the ideals of that time since it was originally assembled to reflect modern ideals it is not surprising that biblical scholars have faced serious difficulties defining the corpus on another basis or integrating it into the theology of the old testament the problem however is not only why the texts were perceived in this one way but that they are perceived in only one way at all the book builds on recent theories from literary studies and cognitive science to create a new alternative approach to genre that integrates hermeneutical insight from various genre proposals this theory is then applied to job ecclesiastes and proverbs mapping out the complex

textual network contributing to their meaning with the death of the wisdom literature category both the so called wisdom texts and the concept of wisdom find new life

NLT One Year Chronological Study Bible

1850

talk is essential to human social life through conversation we form friendships share dreams and hopes and develop a common outlook on the world around us talk with god can achieve the same thing this book examines the conversational prayers in the hebrew bible their structure and content to understand how talk with god forms friendship shares dreams and hopes and develops a divine human outlook on the world conversation forces the petitioner to surrender control of the encounter and become susceptible to unscripted give and take with the divine conversation with god is always a risk but the rewards can be great through conversation abraham and moses became friends with god the same can be true for us

The Old Testament Historical Books

2015-11-03

this splendid reference describes every woman in jewish and christian scripture monumental library journal in recent decades many biblical scholars have studied the holy text with a new focus on gender women in scripture is a groundbreaking work that provides jews christians or anyone fascinated by a body of literature that has exerted a singular influence on western civilization a thorough look at every woman and group of women mentioned in the bible whether named or unnamed well known or heretofore not known at all they are remarkably varied from prophets to prostitutes military heroines to musicians deacons to dancers widows to wet nurses rulers to slaves there are familiar faces such as eve judith and mary seen anew with the full benefit of the most up to date results of biblical scholarship but the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names combining rigorous research with engaging prose these articles on women in the hebrew bible the apocryphal deuterocanonical books and the new testament will inform delight and challenge readers interested in the bible scholars and laypeople alike together these collected histories create a volume that takes the study of women in the bible to a new level
