What It Means To Be As Wise As A Serpent

2015-07

jesus said be wise as serpents and harmless as doves are serpents really wise why would jesus give such advice take a journey in this riveting book by dag heward mills and discover the hidden wisdom of the serpent

The Serpent's Tale

2000

we travel the world writes gregory mcnamee and wherever we go there are snake stories to entertain us here are some fifty diverse and unusual accounts of serpents from cultures across time and around the globe snakes that talk jump and dance snakes that transform into other creatures snakes that just watch many selections are drawn from the rich oral traditions of peoples in every clime that supports reptiles from the akimel o odham of north america to the mensa bet abrahe of africa to the mungkjan of australia included as well are such writings as prayers from the egyptian book of the dead fairy tales collected by the brothers grimm a poem by emily dickinson and a journal entry by charles darwin what we read about snakes in the serpent s tale is just as fascinating for what it says about us for there always will be something primordial about our connection to them that bond is evident in these stories in how we associate snakes with nature s elemental forces how we attribute special qualities to their eyes and skin and how they preside over all phases of our existence from creation to death to resurrection

Birds and a Snake.

2019-09-20

after his introduction on the serpentine line and his family members the action begins one afternoon as he is resting in a hole up in a willow tree his sleep is interrupted by three egrets who speak of the mythical lightning bird that landed among them with an announcement regarding serpents the news is shocking to the lethal snake who with his deadly fangs considers himself a supreme hunter but to the birds the news is hilarious the lightning bird then issues a challenge that only the snake would understand if he could see beyond his humiliation and his pride and embark on a quest into the kingdom of the birds to learn about life he is relentlessly inquisitive and does not fear answers that show him up in a less than perfect light he takes a lively interest in each meeting with the 21 different birds and gradually surpasses his ignorance with astonishing revelations about life he is determined to find out more about his nefarious ancestor and his subversive doings in the garden of eden his commentary is candid witty and often surprising

The History of Four-Footed Beasts and Serpents and Insects

2013-11-05

first published in 1967 this is volume one of three of the history of four footed beasts taken principally from the historite animalium of conrad gesner during the first decade of the seventeenth century when topsell prepared his translation zoology had just become a science it has a unique place it was the first major book on animals printed in great britain in english and it appeared at the last moment in history when all zoological knowledge since antiquity could be summarized sympathetically before it was rendered a curiosity by the many new discoveries soon to come

The Serpent and the Serpent Slayer

2020-10-06

although a story with a serpent a damsel in distress and a serpent slayer may sound like just another fairy tale it is in fact part of the greatest true account ever told the bible epic tales resonate with readers because they echo the greatest story in this new addition to the short studies in biblical theology series andrew david naselli traces the theme of snakes and dragons from the serpent in the garden to the devouring dragon in revelation culminating with the return of the king new and seasoned christians alike will experience afresh the captivating unifying narrative behind all stories as they embark on a journey through the bible with a trusted biblical scholar

Field Guide to Lake Monsters, Sea Serpents, and Other Mystery Denizens of the Deep

2003-10-27

from the serpentine champie of lake champlain to the venerable nessie of loch ness extraordinary and un explained creatures of the deep have been reported in sightings throughout the twentieth century now two of the world s leading cryptozoological investigators provide a globetrotting field guide to when where and what kind of mysterious aquatic beasts have gripped the public and sometimes the scientific imagination filled with comprehensive drawings classifications and maps their book offers an invaluable and unusual resource for the intrepidly curious to investigate these sightings firsthand or to simply enjoy the fascinating accounts that others have given

Flying Serpents and Dragons

1999-07

a highly original work that deals a shattering blow to all our preconceived notions about our past and human origins worldwide legends refer to giant flying lizards and dragons that came to this planet and founded the ancient civilizations of mesopotamia egypt india and china who were these reptilian creatures what was the real reason for mans creation why did adam lose his chance at immortality in the garden of eden who were the nefilim who descended from heaven and mated with human women why did the serpent take such a bad rap in history why didnt adam and eve wear clothes what were the crystals or stones that the gods fought over why did the ancient sumerians call their major gods ushumgal which means literally great fiery flying serpent what were the boats of heaven in ancient egypt and the sky chariots of the bible this book tells it all

