Strategies are a plan of action designed to achieve a long term or overall aim. They are often used in business, politics, and military contexts. Strategies are often developed by senior management or government officials. They are often used to guide the actions of an organization or government. Strategies are often used to guide the actions of an organization or government. Strategies are often used to guide the actions of an organization or government.

## strategy | cambridge dictionary

Sep 19 2023

A way of doing something or dealing with something. Follow this strategy for avoiding minor mistakes. We offer a group therapy session that teaches coping strategies. We need to decide soon what marketing strategy we should pursue for these new products. The opposition parties have so far failed to set out an alternative strategy.

## strategy | hinitiative

Aug 18 2023

2024-06-19 strategies are plans or policies for a particular purpose while tactics are means of achieving something in short. Strategies are plans and tactics are the actions so strategies always come before tactics. Examples by careful
