of ups and downs for almost three decades volkswagen has regained its stature as one of america s most beloved auto makers in getting the bugs out journalist and auto industry expert david kiley tells the complete story of the rise fall and comeback of volkswagen kiley traces the company s rise from ferdinand porsche s original design for the beetle through the nazi era and up to the beetle s ascendancy during the flower power 1960s he explores the reasons for vw s downward spiral through the 1970s and 1980s including the devastating management blunders that led to such failed efforts as the rabbit dasher thing and scirocco and equally catastrophic marketing initiatives culminating in the notorious fahrfegnugen series of ads finally drawing upon his unique access to company insiders kiley tells the story of how volkswagen achieved its phenomenal comeback beginning in the late 1990s through a combination of visionary management cutting edge product development and brilliant marketing and advertising strategies david kiley anne arbor mi the detroit bureau chief at usa today is a journalist with fifteen years of experience ten of which have been devoted to covering the
