 phantasies coexist with feelings of love guilt and reparation love and
 hate exist in tension with one another and one must cope with balancing
 these feelings i will use the psychoanalytic concept of reparation as
 understood by klein to explore the performance of apology and reparation
 this book shows the growth of melanie klein s work and ideas between 1921
 and 1945 and traces her theories on childhood development criminality and
 childhood psychosis symbol formation and the early development of
 conscience the first of four volumes in the collection of her work love
 guilt and reparation is the complete collection of writings published by
 melanie klein from 1921 to 1945 over the course of twenty four years of
 writing this first volume traces klein s theories on childhood
 development criminality and childhood psychosis symbol formation
 effective reparation involves a type and degree of guilt that is not so
 overwhelming as to induce despair but can engender hope and concern
 reparation itself provides a way out of despair by promoting virtuous
 cycles rather than vicious cycles in states of depression trauma guilt
 and reparation identifies the emotional barriers faced by people who have
 experienced severe trauma as well as the emergence of reparative
 processes which pave the way from impasse to development trauma guilt and
