Manhunt 2012-05-01

the gripping account of the decade long hunt for the world's most wanted man it was only a week before 9 11 that peter bergen turned in the manuscript of holy war inc the story of osama bin laden whom bergen had once interviewed in a mud hut in afghanistan and his declaration of war on america the book became a new york times bestseller and the essential portrait of the most formidable terrorist enterprise of our time now in manhunt bergen picks up the thread with this taut yet panoramic account of the pursuit and killing of bin laden here are riveting new details of bin laden's flight after the crushing defeat of the taliban to tora bora where american forces came startlingly close to capturing him and of the fugitive leader's attempts to find a secure hiding place as the only journalist to gain access to bin laden's abottabad compound before the pakistani government demolished it bergen paints a vivid picture of bin laden's grim spartan life in hiding and his struggle to maintain control of al qaeda even as american drones systematically picked off his key lieutenants half a world away cia analysts haunted by the intelligence failures that led to 9 11 and the wmd fiasco pored over the tiniest of clues before homing in on the man they called the kuwaiti who led them to a peculiar building with twelve foot high walls and security cameras less than a mile from a pakistani military academy this was the courier who would unwittingly steer them to bin laden now a prisoner of his own making but still plotting to devastate the united states bergen takes us inside the situation room where president obama considers the courses of action presented by his war council and receives conflicting advice from his top advisors before deciding to risk the raid that would change history and then inside the joint special operations command whose secret warriors the seals would execute operation neptune spear from the moment two black hawks take off from afghanistan until bin laden utters his last words manhunt reads like a thriller based on exhaustive research and unprecedented access to white house officials cia analysts pakistani intelligence and the military this is the definitive account of ten years in pursuit of bin laden and of the twilight of al qaeda

The Finish 2012

from mark bowden the preeminent chronicler of our military and special forces comes the finish a gripping account of the hunt for osama bin laden with access to key sources bowden takes us inside the rooms where decisions were made and on the ground where the action unfolded after masterminding the attacks of september 11 2001 osama bin laden managed to vanish over the next ten years as bowden shows america found that its war with al qaeda a scattered group of individuals who were almost impossible to track demanded an innovative approach step by step bowden describes the development of a new tactical strategy to fight this war the fusion of intel from various agencies and on the ground special ops after thousands of special forces missions in iraq and afghanistan the right weapon to go after bin laden had finally evolved by spring 2011 intelligence pointed to a compound in abottabad it was estimated that there was a 50 50 chance that osama was there bowden shows how three strategies were mooted a drone strike a precision bombing or an assault by navy seals in the end the president had to make the final decision it was time for the finish

The Hunt for Bin Laden 2012-08-10

the long and secret effort to track down osama bin laden has been called the biggest costliest manhunt in history from the pulitzer prize winning washington post this reconstruction compiled from reporting from more than two dozen washington post correspondents and staffers from over more than 15 years traces the hunt from its beginnings in 1997 during the clinton administration the hunt for bin laden is a

behind the scenes narrative that reveals the fourteen year billion dollar effort that brought the hunt to a swift and conclusive end including the numerous times cia agents had bin laden in their crosshairs prior to 9 11 only to have missions canceled at the last moment vivid details of bin laden s behavior in the wake of the attacks on september 11th the myriad of ways he evaded detection in his years on the lam including his narrow escape from the caves and tunnels of tora bora how the war in iraq drained resources and diverted the spotlight from the hunt turning the mission to kill or capture bin laden into a back burner operation and political liability for the bush administration it wasn t until the iraq war began to wind down that the search gained its endgame momentum the post shows reclassified as a highest priority again by a new president how increasingly punishing drone attacks interrogations of captured al qaeda operatives and an ever expanding network of informants finally began to yield a trail that led to bin laden s courier a cell phone interception and ultimately bin laden

