The Critical Reception of Shakespeare's Antony and Cleopatra from 1607 to 1905 1980-01-01 first published in 2002 routledge is an imprint of taylor francis an informa company

Shakespeare and the Classical Tradition 2002 in this book stone effects a return to gender after many years of neglect by twenty first century critics via a methodology of close reading that foregrounds moments of sexual decentering and disequilibrium within the text and in the interstices of the dialogue between shakespeare and his critics issues addressed range from the cross dressing of viola and imogen to the cross gartering of malvolio the sound of un and the uncanny lyric narcissism of richard ii hamlet s misogyny androgyny and the poison of marital political union othello s fears of impotence rumors of antony s emasculation versus the militant yet nurturing triumphalism of cleopatra s suicide and posthumus s hysterical reaction to the woman s part in himself and his compensatory fantasies of parthenogenesis stone unpacks ideologically powerful but unsustainable male claims to self identity and sameness set over against man s type gendering of women as the origin of divisive sexual difference discord and the dissolution of marriage men who blame women for the difference that divides and weakens their sense of unity and sameness to oneself are unconscious that the uncanny feminine is not outside the masculine its reassuring canny opposite it is inside the masculine its uncanny difference from itself

1996

2005

Crossing Gender in Shakespeare 2010-02-25 draws upon both medical and literary research to show the preoccupation of shakespeare and his contemporaries with drugs and poisons in their dramas

2005 the new cambridge shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance the series features line by line commentaries and textual notes on the plays and poems introductions are regularly refreshed with accounts of new critical stage and screen interpretations for this second edition of antony and cleopatra david bevington has included in his introductory section a thorough consideration of recent critical and stage interpretations demonstrating how the theatrical design and imagination of this play make it one of shakespeare s most remarkable tragedies the edition is attentive throughout to the play as theatre a detailed illustrated account of the stage history is followed in the commentary by discussion of staging options offered by the text the commentary is especially full and helpful untangling many obscure words and phrases illuminating sexual puns and alerting the reader to shakespeare s shaping of his source material in plutarch s lives

Drugs and Theater in Early Modern England

2005-07-04 first published in 2002 this is a collection

of essays and commentary on the later shakespearean tragedies of julius caesar hamlet macbeth coriolanus anthony and cleopatra and richard ii

Antony and Cleopatra 1892 why shakespeare it s been 400 years since his death and yet we continue to find inspiration revelation solace and entertainment in his poems and plays in this original collection susannah carson invites 38 actors directors scholars and writers to share their own personal connections with shakespeare and explore how he came to shape our world so completely along the way we reminisce on a childhood spent constructing makeshift matchstick theatres with isabel allende grapple with coriolanus for a modern audience alongside ralph fiennes hear from james earl jones on reclaiming othello as a tragic hero share in julie taymor s transformation of prospero into prospera join sir ben kingsley on his mission to keep shakespeare s ideas alive for all generations through performance and muse with brian cox on social conflict in shakespeare s time and in ours together they offer fresh insight into shakespeare s work as a living legacy to be read seen performed adapted revised wrestled with and loved

A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: St. Athanasius: Select works and letters. 1892 1892 explores the significance of dreams in early christian egypt using sources from philo and origen to athanasius and early monks

A Select Library of Nicene and Post-Nicene

Fathers of the Christian Church 2013-10-08

employing psychoanalysis trauma theory and materialist perspectives this book examines shakespeare s appropriations of ovid s poetry in his roman poems and plays it argues that shakespeare uses ovid to explore violence trauma and virtue the traumatic effects of aggression sadomasochism and the shifting notions of selfhood and masculinity

The Imperial Theme 2014-04-03 about the book in

this book mr p d deshpane shows how the protagonists of shakespeare s tragedies ultimately fall prey to the crooked eclipses of a rapidly moving chain of events which are mostly brought upon by their own actions guided by the peculiar complexity of their mind and their absurdities at the same time he shows how the greatness sublimity and also imperfection of human life shines through the characters like hamlet king lear macbeth othello etc about the author mr p d deshpane is a renowned writer and poet in marathi language he has 16 sixteen published books to his credit which have been appreciated by the common readers as well as critics he has devoted almost all his life to bring the works of william shakespeare in marathi language for the common readers and that has made him to translate in free verse form all the sonnets of shakespeare and his plays like the tempest hamlet coriolanus macbeth etc in marathi language he has also written many articles about shakespeare s life and plays in renowned periodicals his magnum opus is a novel about shakespeare s life in two volumes written after meticulous research

