## **Literature for Young Adults 2017-03-15**

young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout literature for young adults have the potential to make that connection and motivate them to read it explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers it also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs in addition to traditional genre chapters literature for young adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film it recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with the book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their

students and others when communicating about books it will help readers teach young adults the language they need to articulate their responses to the books they are reading

## **Integrating Young Adult Literature through the Common Core Standards *2013-01-07***

this book advocates for a stronger role for young adult literature in ela classrooms compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks integrating young adult literature through the common core standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students needs and the demands of the common core standards the first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model the second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together the book empowers schools and teachers to make intelligent informed decisions about texts and instructional practices that benefit their students finally

the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in english classrooms
