Complete Land Law 2013-08-22 complete land law provides a comprehensive yet accessible introduction to the subject combining extracts from key cases and legislation with clear author explanations and commentary diagrams summaries and questions further support the text making it the ideal guide for students new to the subject

Armed Drones and Globalization in the Asymmetric War on Terror 2017-12-06 this book is a critical exploration of the war on terror from the prism of armed drones and globalization it is particularly focused on the united states use of the drones and the systemic dysfunctions that globalization has caused to international political economy and national security creating backlash in which the desirability of globalization is not only increasingly questioned but the resultant dissension about its desirability appears increasingly militating against the

international consensus needed to fight the war on terror to underline the controversial nature of the war on terror and the pragmatic weapon armed drones fashioned for its prosecution some of the elements of this controversy have been interrogated in this book they include amongst others the doubt over whether the war should have been declared in the first place because terrorist attacks hardly meet the united nations casus belli an armed attack there are critics as highlighted in this book who believe that the war on terror is not an armed conflict properly so called and thus remains only a law enforcement issue the united states and all the states taking part in the war on terror are obligated to observe international humanitarian law ihl it is within this context of ihl that this book appraises the drone as a weapon of engagement discussing such issues as personality and signature strikes as well as the implications of the deployment of spies as drone strikers rather than the defence department the members of the u s armed forces this book will be of value to researchers academics policymakers professionals and students in the fields of security studies terrorism the law of armed conflict international humanitarian law and international politics

Equity and Law 2019-08 the fusion of law and equity in common law systems was a crucial moment in the development of the modern law in this volume leading scholars assess the significance of the fusion of law and equity from comparative doctrinal historical and theoretical perspectives

Competition Law in Times of Crisis 2018-12-11 this book examines the role and utility of competition law within the eu s legislative and regulatory dialogue using its response to crisis conditions as a test of its aims and abilities as such its main conclusion is that competition policy acts as a forum for debate as to the direction of the european integration project while competition law can serve as a tool for aiding in the implementation of broader policy objectives the analysis here explores the role of the general economic context in the application of competition law the existence of identifiable baselines applicable in crisis conditions the ability and role of national competition authorities in applying competition law and the ways in which the european commission s overarching policy goals can influence the application of competition law the decision to take an empirical approach to this research project stems from a conviction that an investigation into the real world situations faced by firms and consumers should underpin the evaluation of the applicable legal rules over the past number of years the commission has exerted more and more influence over the development of the regional and global airline industry and this book identifies the emergence of an apparent overarching aim on the part of the commission to create a market with a handful of ultra competitive airlines with international reach serviced by an array of smaller feeder airlines on a regional basis the study of irish beef processing on the other hand identifies a high level of government involvement in providing the strategic thinking behind a crisis cartel scheme and then

demonstrates how the economic context exerted considerably more pressure on the government and the national court than on the competition authorities involved

American Conflicts Law, 5th edition 2021-10-25 co published by oxford university press and the international law institute and prepared by the office of the legal adviser of the united states department of state the digest of united states practice in international law presents an annual compilation of documents and commentary highlighting significant developments in public and private international law and is an invaluable resource for practitioners and scholars in the field each annual volume compiles excerpts from documents such as treaties diplomatic notes and correspondence legal opinion letters judicial decisions senate committee reports and press releases all the documents which are excerpted in the digest are selected by members of the legal adviser s office of the u s department of state based on their judgments about the significance of the issues their potential relevance to future situations and their likely interest to practitioners and scholars in almost every case the commentary to each excerpt is accompanied by a citation to the full text this volume is the comprehensive index for the digest of united states practice in international law covering the period 1989 2006 making it the long requested finding tool to the set

Digest of United States Practice in International Law 2008-01-25 this new edition of property law builds upon the

highly successful earlier editions providing a modern and comprehensive text full consideration is given to the important proposals of the law commission relating to the reform of registration of title it also encompasses the most recent statutes including the contracts rights of third parties act 1999 and case law amongst the most important new cases covered are central london commercial estates ltd v kato kagaku ltd adverse possession bruton v london and quadrant housing trust leases and royal bank of scotland plc v etridge no 2 mortgages property law provides full coverage of basic property principles permitting land law principles to be situated within this broader context particular attention is given to the role of possession for both land and chattels trusts and equity are explained so far as these are relevant to property issues the approach adopted thus ensures that the book is suitable for courses which deal with property law in this way as well as for more traditional land law courses land law topics are widely covered but with an emphasis on issues central to most courses on this subject the book goes well beyond a description of the rules however seeking rather to get to the heart of the analyses used by the courts and to provide an understanding of their effect within a mature and complex area of law there is a full discussion of key cases and the ways in which they articulate the fundamental principles of property law enabling students to obtain a firm grasp of the subject and to apply these principles to particular problems and examples property law can be used by itself or together with the author s property law cases and

materials

Property Law 2000 co published by oxford university press and the international law institute and prepared by the office of the legal adviser at the department of state the digest of united states practice in international law presents an annual compilation of documents and commentary highlighting significant developments in public and private international law and is an invaluable resource for practitioners and scholars in the field each edition compiles excerpts from documents such as treaties diplomatic notes and correspondence legal opinion letters judicial decisions senate committee reports and press releases each document is selected by members of the legal adviser s office of the u s department of state based on their judgments about the significance of the issues their potential relevance to future situations and their likely interest to scholars and practitioners the cumulative index volume for 1989 through 2008 contains a complete table of cases and index covering all volumes of the digest of u s practice in international law published to date since the office of the legal adviser renewed publication in 2000