Shakespeare and Me 2019-04-25 who during the renaissance could have dissented from the values of reason and restraint patience and humility rejection of the worldly and the physical these widely articulated values were part of the inherited christian tradition and were reinforced by key elements in the renaissance especially the revival of stoicism and platonism this book is devoted to those who did dissent from them richard strier reveals that many long recognized major texts did question the most traditional values and uncovers a renaissance far more bumptious and affirmative than much recent scholarship has allowed the unrepentant renaissance counters the prevalent view of the period as dominated by the regulation of bodies and passions aiming to reclaim the renaissance as an era happily churning with surprising worldly and self assertive energies reviving the perspective of jacob burckhardt and nietzsche strier provides fresh and uninhibited readings of texts by petrarch more shakespeare ignatius loyola montaigne descartes and milton strier s lively argument will stir debate throughout the field of renaissance studies

Dreams, Virtue and Divine Knowledge in Early Christian Egypt 2014-07-08 generosity is an ambiguous quality william flesch observes while receiving gifts is pleasant gift giving both displays the wealth and strength of the giver and places the receiver under an obligation in provocative new readings of shakespeare herbert and milton flesch illuminates the personal authority that is bound

inextricably with acts of generosity drawing on the work of such theorists as Mauss, Blanchot, Bourdieu, Wittgenstein, Bloom, Cavell, and Greenblatt. Flesch maintains that the literary power of Shakespeare, Herbert, and Milton is at its most intense when they are exploring the limits of generosity. He considers how in Herbert's temple divine assurance of the possibility of redemption is put into question and how the poet approaches such a gift with the ambivalence of a beneficiary. In his readings of Shakespeare's *Richard II*, *Henry IV*, *King Lear*, *Antony and Cleopatra*, and the *Sonnets*, Flesch examines the perspective of the benefactor, including Shakespeare himself, who confronts the decline of his capacity to give. Turning to Milton's *Paradise Lost*, Flesch identifies two opposing ways of understanding generosity: Satan's on the one hand and Adam and Eve's on the other, and elaborates the different conceptions of poetry to which these understandings give rise. Scholars of Shakespeare and of Renaissance culture, Miltonists, literary theorists, and others interested in the relationship between philosophy and literature will want to read this insightful and challenging book.

Violence, Trauma, and Virtus in Shakespeare's Roman Poems and Plays 2022-09-02 offering fuller understandings of both dramatic representations and the complexities of religious culture, this collection reveals the ways in which religion and performance were inextricably linked in early modern England. Its readings extend beyond the interpretation of straightforward religious allusions and suggest new

avenues for theorizing the dynamic relationship between religious representations and dramatic ones by addressing the particular ways in which commercial drama adapted the sensory aspects of religious experience to its own symbolic systems the volume enacts a methodological shift towards a more nuanced semiotics of theatrical performance covering plays by a wide range of dramatists including shakespeare individual essays explore the material conditions of performance the intricate resonances between dramatic performance and religious ceremonies and the multiple valences of religious references in early modern plays additionally religion and drama in early modern england reveals the theater's broad interpretation of post reformation christian practice as well as its engagement with the religions of islam judaism and paganism

Crooked Eclipses - Shakespeare's Tragedies

2011-09-01 will love examines four of shakespeare's love plays romeo and juliet troilus and cressida twelfth night and antony and cleopatra in light of the augustinian psychology at the heart of the theological romance tradition this tradition which shakespeare inherits from medieval theologian poets such as boethius dante petrarch and chaucer issues from the idea initially expressed by augustine in his confessions that love functions as volitional weight as a kind of magnetism or almost gravitational force that it moves the lover in mysterious ways yet without diminishing his or her agency will love highlights shakespeare's conception of love in terms of motion and explores the

metaphysical ethical psychological and dramatic implications of his doing so

The Unrepentant Renaissance 2018-10-18 greco roman religions and superstitions and early christianity s engagement with them are explored in 12 unique studies the beliefs and fears with regard to demons or daimons their origins and threatening behavior are examined both in their pagan and judaeo christian contexts these new studies look at the greco roman heroic gods how they faced death and how james and john the sons of thunder may well have been viewed in some circles as the equivalent of the sons of zeus castor and pollux the contributors also explore roman omens especially as they relate to rome s legendary founder romulus and what light they shed on the omens that accompany the birth and death of jesus of nazareth particular focus is placed upon paul binding spells women and hymns of exaltation along with atheism in late antiquity with special consideration of the charlatan alexander finally there is a re visitation of the confusion misinformation and legends surrounding the discovery of the qumran caves including fear of jinn this book provides invaluable resources for precisely how early christians interacted with different ideas and traditions around gods and spirits both benevolent and malevolent in the greco roman world