The Killing of Osama Bin Laden 2016-04-01

electrifying investigation of white house lies about the assassination of osama bin laden in 2011 an elite group of us navy seals stormed an enclosure in the pakistani city of abottabad and killed osama bin laden the man the united states had begun chasing before the devastating attacks of 9 11 the news did much to boost president obama s first term and played a major part in his reelection victory of the following year but much of the story of that night as presented to the world was incomplete or a lie the evidence of what actually went on remains hidden at the same time the full story of the united states involvement in the syrian civil war has been kept behind a diplomatic curtain concealed by doublespeak it is a policy of obfuscation that has compelled the white house to turn a blind eye to turkey s involvement in supporting isis and its predecessors in syria this investigation which began as a series of essays in the london review of books has ignited a firestorm of controversy in the world media in his introduction hersh asks what will be the legacy of obama s time in office was it an era of change we can believe in or a season of lies and compromises that continued george w bush s misconceived war on terror how did he lose the confidence of the general in charge of america s forces who acted in direct contradiction to the white house what else do we not know

Revealed: the Hunt for Bin Laden 2020-10-20

we all know how the story ends and think we know how it unfolded but here for the first time is the official and authoritative story of the ten year global search for osama bin laden culminating in the may 2011 raid by u s navy seals in pakistan reading like the world s greatest action thriller and with never before read first person accounts and never before seen artifacts this indispensable resource documents one of the most dramatic missions in american history based on the 9 11 museum s special exhibition revealed draws on exclusive interviews with president barack obama secretary of state hillary clinton secretary of defense robert gates cia director leon panetta and admiral william mcraeven the mission commander all woven together with oral histories from the seals who participated in the mission and the intelligence officers and analysts who tracked bin laden down illustrations include surveillance imagery maps and the famous model of the abottabad compound built to brief the president on options and used by the seal command to plan the raid all being made public for the first time

Messages to the World 2020-05-05

despite the saturation of global media coverage osama bin laden s own writings have been curiously absent from analysis of the war on terror over the last ten years bin laden has issued a series of carefully

tailored public statements from interviews with western and arabic journalists to faxes and video recordings these texts supply evidence crucial to an understanding of the bizarre mix of quranic scholarship cia training punctual interventions in gulf politics and messianic anti imperialism that has formed the programmatic core of al qaeda in bringing together the various statements issued under bin laden s name since 1994 this volume forms part of a growing discourse that seeks to demythologize the terrorist network newly translated from the arabic annotated with a critical introduction by islamic scholar bruce lawrence this collection places the statements in their religious historical and political context it shows how bin laden s views draw on and differ from other strands of radical islamic thought it also demonstrates how his arguments vary in degrees of consistency and how his evasions concerning the true nature and extent of his own group and over his own role in terrorist attacks have contributed to the perpetuation of his personal mythology

Jihad 2007

there is no denying the fact that when bin laden speaks the people across the world particularly the western media usually ask is he really alive where is he what did he say a curiosity to know more about him yet remains the present book aims at ca

The Rise and Fall of Osama Bin Laden 2022-08-02

the world s leading expert on osama bin laden delivers for the first time the riveting the new york times definitive biography of a man who set the course of american foreign policy for the 21st century and whose ideological heirs we continue to battle today in the rise and fall of osama bin laden peter bergan provides the first reevaluation of the man responsible for precipitating america s long war with al qaeda and its decedents capturing bin laden in all the dimensions of his life as a family man as a zealot as a battlefield commander as a terrorist leader and as a fugitive the book sheds light on his many contradictions he was the son of a billionaire yet insisted his family live like paupers he adored his wives and children depending on his two wives both of whom had phds to make critical strategic decisions yet he also brought ruin to his family he was fanatically religious but willing to kill thousands of civilians in the name of islam he inspired deep loyalty yet in the end his bodyguards turned against him and while he inflicted the most lethal act of mass murder in united states history he failed to achieve any of his strategic goals in his final years the lasting image we have of bin laden is of an aging man with a graying beard watching old footage of himself just as another dad flipping through the channels with his remote in the end bin laden died in a squalid suburban compound far from the front lines of his holy war and yet despite that unheroic denouement his ideology lives on thanks to exclusive interviews with family members and associates and documents unearthed only recently bergen s comprehensive authoritative and compelling h r mcmaster author of dereliction of duty and battlegrounds the fight to defend the free world portrait of osama bin laden reveals for the first time who he really was and why he continues to inspire a new generation of jihadists

