the parable of the prodigal son is one of the best known stories in the bible it has captured the imagination of commentators preachers and writers alison m jack explores the reconfiguring of the character of the prodigal son and his family in literature in english she considers diverse literary periods and genres in which the paradigm is particularly prevalent such as elizabethan literature the

work of shakespeare the novels of female victorian writers the american short story tradition novels focused on the lives of ordained ministers and the poetry of elizabeth bishop and iain crichton smith drawing on scholarship from biblical and literary studies this study demonstrates the remarkable potency of the parable in generating new and at times contradictory meanings in different contexts historical and literary criticism are brought into dialogue to explore this remarkably resilient and nimble character as he dances through drama novels and poetry across the centuries

Robert C. Sherriff's *Journey's End* is a syllabus text and the most famous play about World War One first staged in 1928. This book tells the story of what went into the making of this extraordinary and powerful trench drama. It outlines Sherriff's career from humble insurance clerk to infantry officer and his unforgettable 10 months on the Western Front before he was invalided home. Lucky to be alive, Sherriff poured into his first professional play his personal experience of living in a front line dug out, using his diary and letters home. The book charts his emotional life under fire and relates it directly to the play, its events and its characters. It also tells the story of *Journey's End*'s incredible box office success across the world, a triumph which made its shy young author famous overnight, taking in the history of the show right up to the most recent productions. *Journey's End*, the classic war play, explored is a meditation on *Journey's End*'s achievement as a war document, its fascination for audiences when it was first staged and its continuing grip on theatregoers and students today.

In this second sequel to the book *In the Loft*, the stars suddenly vanish and then reappear, throwing the crews of the Circle of Planets starship explorer and the Surion battle cruiser Doras into a distorted universe. Shortly after a battle with aliens from out of Earth's past, two of the explorers' crew disappear: Captain Jon Varkon and Surion Captain Korron. They then set out to find the cause that twisted space and time. Their journey takes them to the secrets of creation, gone wrong to loss, abandonment, and death, with no idea how to return to the life they knew.
