equips you with everything you need to become comfortable creating an outstanding speech working from a conversational framework you ll learn to approach public speaking as a way of continuing important public conversations with specific audiences the authors emphasize the importance of civility as the ethical grounding of speech in public as well as address fake news and the problem it poses for doing research an all new chapter takes a deep dive into online presentation skills covering everything from eye contact on zoom to using graphics in a mediated presentation expanding the formats of public speaking the final chapter is devoted to special kinds of speaking like ted talks pechakucha poetry slams toasts and more learn to speak in public without breaking a sweat the public speaking playbook fourth edition coaches students to prepare practice and present speeches at their highest level with a focus on actively building skills the playbook guides students in the fundamentals of the public speaking process and uses frequent interactive exercises that allow students to practice and improve their public speaking students want to put their skills into practice quickly so the playbook gives them the essentials in brief learning modules that focus on skill building through independent and collaborative learning activities as students master their skills they are also encouraged to think critically about what it means to play fair in your public speaking with a focus on diversity ethics and civic engagement while maintaining its reputation for balancing the practice of public speaking with its classical and contemporary foundations the 4th edition of between one and many provides students with the tools necessary to reach their audiences at school in the workplace and in the community in this edition the authors use more accessible language less jargon and clear links between skills derived from theory and research and the actual practice of those skills based on the idea that the transaction between speakers and audiences determines the meaning of the message between one and many demonstrates that public speaking is a refined and extended version of the conversational skills students put to use daily divided into four parts the book first introduces students to the elements of the speaking transaction guides them through the process of developing their first speeches provides them with skills they can use to manage their natural anxieties about public speaking and emphasizes the relationship between their listening and speaking skills in part two students learn to consider the audience and situation as they develop their speeches how knowledge of audience diversity can make them more competent speakers and about the knowledge and skills necessary to practice ethical speaking and listening in part three students begin to apply their knowledge and skills they learn how to invent and organize their speeches how to use language and deliver their speeches and are shown how they can complement but never substitute their speech with presentational media part four guides students in the practice of informative and persuasive speaking it also focuses on the relationship between persuasive speaking and critical thinking and helps students anticipate and prepare for the predictable occasions where they should expect to speak balancing skills and theory principles of public speaking 19th edition emphasizes orality internet technology and critical thinking as it encourages the reader to see public speaking as a way to build community in today s diverse world within a framework that emphasizes speaker responsibility listening and cultural awareness this classic book uses examples from college workplace political and social communication to make the study of public speaking relevant contemporary and exciting this edition opens with a new chapter on speaking apprehension and offers enhanced online resources for instructors and students the 2019 revel tm re release of the 4th edition offers new and updated content and features for courses in public speaking help students understand how public speaking is a cornerstone of democratic engagement reuel public speaking and civic engagement opens students eyes to the critical role debate plays in democracy through the context of real world events with an emphasis on the importance of communication it teaches students to effectively share insights and ideas listen to those of others and debate opinions critically as part of their responsibility as democratic citizens throughout the text the authors demonstrate the importance of public speaking with concrete examples in a concise and accessible format that students can
