the m16 was first introduced in 1958 and was revolutionary for its time as it was made of lightweight materials including special aluminum and plastics it was first adopted by us special forces and airborne troops in 1962 before it was issued to army and marine units serving in vietnam its use spread throughout the following decades and a number of variants including submachine and carbine versions were also fielded as a result it is now amongst the three most used combat cartridges in the world while over 10 million m16s and variants have been produced making it one of the most successful american handheld weapons in history but despite its undeniable success the m16 is not without its detractors indeed the black rifle as it is known is one of the most controversial rifles ever introduced with a long history of design defects ruggedness issues cleaning difficulties and reliability problems leading to endless technical refinements this volume provides a technical history of the m16 and the struggle to perfect it together with an assessment of its impact on the battlefield drawing on over a decade s combat experience with the rifle

in 2006 the title highlanders finally disappeared from the british army s list of infantry regiments after nearly 270 years throughout this period scottish highland units distinguished themselves in battle but it was in the 19th century heyday of the british empire that they acquired an elite reputation and their colourful uniforms evolved to their full complexity this book traces and explains the identity and

The Hell of War Comes Home

2018-02-09

owen w gilman jr stresses the us experience of war in the twenty first century and argues that wherever and whenever there is war there will be imaginative responses to it especially the recent wars in afghanistan and iraq since the trauma of september 11 the experience of americans at war has been rendered honestly and fully in a wide range of texts creative nonfiction and journalism film poetry and fiction these responses gilman contends have packed a lot of power and measure up even to world war ii s literature and film like few other books gilman s volume studies these new texts among them kevin powers s debut novel the yellow birds and phil klay s short stories redeployment along with the films the hurt locker american sniper and billy lynn s long halftime walk for perspective gilman also looks at some touchstones from the vietnam war compared to a few of the big vietnam books and films this new material has mostly been read and watched by small audiences and generated less discussion gilman exposes the circumstances in american culture currently preventing literature and film of our recent wars from making a significant impact he contends that americans inclination to demand distraction limits learning from these compelling responses to war in the past decade according to gilman where there should be clarity and depth of knowledge we instead face misunderstanding and the anguish endured by veterans betrayed by war and our lack of understanding

The Bible, the Bullet, and the Ballot

2017-03-31

the bible the bullet and the ballot provides a balanced account of the role of christians christian organisations and churches in sociopolitical transformation over the bedrock of colonial and nationalist politics in the past century in zimbabwe fabulous moyo explores the broader social and political impact of prominent african christian clergy who were sociopolitical activists such as ndabaningi sithole abel muzorewa and canaan banana it also highlights the role of missionaries who contributed to the african struggle for independence such as ralph edward dodge donal lamont and garfield todd he examines the contributions of african nationalist parties and prominent politicians with christian roots such as joshua nkomo and robert mugabe in the struggle for independence and their contribution in the postcolonial era in light of their christian heritage and the collective pre independence nationalist ideals on nation building and national unity