The Exile 2017-05-23

the extraordinary inside story of osama bin laden and al qaeda in the years after 9 11 following the attacks on the twin towers osama bin laden the most wanted man in the world eluded intelligence services and special forces units for almost a decade using remarkable first person testimony from bin laden s family and closest aides the exile chronicles this astonishing tale of evasion collusion and isolation in intimate detail the exile reveals not only the frantic attack on afghanistan by the united states

in their hunt for bin laden but also how and why when they found his family soon after the bush administration rejected the chance to seize them it charts the formation of isis and uncovers the wasted opportunity to kill its al qaeda sponsored founder it explores the development of the cia s torture programme it details iran s secret shelter for bin laden s family and al qaeda s military council and it captures the power struggles paranoia and claustrophobia within the abbottabad house prior to the raid a landmark work of investigation and reportage the exile is as authoritative as it is compelling and essential reading for anyone concerned with history security and future relations with the islamic world

The Hunt for Osama bin Laden 2004-12-15

looks at america s search for al qaeda leader osama bin laden from his addition to the fbi s list of ten most wanted fugitives in 1999 to the intensive global manhunt still underway in 2004

The Osama Bin Laden I Know 2006

osama bin laden has haunted the popular psyche and stymied the world s mightiest military for the last five years despite president bush s declaration that he wanted bin laden dead or alive despite being one of the world s most notorious men and despite the barrage of coverage surrounding him osama bin laden remains at large and shrouded in a fog of anecdote and myth rumor and fact peter bergen author of the bestselling book holy war inc offers an astounding unparalleled portrait of bin laden comprised of bergen s own interviews with more than fifty people who have known bin laden personally from his brother in law to his high school english teacher to former members of al qaeda the resulting collage of voices and memories affords an unprecedented glimpse into the life and the true nature of the man directly responsible for the largest terror attack in history no journalist knows more about osama bin laden than peter bergen in 1997 well before bin laden became a household name bergen met with him and has since followed his activities closely after an insightful introduction in which bergen recounts how at their meeting bin laden presented himself as a soft spoken cleric rather than as the firebreathing leader of a global terrorist organization bergen stands aside to make way for the voices of dozens of people with firsthand sometimes intimate experience with the al qaeda leader current conventional wisdom seems to be that bin laden and his organization have faded in importance but bergen argues urgently that that perspective is far from accurate indeed each day that bin laden remains free adds to al qaeda s public relations triumph for his legend only grows among his supporters more concretely he continues to provide broad strategic guidance for jihadists his many statements released on video or audio tape since 9 11 for instance have exerted direct influence on terrorists actions in 2003 the world suffered more significant terror attacks than had occurred in a single year during the previous two decades and in 2004 the number of attacks doubled over 2003 in 2004 abu musab al zarqawi iraq s most ferocious insurgent leader pledged his allegiance to bin laden a sign of the continued importance of al qaeda s leader how did osama bin laden transform himself from a shy polite middle of his class schoolboy to commander of the world s most formidable terrorist organization where was bin laden on 9 11 and what was his reaction to it how did he escape from tora bora is al qaeda a top down organization or a loose ideological alliance what is it about this man that draws hundreds of thousands of followers and makes men willing to fly airplanes into buildings at his command this definitive and engaging portrait gives the american public its first true enduring insight into a man who has declared us his greatest enemy

Bin Laden 2002

tracing his life from his birth in 1957 this biography of osama bin laden places the development of his beliefs and activities within the context of the vortex of politics swirling around saudi arabia sudan afghanistan and other areas of the islamic world journalist robinson details his student days in lebanon his relationship with his large family and the family business and his efforts to build a large organization capable of striking against his enemies annotation copyrighted by book news inc portland or

