ghost and temporary house were published posthumously by middle creek publishing in 2022 are ghosts real are there truly haunted places only haunted people or both and how can we know taking neither a credulous nor a dismissive approach this first of its kind book solves those perplexing mysteries and more even answering the question of why we care so very much putting aside purely romantic tales this book examines the actual evidence for ghosts from eyewitness accounts to mediumistic productions such as diaphanous forms materializing in dim light spirit photographs ghost detection phenomena and even csi type trace evidence offering numerous exciting case studies this book engages in serious investigation rather than breathless mystifying pseudoscience folk legends and outright hoaxes are challenged and exposed while the historical cultural and scientific aspects of ghost experiences and haunting reports are carefully explored the author the world s only professional paranormal investigator brings his skills as a stage magician private detective folklorist and forensic science writer to bear on a topic that demands serious study claire summers awoke in a doctor s office heart pounding in her chest blouse hiked up around her belly she watched in confusion as a dark haired woman moved an ultrasound paddle over her exposed stomach claire said the woman her badge identifying her as dr greenwald your baby s going to be okay she turned her head scanning the room they were alone i found the heartbeat the woman continued you were lucky this time your baby s fine claire is that her name she doesn t remember coming to see dr greenwald or even being pregnant she doesn t remember anything before waking up in the examination room her life a complete blank the only thing she really knows is that someone somewhere is trying to kill her memories of a ghost tells the story of a young woman s quest to remember her life and just when she thinks she s put all the pieces together along comes an entirely different puzzle that will make her doubt herself and her sanity is she really claire summers in the ghost horse joe layden tells the inspiring true tale of a one eyed club footed thoroughbred racehorse and a journeyman trainer tim snyder who scraped together every penny he had to purchase the broken and unwanted filly snyder helped the horse overcome its deficiencies eventually naming her in part after his deceased wife lisa the great and only love of his life a bright and sweet tempered woman whose gentle demeanor seemed eerily reflected in the horse the trainer and now owner was by nature a crusty and combative sort the yin to his wife s yang a racetrack lifer not easily moved by new age mysticism or sentiment and yet in those final days back in 2003 when lisa snyder lay in bed her body ravaged by cancer she reassured her family with a weak smile it s okay she d say i ll see you again i m coming back as a horse tim snyder did not then believe in reincarnation but he acknowledged the strangeness of this journey the series of coincidences that brought them together and the undeniable similarities between the horse and his late wife and so did those who knew the couple well and who could now only marvel at the story of the filly lisa s booby trap and the down on his luck trainer who apparently had been given a new lease on life the ghost horse is a powerful horseracing story of underdogs and second chances frank hardy is nine and joe is eight years old and they re the new kids on the block in bayport searching a spooky old house for a baseball mitt the boys find a skeleton a brain and blood creepy clues to an intriguing mystery other than his immediate family no one knows the identity of beau coldwell for the majority of his adult life he was simply known as the ghost his occupation is a soldier of fortune and is well paid to handle special problems anywhere in the world for governments corporations individuals or has come to protect his interests and deal with the usurpers erin curran is a rookie government member of the legislative assembly when a startling encounter with the ghost of joe howe nova scotia s most famous politician and journalist changes the trajectory of her career and her life howe has been silently walking the halls of historic province house for more than 150 years and erin is the first living soul he has spoken to in all that time at first it is erin who learns from howe the master politician and communicator who brought responsible government to nova scotia defended free speech and bitterly opposed confederation but as their friendship grows howe gains an appreciation of our times as erin faces the trials of today s politics and the unique challenges facing female mlas from sexist colleagues to misogynist social media trolls joe howe s ghost is a reflection on howe s tumultuous political era and of provincial politics today and an exploration of the personal struggle between the desire for political power and upholding heartfelt personal convictions that are common to both detective brothers frank and joe work to uncover a pirate ghost hoax in the seventh book in the interactive hardy boys clue book series the hardy boys are super excited when their friend jason wang wins the talk like a pirate contest at bayport s annual pirate palooza jason s prize is a map to the legendary pirate captain scurvydog s buried treasure expert detectives frank and joe offer to help him find it but the next day jason tells the brothers that he won t be doing any treasure hunting he says the ghost of captain scurvydog has been haunting him his parrot is

