the voyage of space battleship yamato can succeed dessler supreme leader of the
gamilas steps onto the stage to rally his people even as the yamato departs on
its desperate voyage to iscandar soon the ship will be out of real time contact
with earth and the crew transmits messages homeward to their families and
unless they return these will be the last making a final stop at pluto before
interstellar space captain okita finds that the gamilas still consider it
planet enough to have placed an advance base there for earth s invasion the
alien gamilas have devastated the biosphere determined to reshape our planet
into their own new home but a third force has intervened as an emissary from
the distant iscandar has given humanity the plans for a faster than light drive
if the yamato can battle its way through the gamilas fleet to reach iscandar
their technology can heal the earth but the odds against us are literally
astronomical the classic 1974 anime tv series space battleship yamato became a
fan phenomenon in north america under the title star blazers now the epic tale
of a legendary wwii battleship retrofitted as a spacecraft on a mission to save
earth has been remade by the generation of japanese creators that grew up
inspired by it with staff including yutaka izubuchi cowboy bebop the movie
nobuteru yuki kids on the slope and hideaki anno evangelion

police department has formed the special vehicles division 2 to combat
criminals using powered robots or labors who have been on the rampage in some
areas of the city armed with their own patrol labors or patlabors the sv2 is as
yet too newly formed to be completely effective they must pull together as a
team quickly however since schaft enterprise is planning a new military labor
with much greater potential for harm in the wrong hands

increasingly complex subject matter has produced a corresponding increase in
artistic interest and forms once specific to certain cultures have crossed
borders to enjoy international popularity japanese animation has been
particularly successful in the united states and among the most celebrated
japanese animation artists is director mamoru oshii this book is an analytical
survey of oshii s cinematic works from the early years of his career through
his 21st century productions including beautiful dreamer and the acclaimed
ghost in the shell the author examines these and other oshii productions in
relation to the carnivalesque movement technopolitics and the director s post
robotic vision oshii s films are particularly significant in their defiance of
the premises of western animation and their presentation of a highly personal
commentary on both individual and collective identities in the 20th and 21st
centuries special emphasis is placed on oshii s revolutionary film techniques
including the stylistically and thematically diverse features of productions
ranging from animation to live action to original video animation ova a format