Bin Laden, Islam, & America's New War on Terrorism

2011-01-04

lebanese scholar as ad abukhalil examines the roots of the september 11 crisis the causes for antipathy toward the united states and the historical relations between the u s and the islamic world abukhalil also reviews the background of u s entanglement with the middle east and how it catalyzed militant fundamentalist networks that came to perceive the united states as an enemy beginning with an introduction on the legacy of western misconceptions about islam and arabs the book focuses on islamic fundamentalism and u s foreign policy and the way both polarize the world into a good and evil with us or against us view drawing heavily from arabic language sources abukhalil discusses the rise of osama bin laden and al qaeda the saudi connection the arab israeli conflict afghanistan pakistan and the regional implications of the american war on terrorism

Through Our Enemies' Eyes 2006

this seminal work on modern terrorism is the one book to read in order to truly understand the reasons why radical muslims such as osama bin laden and his followers have declared war on america and the west in order to win the war against terrorism argues michael scheuer former head of the cia s bin laden unit we must first stop dismissing militant muslims as extremists or religious fanatics formulating a successful military strategy requires that we see the enemy as they perceive themselves highly trained and motivated soldiers who believe their cause is righteous this revised paperback edition provides a more extensive study of osama bin laden and the sources of his thought scheuer has added a good deal of bin laden s words focusing on those issues that have been most misunderstood or ignored and therefore are most in need of exposition these include bin laden s personality his early years as a nonviolent saudi dissident and reformer the causes motivating al qaeda and its allies especially their perception that u s foreign policy threatens islam s survival bin laden s long history of interest in and support for the palestinian cause against israel his evolutionary growth as an islamic hero and leader between 1996 and 2001 and the profound impact the afghan soviet war had and continues to have on bin laden al qaeda and worldwide sunni islamic militancy only by understanding these words can the west appreciate the threat it faces and formulate a strategy to defeat it

Osama Bin Laden 2011-02-01

9 11 almost instantaneously remade american politics and foreign policy the wars in iraq and afghanistan the patriot act water boarding and Guantanamo are examples of its profound and far reaching effects but despite its monumental impact and a deluge of books about al qaeda and islamist terrorism no one has written a serious assessment of the man who planned it osama bin laden available biographies depict bin laden as an historical figure the mastermind behind 9 11 but no longer relevant to the world it created

these accounts michael scheuer strongly believes have contributed to a widespread and dangerous denial of his continuing significance and power in this book scheuer provides a much needed corrective a hard headed closely reasoned portrait of bin laden showing him to be a figure of remarkable leadership skills strategic genius and considerable rhetorical abilities the first head of the cia s bin laden unit where he led the effort to track down bin laden scheuer draws from a wealth of information about bin laden and his evolution from peaceful saudi dissident to america s most wanted shedding light on his development as a theologian media manipulator and paramilitary commander scheuer makes use of all the speeches and interviews bin laden has given as well as lengthy interviews testimony and previously untranslated documents written by those who grew up with bin laden in saudi arabia served as his bodyguards and drivers and fought alongside him against the soviets the bin laden who emerges from these accounts is devout talented patient and ruthless in other words a truly formidable and implacable enemy of the west acclaim for imperial hubris why the west is losing the war on terrorism pulls few punches a fascinating window on america s war with al qaeda michiko kakutani new york times no serious observer of the war on terrorism can ignore this scathing critique peter bergen author of holy war inc a powerful persuasive analysis of the terrorist threat and the bush administration s failed efforts to fight it richard a clarke washington post book world a fire breathing denunciation of u s counterterrorism policy julian borger the guardian presents overwhelmingly persuasive evidence to buttress a host of significant and controversial arguments benjamin schwarz atlantic monthly destined to become a classic in the field of counterterrorism analysis bruce hoffman author of inside terrorism

