a thoroughly absorbing and inherently fascinating account of a most unusual life lived out in a series of equally unusual circumstances

midwest book review everyone has dreams of what they want to accomplish in life

marty essen s childhood dream of becoming a herpetologist gave way to his dream of becoming a popular dj which led to his dream of becoming a big time talent manager which morphed into the dream of becoming an in demand author and college speaker while he achieved most of his dreams at various levels he also realized that he didn t necessarily have to reach the top to find success or happiness

sometimes almost is close enough

hits heathens and hippos stories from an agent activist and adventurer is a humorous and inspirational memoir that explores relationships and careers and how seemingly minor events can lead to life changing results

compelling stories have filled marty s life and he tells those stories in a conversational style that combines his talents as an award winning author with his talents as the creator of a one man stage show that he has performed at hundreds of colleges across the united states this is a must read for anyone faced with an unexpected career change worried about finding and keeping the partner of their dreams forced to take on bullies whether individual political or corporate eager for

ideas to make life more satisfying or just in search of a fun filled adventure
stories include growing up with an over the top born again christian father who prayed aloud in restaurants thought satan possessed his masonic lodge watch and attempted to faith heal his old toyota becoming the youngest disc jockey in minnesota history where he survived an on air attack from a jealous dj and learned that rock n roll and country radio stations have vastly different groupies running multiple music talent agencies and becoming one of the top young talent managers in america telling the best lie ever to reel in and marry an amazing woman that the media would later dub as his intrepid wife moving to montana where he founded one of the state s fastest growing independent telephone companies and an unusual baseball league with pro prospects and out of control players surviving as an outspoken liberal in the most conservative region of montana and dealing with the death threats and dirty tricks that came with it heartwarming and humorous stories from his relationships with musicians governors senators and a very special democratic nominee for president of the united states traveling to all seven continents in search of rare and interesting wildlife backpacking with a tribe known for headhunting and surviving a vicious hippo attack be

inspired intrigued and entertained reviews
hits heathens and hippos proves life is mostly
luck and a little timing with many laughs
along the way marty essen has demonstrated
that life is what you do while you decide what
you are going to be when you grow up this is a
great book about a life of ventures friends
and a few lessons about winning and losing
governor brian schweitzer democrat montana
2005 2013 what i like about this book is the
personal style essen writes with you really
get a sense of his personality sense of humor
and the way he thinks it s a fun clever way of
discussing the world of work and relationships
more memoir than self help yet the advice is
there dramatized his talent for storytelling
gives you the feeling you re in an audience
listening to him you ll find yourself amused
shocked and touched one of the best stories is
about the hippo attack but you ll have to read
the book to get the details for an
entertaining read that would make a great
movie or documentary pick up your copy of hits

El sonido de la bestia

2008

in classical and medieval times happiness was defined as well being a notion that included moral goodness today happiness is most often defined as well feeling and identified with

subjective states such as satisfaction and peace of mind deal hudson argues that the prevailing view is dangerous in politics as well as ethics creating individuals with no other sense of obligation than finding personal satisfaction regardless of the moral and spiritual cost to themselves and others hudson calls for a return to the classical tradition no one should be called happy who cannot also be called morally good however a contemporary version of happiness should also go beyond the classical notion by making room in the happy life for suffering and passion using the history of the idea of happiness as a backdrop to a critique of contemporary views hudson examines happiness from philosophical religious psychological sociological literary and political points of view for example he shows how the tension between the two definitions of happiness is at the heart of the declaration of independence the result is an excellent overview of the history of an idea as well as a compelling argument for moral and political change in our time

the great depression in the popular recording
industry that began in 1979 still continues
there are signs however that the industry is
adjusting to new technologies and may soon
revive r serge denisoff documents the decline
and possible revival of this comprehensive
study of the recording business a sequel to
his widely acclaimed solid gold the popular
record industry denisoff offers a brief

history of popular music and then in detail traces the life cycle of a record beginning with the artist in the studio and following the record until its purchase he explains the relationships between artist manager producer company distributor merchandiser and media they all play roles in the scenario of a hit record he also discusses the new technologies and how they may affect record sales especially round the clock rock and roll on cable television tarnished gold joins solid gold as a staple in the popular culture literature