A Plague of Serpents

2024-04-25

k j maitland s gripping jacobean historical thriller series comes to a dramatic conclusion what a wonderful storyteller maitland is the times london 1608 three years after the gunpowder treason the king s enemies prepare to strike again daniel pursglove is tasked by royal command with one final mission he must infiltrate the serpents a secret group of catholics plotting to kill the king or risk his own execution but other conspirators are circling men who would blackmail daniel for their own dark ends in the serpents den nothing is quite as it seems and when daniel spies a familiar face among their number the game takes a dangerous turn as plague returns to london tensions reach breaking point can daniel escape the web of treason in which he finds himself ensnared or has his luck finally run out pre order the final novel in k j maitland s daniel pursglove series praise for the daniel pursglove series dark and enthralling andrew taylor

colourful and compelling sunday times full of tension and danger powerfully atmospheric
jennifer saint goes right to the heart of the jacobean court tracy borman spies thieves murderers
and king james i brilliant conn iggulden there are few authors who can bring the past to life so
compellingly brilliant writing and more importantly riveting reading simon scarrow a beautifully
crafted thriller breathtaking and bone chilling manda scott maitland is a superlative historical
novelist rebecca mascull devilishly good daily mail the intrigues of jacobean court politics
simmer beneath the surface in this gripping and masterful crime novel katherine clements
beautifully written with a dark heart maitland knows how to pull you deep into the early
jacobean period rhiannon ward

A Dragon's Head and a Serpent's Tail

2012-03-20

the invasion of korea by japanese troops in may of 1592 was no ordinary military expedition it was one of the decisive events in asian history and the most tragic for the korean peninsula until the mid twentieth century japanese overlord toyotomi hideyoshi envisioned conquering korea ming china and eventually all of asia but korea s appeal to china s emperor wanli for assistance triggered a six year war involving hundreds of thousands of soldiers and encompassing the whole region for japan the war was a dragon s head followed by a serpent s tail an impressive beginning with no real ending kenneth m swope has undertaken the first full length scholarly study in english of this important conflict drawing on korean japanese and especially chinese sources he corrects the japan centered perspective of previous accounts and depicts wanli not as the self indulgent ruler of received interpretations but rather one actively engaged in military affairs and concerned especially with rescuing china s client state of korea he puts the ming in a more vigorous light detailing chinese siege warfare the development and deployment of innovative military technologies and the naval battles that marked the climax of the war he also explains the war s repercussions outside the military sphere particularly the dynamics of intraregional diplomacy within the shadow of the chinese tributary system what swope calls the first great east asian war marked both the emergence of japan s desire to extend its sphere of influence to the chinese mainland and a military revival of china s commitment to defending its interests in northeast asia swope s account offers new insight not only into the history of warfare in asia but also into a conflict that reverberates in international relations to this day

Dragons, Serpents, and Slayers in the Classical and Early Christian Worlds

2013-04-08

stories about dragons serpents and their slayers make up a rich and varied tradition within ancient mythology and folklore in this sourcebook daniel ogden presents a comprehensive and easily accessible collection of dragon myths from greek roman and early christian sources some of the dragons featured are well known the hydra slain by heracles the dragon of colchis the guardian of the golden fleece overcome by jason and medea and the great sea serpent from which perseus rescues andromeda but the less well known dragons are often equally enthralling like the dragon of thespiae which menestratus slays by feeding himself to it in armor covered in fish hooks or the lamias of libya who entice young men into their striking range by wiggling their tails shaped like beautiful women at them the texts are arranged in such a way as to allow readers to witness the continuity of and evolution in dragon stories between the classical and christian worlds and to understand the genesis of saintly dragon slaying stories of the sort now characteristically associated with st george whose earliest dragon fight concludes the volume all texts a considerable number of which have not previously been available in english are offered in new translations and accompanied by lucid commentaries that place the source passages into their mythical folkloric literary and cultural contexts a sampling of the ancient iconography of dragons and an appendix on dragon slaying myths from the ancient near east and india particularly those with a bearing upon the greco roman material are also included this volume promises to be the most authoritative sourcebook on this perennially fascinating and influential

body of ancient myth

The Serpent in Samuel

2020-02-17

in this study brian a verrett argues that 1 2 samuel contains a serpent motif by practicing biblical theology and literary criticism this motif derives from the serpent in genesis 3 and its function within the samuel narrative is to heighten the reader s anticipation in the coming messiah who is the son of david and the seed of the woman from genesis 3 15 this messiah will defeat the serpent and inaugurate his glorious reign over a renewed world when 1 2 samuel is read in this way one appreciates previously unnoticed features of the text understands aspects of the text that were formerly confusing and rightly sees that the whole of 1 2 samuel is a messianic document