singing pirate songs he s never been taught pirate coins appeared on his windowsill and there s a mysterious note in a bottle warning jason to stay away from buried treasure to jason the message is clear stay away from captain scurvydog s booty frank and joe don t believe in ghosts they re sure someone is tricking jason so they can dig up the buried treasure themselves the only question is who the complete true story of one of the most remarkable and baffling cases of ghostly phenomena in the history of paranormal research witnessed by dozens and investigated by photo experts psychics and parapsychologists declared by ucla paranormal researcher kerry gaynor to be only the second authentic case out of thousands he s investigated featured on tv shows sightings unexplained mysteries my ghost story fact or faked paranormal files extreme hauntings and various newscasts npr s snap judgment and other radio shows and podcasts with over 150 polaroids many never before seen ghost hunt 2 has more ghosts more cases and more chills is alcatraz prison really haunted by ghostly inmates or is something in the air causing hallucinations can the ocean be haunted are glowing red eyes in the woods just an animal or something more sinister unlock these mysteries and many more in this chilling collection of terrifying tales based on real cases from the atlantic paranormal society find more details and tips on ghost hunting than ever before join frank and joe on a deserted country road where a fiendish scarecrow walks and talks and stalks its victims on a stormy night at sea where the hardys only hope of rescue is an 18th century whaling ship piloted by a ghostly crew in the dank dark dungeon of a scottish castle haunted by its first lord a cruel and notorious pirate wherever danger leads the ghost hunting hardy boys are sure to follow don t be alarmed there is no such thing as a ghost or is there who knows what unseen powers lurk in the darkness frank and joe are about to find out as they face some of their most challenging cases ever six startling journeys into the heart of mystery and fear a new collection of steampunk inspired ghost stories from some of the best rising talent in speculative fiction when mountain climber simon yates cut the rope and sent his friend and climbing partner joe simpson plummeting to an ordeal few mountaineers can have contemplated the outcome was totally unpredictable that simpson survived his experience on peru s siula grande is a revelation of the power of the human spirit to overcome fear pain and deprivation of almost unimaginable intensity he did not expect to live it all over again more than once the first test was to write his award winning account of the ordeal in touching the void that meant dragging the terrifying experience out of the deeper shadows of his memory next another fall in the himalaya crippled and almost broke him he felt forced to test his nerve again and struggled on crutches to 20 000 feet on pumori near everest on his descent he heard that a young first time climber had been killed by a chance rockfall what sense could he make now of this game of ghosts that had claimed the lives of so many of his friends over the years he had been climbing while he had survived so many events that should have meant certain death in an attempt to find catharsis for his confused emotions he wrote this extraordinary memoir revealing his early life and his fifteen years of climbing on three continents before and after the life changing experience of siula grande his gripping story recounts with total honesty experiences that range from hilarious to poignant to nearly unbelievable here are the signposts that have directed him since childhood to measure fear and embrace the unknown he wonders about the luck or the choices along the way that have caused the loss of so many climbing friends ghosts everywhere i look all i see are ghosts or perhaps i am the ghost a spectre of my past standing in the rubble of my present anxiously awaiting the future this is a compelling work of adventure and introspection that will hold both mountaineers and armchair travelers spellbound hans holzers probing investigative techniques and expertise in the paranormal have earned him the reputation the world over as the ghost hunter here we follow him around the globe on the trail of the uncanny and in pursuit of unexplained footsteps apparitions and other psychic phenomena along the way he introduces us to the ghosts who still inhabit homes cling to castle walls and lurk at lonely country crossroads these are just a few of the ghosts we meet grandma thurston whose ghost still works the loom tugged at the ghost hunters elbow in an eighteenth century farmhouse the ghost at the altar is that of a pastor whose wooden church burned down destroying many years of work and many dreams the specter of railroadman joe baldwin who lost his head while trying to forestall a collision still patrols a section of track in wilmington north carolina a haunted house in los angeles is the site of a nightly party where invisible guests celebrate as the horrified inhabitants listen on we watch from a front row seat as holzer establishes a connection to the spirits behind these and other hauntings in deep trance sessions conducted with renowned psychics in these sessions he eases the spirits transition from this world to the next and brings the reader face to face with haunted places and people around the world ghosts of kilrush is the heartfelt memoir of a young english boy abandoned by his father in small town in western ireland who was raised as a beloved son by an irish family who treated him as their own riley takes a look back as he affectionately recalls the many colorful characters who influenced his childhood a ghost tries to find a way to scare the other ghosts in his family eighteen humorous tales of the macabre and supernatural from w w jacobs including his classic the monkey s paw considered one of the foremost humorists in england at the turn of the century w w jacobs 1863 1943 is best known for his masterpiece of horror the monkey s paw he was the author of thirteen volumes of short stories all of which were commercially successful and eighteen of these are included together for the first time in this gripping collection of macabre fiction this book features gothic narratives stories of the macabre and supernatural tales but they are also infused with shrewd and sardonic humor for which jacobs was justifiably famous they demonstrate vividly his masterful instinct for weaving terror and suspense into scenes of ordinary life his boyhood memories of south devon wharf lend authenticity to the many stories with nautical backgrounds or that feature seamen as protagonists because of its immense popularity the monkey s paw has tended to overshadow a good deal of jacobs other work and it is undoubtedly the most readily recognized and by far the most anthologized story in the collection but readers will be delighted to know that jacobs craftsmanship is abundantly apparent in many of his other tales as they will discover in this volume horror and mystery aficionados will be intrigued and delighted by his range of

