Project Management Body of Knowledge (PMBOK® Guide)

2021

Project Management Institute (PMI) is pleased to announce the release of the Project Management Body of Knowledge (PMBOK® Guide), 7th Edition. This guide is the result of a multi-year effort by the project management community to update and improve the guide to reflect the current state of project management practice. The 7th Edition includes new content on agile project management, project management in a digital world, and project management in a global context. It also includes updates to the project management process groups and knowledge areas. The 7th Edition is available in both print and digital formats. For more information, visit www.pmi.org/pmbok-guide.

Project Management

1992

The Project Management Institute (PMI) is a global organization that provides project management education, certification, and research. PMI's Project Management Body of Knowledge (PMBOK® Guide) is a widely recognized standard for project management. The 7th Edition of the PMBOK® Guide is the most comprehensive and up-to-date version of the guide, reflecting the latest trends and practices in project management. It is available in both print and digital formats. For more information, visit www.pmi.org/pmbok-guide.

Annual Register of Grant Support

1994

The Annual Register of Grant Support is a comprehensive database of grant information. It provides detailed information on grant opportunities, including the name of the grant, the funding agency, the amount of the grant, and the start and end dates. The register is updated annually and is available in both print and digital formats. For more information, visit www.pmi.org/grant-support.

Climate Change 2007: Mitigation of climate change

2007

The Intergovernmental Panel on Climate Change (IPCC) is a scientific body that provides the world with a clear, authoritative scientific assessment of the current state of knowledge on climate change and its potential impacts. The IPCC's Fourth Assessment Report (AR4) is the most comprehensive and up-to-date assessment of climate change. It includes a detailed assessment of the current state of knowledge on climate change and its potential impacts. The report is available in both print and digital formats. For more information, visit www.ipcc.ch/.

Project Management

2007-06

The Project Management Institute (PMI) is a global organization that provides project management education, certification, and research. PMI's Project Management Body of Knowledge (PMBOK® Guide) is a widely recognized standard for project management. The 7th Edition of the PMBOK® Guide is the most comprehensive and up-to-date version of the guide, reflecting the latest trends and practices in project management. It is available in both print and digital formats. For more information, visit www.pmi.org/pmbok-guide.