In the Name of Osama Bin Laden 2002

a must read for all who continue to grapple with the twin legacy of hatred and hope from september 11 international terrorism expert roland jacquard s in the name of osama bin laden presents a dramatic portrait of the world s most wanted terrorist and his extensive brotherhood the network of people who operate in his name published originally in france the very week of september 11 as events in the united states shook the world the book has become an international bestseller jacquard details how bin laden became an international emblem of fundamentalist pan islamic anti u s fervor and the leader of a brotherhood so passionate that devotees who have never met him will act autonomously in his name the author explains the global character of bin laden s organization elaborating the extent of his sphere of influence in europe and asia jacquard reveals the construction of bin laden s networks including a profile of his inner circle and their collaboration with overlapping webs of banking drug trafficking religious and terrorist organizations he considers the brotherhood s access to biological chemical and nuclear weapons and warns that with or without bin laden this global terrorist force will remain a threat now in english this edition has been substantially updated in light of recent world events and expanded to include previously unpublished materials featuring a new introduction and afterword new documents include an april 2001 interview by the author with bin laden a september 24 proclamation by bin laden to muslims in pakistan and a key page from dr ayman al zawahiri s book justifying eternal jihad which was smuggled out of afghanistan in october 2001

Holy War, Inc. 2001-11-14

on september 11 2001 the world in which we live was changed forever the twin towers of the world trade center came crashing down one side of the pentagon burst into flame and more than six thousand men women and children lost their lives in the most deadly terrorist attack on american soil as shocking as it was it had been long in the making the assault was the most sophisticated and horrifying in a series of operations masterminded by osama bin laden and his jihad group an organization that cnn s terrorism

analyst peter bergen calls holy war inc one of only a handful of western journalists to have interviewed the world's most wanted man face to face peter bergen has produced the definitive book on the jihadist network that operates globally and in secrecy in the course of four years of investigative reporting he has interviewed scores of insiders from bin laden associates and family members to taliban leaders to cia officials and traveled to afghanistan yemen egypt pakistan and the united kingdom to learn the truth about bin laden's al Qaeda organization and his mission immense in scope and unnerving in its findings holy war inc reveals how bin laden lives travels and communicates with his cells how his role in the crushing defeat of the soviet union in afghanistan made him a hero to muslims all over the world and equipped him to endure a long and bloody siege how the cia ended up funding to the tune of three billion dollars radical anti american afghan groups allied to bin laden how the attacks that foreshadowed the destruction of the world trade center among them the bombings of the american embassies in africa and the warship uss cole in yemen were planned and executed the dimensions of bin laden's personal fortune and why freezing his assets is both futile and nearly impossible the ideology of bin laden's number two the man who has influenced him most profoundly in his holy war the egyptian ayman al zawahiri what we can expect from islamist extremists in the future above all peter bergen helps us to see bin laden's organization in a radically new light as a veritable corporation that has exploited twenty first century communications and weapons technologies in the service of a medieval reading of the koran and holy war holy war inc is essential reading for anyone trying to understand tomorrow's terrorist threats and the militant islamist movements that could determine the fate of governments and human lives the world over both author and publisher will donate a portion of the proceeds from this book to united way's september 11th fund for the relief of victims of the world trade center attacks

Osama Bin Laden, King of Terror Or Saviour of Islam? 2012-10-01

osama bin laden is dead but al qaeda remains the cia s number one threat with branches in strategic hotspots from yemen and somalia to north africa and an increasing influence among home grown jihadis

in the west journalist and al qa ida expert abdel bari atwan investigates how the organisation has survived all attempts to destroy it al qa ida after bin laden has expanded its reach by cementing new alliances and exploiting the opportunities regional turmoil affords the arab spring has opened new battlegrounds for jihadists particularly in libya the sahel syria and egypt as the extremist zeal for a global caliphate shows no sign of abating atwan profiles the next generation of foot soldiers and leaders and explores the new methods they embrace in the pursuit of jihad in a digital age one of the sharpest commentators about al qa ida and the middle east atwan s sobering assessment deserves a wide audience peter bergen author of manhunt from 9 11 to Abbottabad the ten year search for Osama bin Laden atwan captures the essence of Osama bin Laden the man his leadership and why we will never be free of the legacy he left behind intelligent and fascinatingly readable pat Lancaster editor in chief middle east magazine an extraordinarily gifted experienced and knowledgeable analyst of Arab affairs this is essential reading dame Ann Leslie DBE

