~~learn windows 10 quickly and painlessly with this~~
beginner's guide windows 10 simplified is your absolute
beginner's guide to the ins and outs of windows fully
updated to cover windows 10 this highly visual guide
covers all the new features in addition to the basics
giving you a one stop resource for complete windows 10
mastery every page features step by step screen shots
and plain english instructions that walk you through
everything you need to know no matter how new you are
to windows you'll master the basics as you learn how to
navigate the user interface work with files create user
accounts and practice using the tools that make windows
10 the most efficient windows upgrade yet this guide
gets you up to speed quickly with step by step screen
shots that help you follow along with the clear patient
instruction shed your beginner status with easy to
follow instructions master the basics of the interface
files and accounts browse the web use media features
and send and receive email customize windows to look
and work the way you want learning new computer skills
can be intimidating but it doesn't have to be even if
you have no windows experience at all this visually
rich guide demonstrates everything you need to know
starting from the very beginning if you're ready to
become fluent in windows windows 10 simplified is the
easiest fastest way to learn