Generosity and the Limits of Authority 2016-04-08 first published in 2002 this is volume ii of the collected works of g wilson knight and this revised looks at the shakespearean tempest and includes a

chart of shakespeare s dramatic universe

NPNF2-04. Athanasius: Select Works and Letters

2023-03-10 french composer maurice ravel was described by critics as a magician conjurer and illusionist scholars have been aware of this historical curiosity but none so far have explained why ravel attracted such critiques or what they might tell us about how to interpret his music magician of sound examines ravel s music through the lens of illusory experience considering how timbre orchestral effects figure ground relationships and impressions of motion and stasis might be experienced as if they were conjuring tricks applying concepts from music theory psychology philosophy and the history of magic jessie fillerup develops an approach to musical illusion that newly illuminates ravel s fascination with machines and creates compelling links between his music and other forms of aesthetic illusion from painting and poetry to fiction and phantasmagoria fillerup analyzes scenes of enchantment and illusory effects in ravel s most popular works including boléro la valse daphnis et chloé and rapsodie espagnole relating his methods and musical effects to the practice of theatrical conjurers drawing on a rich well of primary sources magician of sound provides a new interdisciplinary framework for interpreting this enigmatic composer linking magic and music

Religion and Drama in Early Modern England

2022-02-24 in the fourth century the deserts of egypt became the nerve center of a radical new movement what we now call monasticism groups of christians

from illiterate peasants to learned intellectuals moved out to the wastelands beyond the Nile valley and in the famous words of Saint Athanasius made the desert a city in so doing they captured the imagination of the ancient world they forged techniques of prayer and asceticism of discipleship and spiritual direction that have remained central to Christianity ever since seeking to map the soul's long journey to God and plot out the subtle vagaries of the human heart they created and inspired texts that became classics of Western spirituality these desert Christians were also brilliant storytellers some of Christianity's finest this book introduces the literature of early monasticism it examines all the best known works including Athanasius Life of Antony the Lives of Pachomius and the so called sayings of the Desert Fathers later chapters focus on two pioneers of monastic theology Evagrius Ponticus the first great theoretician of Christian mysticism and John Cassian who brought Egyptian monasticism to the Latin West along the way readers are introduced to path breaking discoveries to new texts and recent archeological finds that have revolutionized contemporary scholarship on monastic origins included are fascinating snippets from papyri and from little known Coptic Syriac and Ethiopic texts interspersed in each chapter are illustrations maps and diagrams that help readers sort through the key texts and the richly textured world of early monasticism geared to a wide audience and written in clear jargon free prose Desert Christians offers the most comprehensive and accessible introduction to

early monasticism

romance novel that s more than just a love story try florence barclay s the white ladies of worcester a fascinating historical romance set in a twelfth century nunnery in worcester with intrigue mystery and of course budding affection it s a read you ll relish

Shakespearian Tempest - V 2 2004-06-17 as the first monk in the desert antony became an early christian superstar eclipsing his many ascetic predecessors the introduction of asceticism into the wilderness also represented an encounter between christian and hellenistic ideas for centuries greeks had considered the uncultivated geography intrinsically primordial a chaotic place where man struggled to remain human the wilderness represented an eternal ordeal where man always faced fierce beasts disorder and death but also where simultaneously he could attain boundless wealth wisdom and even physical immortality through athanasius of alexandria s fourth century biography of antony we learn how the christian appropriation of greek ideas on geography bodies and immortality raised asceticism to an entirely new level placed in his uncultivated landscape antony became a true martyr an athlete of god and a holy man able to retrieve the bodily incorruptibility lost in the fall which all christians could look forward to at the end of times in this way athanasius employed a traditional greek

worldview to demonstrate the superiority of christianity over paganism which never promised ordinary people anything but an eternal existence as dead and disembodied souls

Magician of Sound 2015-05-13 presents a collection of critical essays on the works of william shakespeare

Desert Christians 2012-10-01 an award winning scholar and teacher explores how shakespeare s greatest characters were built on a learned sense of empathy while exploring shakespeare s plays with her students paula marantz cohen discovered that teaching and discussing his plays unlocked a surprising sense of compassion in the classroom in this short and illuminating book she shows how shakespeare s genius lay with his ability to arouse empathy even when his characters exist in alien contexts and behave in reprehensible ways cohen takes her readers through a selection of shakespeare s most famous plays including hamlet othello king lear and the merchant of venice to demonstrate the ways in which shakespeare thought deeply and clearly about how we treat the other cohen argues that only through close reading of shakespeare can we fully appreciate his empathetic response to race class gender and age wise eloquent and thoughtful this book is a forceful argument for literature s power to champion what is best in us

