Constructing the Past

2010

the future of newspapers is hotly contested pessimistic pundits predict their imminent demise while others envisage a new era of participatory journalism online with yet others advocating increased investment in quality journalism rather than free gifts and DVDs as the necessary cure for the current parlous state of newspapers globally newspapers confront highly variable prospects reflecting their location in different market sectors countries and journalism cultures but despite this diversity they face similar challenges in responding to the increased competition from expansive radio and 24 hour television news channels the emergence of free metro papers the delivery of news services on billboards pod casts and mobile telephony the development of online editions as well as the burgeoning of blogs citizen journalists and user generated content newspapers revenue streams are also under attack as advertising increasingly migrates online this authoritative collection of research based essays by distinguished scholars and journalists from around the globe brings together a judicious mix of academic expertise and professional journalistic experience to analyse and report on the future of newspapers this book was published as special issues of journalism practice and journalism studies

The Future of Newspapers

2013-09-13

until the end of the twentieth century the book chronicles the growth of the black press into a powerful and effective national voice for african americans during the period from 1910 to 1950 a period that proved critical to the formation and gathering strength of the civil rights movement that emerged so forcefully in the following decades in particular author patrick s washburn explores how the pittsburgh courier and the chicago defender led the way as the two most influential black newspapers in u s history effectively setting the stage for the civil rights movement s successes washburn also examines the numerous reasons for the enormous decline of black newspapers in influence and circulation in the decades immediately following world war ii his book documents as never before how the press s singular accomplishments provide a unique record of all areas of black history and a significant and shaping affect on the black experience in america

The African American Newspaper

japan is one of the world s most literate societies its national newspapers are the most read newspapers in the world and the country also has a very vibrant local newspaper sector this book assesses the vital role local newspapers play in the development of local communities as well as examining their development industry structure and production conventions the author employs the key term revitalization journalism

to explore in detail the many techniques and conventions that local newspapers employ to engage with and make an impact in their specific host regions the book concludes by comparing japanese local newspapers to the current state of newspapers worldwide and assessing how japanese local newspapers are likely to develop in future

Japan's Local Newspapers

2012-05-31

in the 1920s newspapers and real estate developers colluded in a scheme to sell tiny vacation lots to subscribers a zealous advertising campaign spawned a land buying frenzy that sprouted dozens of waterfront summer colonies across the country the resulting legal social and environmental mayhem caused some of these communities to disappear or be drastically altered in character while others managed to survive more or less intact drawing on newspaper accounts of the day this book explores how the scheme eluded accusations of fraud creating an assembly line for middle class resorts through a lucrative merger of real estate and journalism pell lake wisconsin serves as a case study that yields the best evidence for determining if it was all a scam told here for the first time the story of this unusual alliance and the communities it created offers lessons for today s entrepreneurs journalists advertisers real estate developers environmentalists and anyone who has ever lived in a resort community

Newspaper-Real Estate Schemes of the 1920s

2021-01-14

this volume constitutes the proceedings of the 9th international workshop on groupware criwg 2003 the conference was held in the city of autrans on the spectacular vercors plateau in the foothills of the french alps the organizing committee could not have thought of a better setting to inspire lively discussions and reaction on open issues facing the field of groupware the criwg workshops have been motivated by advances in computer supported cooperative work and by the need for cscw to meet the challenges of new application areas with this ninth meeting criwg aimed to provide a forum for academic researchers and professionals to exchange their experiences and ideas about problems and solutions related to the design development and use of groupware applications the selection of papers followed a strict refereeing process by a renowned international committee we received 84 contributions with first authors from 21 different countries from which 30 papers were selected to be presented and published in this proceedings volume the papers in these proceedings include

18 long papers presenting mature work and 12 short papers describing promising work in progress in the field we thank all members of the program committee for their valuable reviews of the papers in addition we were pleased to have as invited speaker prof saul greenberg from the university of calgary in canada a renowned specialist in groupware and hci an extended abstract of his lecture is included in these proceedings

1945

when bride to be and single parent charlotte discovers that her 61 year old widowed mother is in a new relationship she struggles to come to terms with it why do you need to have a man at your age charlotte asks can t you just be a grandma the growing tension between mother and daughter combined with preparations for the wedding impact on both family and friends in this compelling and unashamedly romantic tale of finding love in later life the experience of a young care leaver who is tasked with making the wedding bouquet is skilfully intertwined with the family s sometimes turbulent preparations for a modern wedding

Hearings

1945

evangelical criticism of the church of jesus christ of latter day saints dates back to the earliest days of the church nathaniel wiewora uses the diverse animus expressed by evangelicals to illuminate how they used an imaginary church as a proxy to disagree attack compromise and settle differences among themselves as

wiewora shows the evangelical practice to contrast itself with the emerging faith not only encompassed but also went beyond religious matters if joseph smith was accused of muddling religious truth he and his followers also faced accusations of immoral economic practices and a sinful regard for wealth that reflected worries within the evangelical world attacks on latter day saints emotional religious displays the book of mormon s authenticity and the dangerous ideas represented by nauvoo paralleled similar conflicts wiewora traces how the failure to blunt the church s success led evangelicals to change their own methods and pursue the religious education infrastructure that came to define parts of the movement