After bin Laden 2009-11-01

as the western world s most wanted terrorist Osama bin Laden has fought to keep his personal life a mystery loyalty and fear keeping those who know him from speaking out until now for the first time two of Osama s closest family members his first wife Najwa and their fourth son Omar go behind the headlines to reveal the truth about the character and life of a man feared and revered around the globe in gripping detail they recount the drama tensions and everyday activities of the man they knew as a husband and father married at fifteen Najwa describes the transformation of the quiet serious young man she fell in love with into an authoritarian husband and stern father an entrepreneur and finally the leader of a complex international terrorist network uprooted from a life of extraordinary luxury and privilege in Saudi Arabia they suddenly found themselves living life on the run fleeing from country to country under assumed names and fake passports Omar describes how he and his siblings were brought up in remote ranches and fortified Afghan mountain camps handling Kalashnikovs and learning desert survival skills their eventual escape from Afghanistan would come just days before the terrible events of 9 11 changed the world forever with unprecedented access and exclusive family photographs Jean Sasson author of the bestselling Princess presents the story that we were never meant to hear

Growing Up Bin Laden 2011-05-09

Osama bin Laden was the most wanted man in American history an enemy who brought the United States what President George W. Bush called a day of fire and ushered in a new era of terrorism it took a decade of blood and sacrifice of determination and frustration but finally in a nighttime raid at the end of a dirt road in Pakistan the hunt for bin Laden ended with a gunshot it was a dramatic climax to a long and painful chapter but now what the terrorist threat that has defined American policy since the attacks of 9 11 did not die with bin Laden in his walled compound near Islamabad radicals still wish us harm and we must fight on in this provocative collection of essays edited and introduced by Pulitzer Prize winner Jon Meacham a group of penetrating analysts and leaders look ahead to the world after bin Laden to the future of al Qaeda of Afghanistan of Pakistan we explore the political military and cultural implications of the post bin Laden war on terror from Richard N. Haass of the Council on Foreign Relations to former Secretary of State James A. Baker III from historian and journalist Evan Thomas to former U.S. Army officer Andrew Exum beyond bin Laden gives readers intelligent deeply informed and urgent glimpses of what comes next contributors include Jon Meacham executive editor Random House James A. Baker III former Secretary of State Karen Hughes former Counselor to President George W. Bush and former Under Secretary of State for Public Diplomacy Richard N. Haass President Council on Foreign Relations Bing West author the

wrong war and former assistant secretary of defense for international security affairs andrew exum fellow center for a new american security daniel markey senior fellow for india pakistan and south asia council on foreign relations evan thomas award winning historian and former editor at large newsweek

Beyond Bin Laden 2007

although for much of the world osama bin laden is the public face of contemporary islamist fundamentalist terrorism he is a hero for a significant islamist fundamentalist minority for his violent resistance to western encroachment on islamic societies an

Quotations from Osama Bin Laden 2011-05-04

fascinating account i strongly recommend it jeane j kirkpatrick world renowned terrorism expert yossef bodansky explores the transformation of osama bin laden from a once promising engineering student into the cold blooded leader of the radical islamic terrorist group al qaeda with meticulous detail bodansky chronicles the events leading up to the international operation of hunting bin laden in the process bodansky pulls together a chilling story that is as ancient as the crusades a story that transcends bin laden and any other single man one that sweeps from iran afghanistan and iraq to kosovo and beyond he takes you deep into the heart of centuries old hatreds that have produced generations of bin ladens and a terror network of underground armies that can strike virtually anywhere in the world fueled by middle eastern oil wealth and covertly armed by some of america s closest allies this terror network is waging a brutal guerrilla war whose aim is nothing short of changing the course of history the battlefields are increasingly western city streets and the casualties are most often innocents caught in the crossfire including information about al qaeda s pursuit of chemical and nuclear weapons covert deals between the u s and islamic terrorists and american efforts in the years long campaign to capture osama bin laden this book is a sobering wake up call