Teaching Particulars 2008 the world of macbeth with its absolutes of good and evil seems very remote from the shifting perspectives of antony and cleopatra or the psychological and political realities of

coriolanus yet all three plays share similar thematic concerns and preoccupations the relations of power to legitimating authority for instance or of male and female roles in the imagination of male heroic endeavour in this acclaimed study nicholas grene shows how all nine plays written in shakespeare's main tragic period display this combination of strikingly different milieu balanced by thematic interrelationships taking the english history play as his starting point he argues that shakespeare established two different modes of imagining the one mythic and visionary the other sceptical and analytic in the tragic plays that followed themes and situations are dramatised alternately in sacred and secular worlds a chapter is devoted to each tragedy but with a continuing awareness of companion plays the analysis of julius caesar informing that of hamlet discussion of troilus and cressida counterpointed by the critique of othello and the treatment of king lear growing out from the limitations of timon of athens the aim is to resist homogenising the plays but to recognise and explore the unique imaginative enterprise from which they arose

The White Ladies of Worcester 2009 this volume examines mystical experiences as portrayed in various ways by authors such as philosophers mystics psychoanalysts writers and peasant women these mystical authors have throughout the ages attempted to convey the unsayable through writings paintings or oral stories the immediate experience of god is the primary source and ultimate goal of these mystical

expressions this experience is essentially ineffable yet all mystical authors either consciously or unconsciously feel an urge to convey what they have undergone in the moments of rapture at the same time they are in the role of intermediaries the goal of their self expression either written painted or oral is to make others somehow understand or feel what they have experienced and to lead others toward the spiritual goal of human life this volume studies the mystical experiences and the way they have been described or portrayed in west european culture from antiquity to the present from an interdisciplinary perspective and approaches the concept of immediate experience in various ways

Primordial Landscapes, Incorruptible Bodies

2021-02-09 in our universe ponce de le en is remembered for his fruitless search for the mythical fountain of youth but in an alternate universe his quest found something very different^{3/4}and very dangerous after his return to spain bizarre rumors flew about what he had found there and what had come back with him eighty five years later spain sent a fleet of ships against england the english were confident that they could repel the threat^{3/4}but england s fleet was annihilated by weapons shooting beams of fiery light weapons which seemed to employ the blackest of sorcery even if they were wielded by odd looking beings in monk s garb the queen herself was forced to flee to the new world on captain thomas winslow s ship heron accompanied by her advisor dr dee whom some called a sorcerer and an odd fellow

named shakespeare hoping there to find the source of spain s powerful weapons but they would find far stranger matters there than they had expected such as a grown woman who had been only an infant a year before and eerie tales of a gate to another world with beings who were not human at the publisher s request this title is sold without drm digital rights management

William Shakespeare 2016-07-27 st antony s college oxford was founded by antonin besse and opened its doors in october 1950 under the inspired leadership of william deakin the college became a centre for postgraduate teaching and research in the social sciences the most deliberately international of all oxford colleges it was also the first to admit substantial numbers of women this book recounts the college s history and describes the changing lifestyle of its students over the last fifty years

Of Human Kindness 2017-01-19 the wisdom of the desert fathers and mothers lies in their experiences of solitude prayer community life work and care for their neighbors their goal was transformation of their lives through openness to the presence and energy of god in christ they taught by example and by sharing narratives and sayings that reflect the deep human psychological and spiritual aspects of their journey toward authentic human life the venue for their transformation was the whole person body mind and spirit they emphasized self knowledge humility purity of heart and love of god and neighbor far from being naïve their sayings and narratives reflect honest

struggles temptations and failures they also demonstrate the disciplines of prayer and meditation that kept them centered in god as their only source of strength the daily reflections in desert banquet introduce readers to a variety of these early christian mentors and offer reflections on the significance of their wisdom for life in the twenty first century david g r keller an episcopal priest is adjunct professor of ascetical theology at the general theological seminary in new york city he is co steward with his wife emily wilmer of oasis of wisdom an institute for contemplative study practice and living based in asheville north carolina oasisofwisdom net he is the author of oasis of wisdom the worlds of the desert fathers and mothers liturgical press and come and see the transformation of personal prayer morehouse publishing

Shakespeare's Tragic Imagination 2008-11-01 first published in 1996 routledge is an imprint of taylor francis an informa company