The Book of the Thousand Nights and a Night

1894

paul stephenson twists together multiple strands to relate the cultural biography of a unique monument the serpent column which stands today in istanbul 2500 years after it was raised at delphi

Serpents and Werewolves

2016-10-06

jesus christ visited ancient america by almon fackrell and other sheep i have which are not of this fold them also i must bring and they shall hear my voice john 10 14 16 the bible being the most revered book of the christians along with the collected treasures of mayan and aztec antiquities testifies jesus christ visited ancient america being an enthusiast of bible versions and after visiting the aztec and mayan ruins in mexico almon fackrell was prompted to have this study and reveal the parallels of christian belief and ancient america s religion with it almon fackrell was able to account for 276 similarities which prove that israelites were in ancient america discover for yourself the facts that have been written both in the bible and the popol vuh about the author almon fackrell was born in pingree idaho and raised in arimo idaho in 1953 he was drafted into the u s army and was assigned to a special weapons detachment in new mexico at sandia base holloman air force base and white sands proving grounds he attended the university of new mexico and graduated at sandia corporation engineering trade school in albuquerque after thirty seven years of drafting designing and engineering in the aerospace industry he retired as a senior support engineer from parker hannifin corporation in irvine california

Jesus Christ Visited Ancient America

2013-12-04

published in 2001 the serpent s egg became an instant hit among canadian middle readers and

tweens selling thousands by word of mouth alone ottawa is under siege parliament hill has fallen to the demon the fate of the entire world rests in the hands of miranda and her ottawa school friends searching through the labyrinth of tunnels under the library of parliament they must find a portal into a parallel world where the only way to save the two worlds from the demon and her crazed minions is to capture the serpent s egg in the classic tradition of epic fantasy the serpent s egg has all the magic ingredients for a captivating tale good versus evil an unlikely heroine awesome battles evil doers extraordinaire and a story that puts courage and friendship to the test

The Holy Bible ... With Explanatory Notes, References, and a Condensed Concordance. Illustrated with ... Engravings

1876

this book frequently returns to the theme of duality particularly in relation to the serpent and the sun in addition to signifying danger dishonesty and death the serpent also symbolizes rebirth transformation and healing in a similar vein the sun represents both harshness and destruction in addition to life energy and growth the investigation of this duality implies that knowledge of these two facets is necessary to comprehend both the natural world and the human predicament the distinction between mythology and historical truth is becoming increasingly hazy demonstrating how actual occurrences and cultures have shaped myths and legends and how those have in turn influenced them it is argued that myths are more than just fantastic stories rather they have deep roots in societal advancements and human experiences this emphasizes how crucial mythology is to how we perceive the world and ourselves the book explores the symbolic meanings of the sun and serpent in psychology based on carl jung s theories of archetypes and the collective unconscious it clarifies why these symbols are so universally recognizable and appealing the symbols are believed to resonate with deeply ingrained psychological concepts and experiences that everyone shares making them useful tools for reflection and understanding of behavior in others numerous studies conducted in a range of cultural contexts highlight the idea that human belief systems are both universal and diverse the book provides examples of how various societies have integrated and understood the symbols of the sun and the serpent in ways that are particular to their own historical settings and cultural norms this demonstrates the diversity of human expression in culture and the interdependence of human societies

Serpent's Egg

2010-08-01

this book gives a concise history of christian theology based on a mysteriously discovered set of seventy four limericks readers who already know the history of theology will read about it from an unfamiliar perspective and beginners will learn the basics in an accessible form the limericks range from gnostic theology through to the reformation and on to karl barth and paul tillich if all of this seems unfamiliar the accompanying text should help sort it all out