bin Laden 2023-10-10

fought between 1979 and 1989 the soviet afghan war provided vital combat experience for osama bin laden and his senior lieutenants in al qaeda allowing them to hone their newly acquired skills in guerrilla warfare to later support islamist insurgencies worldwide yet the ruthless al qaeda chief s success depended on the soviet leadership s reluctant prolonging of its military occupation out of fear of leaving afghanistan in hostile hands as relative latecomers to the ferocious afghan frontlines the inexperienced arab fighters benefitted militarily from the combat training unwittingly provided by their soviet foes after skillfully obtaining this command and battle experience by working within the wartime atmosphere bin laden channeled al qaeda s efforts in a global jihadi campaign targeting a second superpower and its allies while allegations of u s support for the arab jihadis have contributed to a popular image of bin laden and al qaeda as c i a creations the historical facts appear to demonstrate that the combat opportunities provided by the soviet occupation forces played a far larger role in transforming them into seasoned guerrilla fighters in this second edition reagan fancher updates and expands his monograph in an afterword elaborating on the contemporary u s u k perceptions of bin laden s wartime actions and their results as he applied his battle honed guerrilla tactics judo skills and recruitment capabilities in tactically helping yemen s anti communist salafi guerrillas to emerge victoriously in their country s 1994 civil war before concluding with an assessment of the founding al qaeda leader s impact on history it offers an opportunity for today s decision makers to learn from history and avoid creating new generations of osama bin ladens

The Holy Warrior: Osama Bin Laden and His Jihadi Journey in the Soviet-Afghan War 2015-01-12

this compelling book dives into the historical background of the raid that killed osama bin laden this volume discusses the controversies related to the assassination including those surrounding the seals raid the last chapter gives readers a chance to see this event up close and personal by presenting compelling first person narratives readers will hear how the wives of bin laden describe the raid they will read graeme green s analysis of a local who was tweeting the raid live barack obama recounts the bin laden situation room one year after the event

The Assassination of Osama Bin Laden 2008-06-17

schultheis a veteran war correspondent takes an in depth look at why america is losing the war on terror and what the nation should do if it really wants to defeat osama bin laden and al qaeda

presents biographical information about militant islamic leader osama bin laden including his role in international terrorism and the beliefs that fuel his actions

Osama Bin Laden 2012-06-01

an intriguing glimpse into the aging al qaeda leader s thoughts as his life neared its end washington post a sort of anthropology of a terror network the new york times a rare often fascinating glimpse of al qaeda and its leadership bbc news on may 2 2011 us navy seals and cia operatives raided the secret compound of osama bin laden killing the founder of the jihadist militant group al qaeda which was responsible for the tragedies of september 11 2001 a year after his death documents and personal correspondence by bin laden found in the compound have been made public for the first time offering a rare glimpse into the mind of one of the most infamous terrorists in world history a treasure trove of documents including correspondence between bin laden and other al qaeda leaders have been translated from arabic accompanied by analysis and background information from members of the combating terrorism center at west point the osama bin laden diaries details the decision making behind one of the most nefarious terrorist organizations of all time

Osama bin Laden Files 2011-05-09

osama bin laden was the most wanted man in modern history and ushered in a new era of terrorism it took a decade of blood and sacrifice of determination and frustration but finally in a night time raid at the end of a dirt road in pakistan the hunt for bin laden ended with a gunshot it was a dramatic climax to a long and painful chapter but now what the terrorist threat that has defined western policy since the attacks of 9 11 did not die with bin laden in his walled compound near islamabad in this provocative collection of essays edited and introduced by pulitzer prize winner jon meacham a group of penetrating american analysts and leaders look ahead to the world after bin laden to the future of al qaeda of afghanistan of pakistan they explore the political military and cultural implications of the post bin laden war on terror from richard n haass of the council on foreign relations to former secretary of state james a baker iii from historian and journalist evan thomas to former u s army officer andrew exum beyond bin

laden gives readers intelligent deeply informed and urgent glimpses of what comes next
