Anti-Blackness at School 2022 while schools often are framed as places of neutrality and fairness many american schools have harmed black children or been silent in the face of their struggles under education and mistreatment while there are undoubtedly adults in these spaces who support black children many others ignore black families minimize students concerns and believe that colorblindness will solve the problem of inequity in education embedded in everyday realities the authors outline the many ways anti blackness shows up in schools drawing on more than 44 years of equity work they provide concrete doable and meaningful ways in which teachers and administrators can create black affirming spaces written for pre and in service teachers and others working with black children and youth anti blackness at school explores both the scope of anti blackness and how teachers can reject racism book features provides interracial perspectives from authors joi spencer a black woman from california and kerri ullucci a white woman from rhode island uses case studies activities lessons and techniques to talk about anti blackness inventory its presence and take steps to address the harm caused by it calls out how

school policies programs belief systems and customs are particularly hostile to black youth explains why diversity work is not synonymous with antiracist work offering a model focused on justice and equity directs practitioners to easily accessible resources that will allow them to challenge racism and uplift black youth in their care

Black Women Mothering & Daughtering During a Dual Pandemic 2024-04-01 the contributors of this volume share with the scholarly community how they have learned to strive resist adapt and re conceptualize black women s mental health and labor during the dual pandemics of white supremacy and covid 19 this book is unique in that it calls for the contributing authors to draw upon and reflect on the use of sisterhood and a literacy circle to cope with an economic crisis mass death and racial battle fatigue during a worldwide pandemic specifically the invited authors draw inspiration from venus e evans winters book black feminism in qualitative inquiry a mosaic for writing our daughter s body as an exemplar of research that both centers the issues and concerns of black women scholar practitioner activists and presents a methodology consistent with black feminist ways of knowing and expressions evans winters theoretical and methodological writings are among the first works in research and gender studies that have successfully interwoven black feminists politics spirituality and africanism with educational research and thought using constructed stories from the authors personal narratives black women mothering and daughtering during a dual pandemic writing our backs addresses themes pertinent to black women s lives including our socialization and socio emotional development mother daughter and other mother daughter relationships navigating the racial politics of schooling friendships survivorship and grief using non normative methodological concepts and practices the authors explore concepts such as daughtering politicking mother speak and cultural exchange while employing linguistic expressions such as prose text messages dialogue and personal narrative firmly planted in authentic black womanist aesthetics furthermore the authors highlight and demonstrate why and how they utilize reading and black women s literary works to critically reflect meaningfully write heal and do their work in times of peril morrison 2019 more specifically this book explores how the authors draw from black women s cultural literacies in teaching healing mentoring and activism how are black women s literary works as a body of knowledge used in healing spaces to marshal new or forgotten healing methodologies cultural frame of references and spiritual awakenings the contributing authors address this question from multiple perspectives such as education social work and psychology collectively the authors advance black women s mental wealth as a theoretical and methodological healing modality that meets their multiple identities as spiritual and cultural beings educators daughters mothers sisters healers and social activists this is the first anthology to explore how black women s literacy during a state of racial unrest and resistance alongside a global health pandemic shapes our cultural knowledge ways of coping and spiritual endeavors across varied and often ambiguous contexts

Teaching Humanities With Cultural Responsiveness at HBCUs and HSIs 2023-11-08 in the realm of higher education a persistent challenge exists in empowering black and brown students within historically black colleges and universities hbcus and hispanic serving institutions hsis to transcend societal limitations often labeled as at risk or lagging within the achievement gap these students possess untapped potential hindered by traditional teaching methods the impact of covid 19 and racial injustice has exacerbated disparities underscoring the need for innovative teaching approaches that connect academic subjects with the real experiences of these learners

educators navigating evolving technology and diverse classrooms strive to bridge this gap while fostering cultural inclusivity addressing this challenge is the book culturally responsive pedagogies in the humanities at hbcus and hsis curated by duewa m frazier representing a groundbreaking collective effort the book offers transformative educational practices that bridge the gap between conventional teaching and the diverse realities of hbcu and hsi classrooms covering topics like teaching esl and efl students accommodating disabilities integrating hip hop pedagogies and promoting social justice education the anthology provides research driven solutions that empower educators to revolutionize their teaching methods to foster academic excellence and equity the book resonates with scholars administrators and educators guiding them on a journey of innovation that harmonizes cultural responsiveness and academic achievement ushering in a new era of education
