from the perspective of a veteran pastor and communicator dr leslie parrott describes the function of the usher and provides practical and scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency church usher s manual a systematic approach to church ushering by clyde jackson church usher s manual a systematic approach to church ushering has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church as you study this book you will learn that at no time should a parishioner walk the aisle looking for seats assign them immediately ushers should be alert at all times this book if necessary can be used in conjunction with any other church ushering materials as we enter our church the first person we often see is the usher while many may look at the position of usher as simply a social one it can be so much more in ushering with a mission author victor l davis presents the first comprehensive guide specifically addressed to the needs of the usher the traditional approach to ushering focused on the task of meeting seating and greeting worshippers the typical training manual addressed techniques ushers should use in carrying out those duties davis s ushering with a mission goes a step further and emphasizes the importance of disciplining the individual usher ushering is viewed as a ministry rather than a committee or board activity the ministry of ushering is approached from a christ centered biblical perspective ushering is not something we simply do because it s our sunday to usher we do it because it is a lifestyle resulting from the overflow of the spirit filled life ushering with a mission stresses the importance of bible study prayer and personal evangelism with nonbelievers ushers will find fellowship with other believers in the body of christ as they explore ways to fulfill the great commission and commandment of our lord and savior jesus christ ninety five percent of all christians in america today have never led anyone to jesus in their lifetime equally astonishing is the fact that much of today s church growth is through membership transfers many christians pastors and church leaders want to but are at a loss on how to successfully win the unsaved uncertain and unconcerned to christ the soul winner s manual by bishop spencer jones is a powerful and effectively tool designed to teach men women and leadership how to effectively do just that using the authoritativeness of scripture as the foundation for all soul winning components you will learn bishop spencer s tried and true system of ways to influence and convince the lost of their need for christ and christians of their need to place high priority emphasis on evangelism outreaches into god s vast harvest field the soul winner s manual truly takes the struggle out of being greatly used by god to win the lost guidebook for church leaders and offi cers was published to assist leaders in the ministry who need assistance in the daily operations of church administration dr mercer believes that leaders male or female who enter the ministry should be fully equipped in the unity of faith with knowledge of kingdom principles to fully operate in the body of christ she believes that a church working together is successful when members understand their roles and responsibilities finally dr mercer believes that communication between church leaders and officers is the key component in doing a job well for the lord this volume brings together twelve scholars from a variety of scholarly fields including biblical studies history theology sociology anthropology and missiology in a multi disciplinary exploration of themes related to women s leadership within the three branches of the renewal movement holiness pentecostal and charismatic traditions these scholars women and men from both within and outside the traditions draw on various methodologies including hermeneutics ethnography critical theory and historical analysis to explore the experiences and contributions of women from the movement s inception to the present they keep before us the challenges that still impact women s full participation as equal partners in ministry and leadership on both the american and global scene the volume looks at the multiple roots of women s marginalization within the renewal movement while suggesting progressive solutions that take seriously the social locations of pentecostal and charismatic congregations and the theological foundations on which the movement has been built at the same time it locates these discussions within the broader postmodern realities facing the church as it attempts to faithfully live out its witness to the biblical truth that both male and female are created in the god s image and endowed with the capacity to work creatively toward the unfolding of the kingdom contents preface by amos yong vii 1 introduction by estrela alexander part i historical