skillful and witty prose and they will at last come to appreciate a writer whose other work has been for so long lost to the general public eighteen of jacobs admirably rich stories are gathered in this collection which shows off to advantage his absolute mastery of the form obvious in his stories is a vein of humor regardless of whether they are conventional mysteries or tales of the macabre or the supernatural these stories will be at home in the hands of any admirer of the form booklist when mysterious tattoos appear on your body overnight trouble can't be far behind after freaking out over the growth of weird back tattoos sisters emma jane and lana morgan head to london to be initiated into the ancient praxos foundation an academy for gifted teens but it's not so easy when they have to contend with the peculiar ghost of josiah grimshaw as well as the academy's arch enemies the skulls will the eye of praxos protect them or will the girls' supernatural powers let them down before their adventure has even begun the ghost of josiah grimshaw is the first full length paranormal adventure story in the praxos academy series if you like quirky characters kick ass ninja chicks and crazy graveyard antics then you'll love s g turner's the ghost of josiah grimshaw buy the ghost of josiah grimshaw and get your fill of supernatural fun and adventure today praise for the ghost of josiah grimshaw i would go so far as to say that this book could be the beginnings of a series as good as those by j k rowling i loved the bad guys the graveyard antics the talking dead the superpowers of the kick a ninja chicks and the rite of initiation the sisters go through this book is a great start to a potentially brilliant series the legends say the sanguine forest is haunted by evil magic those that dare go in never come out alive the second installment of the astar's blade epic fantasy series ever since he was a young boy a ghost had been appearing to kilmer in an unlikely supernatural friendship making kilmer the perfect choice to go into the sanguine searching for the king's missing archer guided by his ghost and bent on revenge he is doomed to bear witness to the cataclysm around him helpless to prevent the birth of a brand new evil his life comes down to whether or not he can be saved by kilmer's ghost we all love a mystery and joe robinson has assembled a fine collection of over twenty five sightings and events guaranteed to set the hairs on the back of your neck standing on end joe details events which have led to hauntings where the character of a person and their spirit has been locked between mortal west oxfordshire and the spirit world we are told of ghastly events in wychwood with devil worship murder lost coffins and gruesome hangings all under the eye of satan himself as he rides the woods in his demon coach there are monks highwaymen and hitch hikers new born babes and wizened crones all still visible at the sites where their earthly lives ended but from which their spirit cannot escape the book not only contains details of haunted sites in witney long hanborough finstock charlbury shipton under wychwood and minster lovell plus a walk which the reader can follow to visit haunted sites in witney at last a ghost book which really gets to the truth behind the legends of haunted west oxfordshire investigate the ghosts of the every penny he had to purchase the broken and unwanted filly snyder helped the horse overcome its deficiencies eventually naming her in part after his deceased wife lisa the great and only love of his life a bright and sweet tempered woman whose gentle demeanor seemed eerily reflected in the horse the trainer and now owner was by nature a crusty and combative sort the yin to his wife s yang a racetrack lifer not easily moved by new age mysticism or sentiment and yet in those final days back in 2003 when lisa snyder lay in bed her body ravaged by cancer she reassured her family with a weak smile it s okay she d say i ll see you again i m coming back as a horse tim snyder did not then believe in reincarnation but he acknowledged the strangeness of this journey the series of coincidences that brought them together and the undeniable similarities between the horse and his late wife and so did those who knew the couple well and who could now only marvel at the story of the filly lisa s booby trap and the down on his luck trainer who apparently had been given a new lease on life the ghost horse is a powerful horseracing story of underdogs and second chances

when mountain climber simon yates cut the rope and sent his friend and climbing partner joe simpson plummeting to an ordeal few mountaineers can have contemplated the

outcome was totally unpredictable that simpson survived his experience on peru s siula grande is a revelation of the power of the human spirit to overcome fear pain and deprivation of almost unimaginable intensity he did not expect to live it all over again more than once the first test was to write his award winning account of the ordeal in touching the void that meant dragging the terrifying experience out of the deeper shadows of his memory next another fall in the himalaya crippled and almost broke him he felt forced to test his nerve again and struggled on crutches to 20 000 feet on pumori near everest on his descent he heard that a young first time climber had been killed by a chance rockfall what sense could he make now of this game of ghosts that had claimed the lives of so many of his friends over the years he had been climbing while he had survived so many events that should have meant certain death in an attempt to find catharsis for his confused emotions he wrote this extraordinary memoir revealing his early life and his fifteen years of climbing on three continents before and after the life changing experience of siula grande his gripping story recounts with total honesty experiences that range from hilarious to poignant to nearly unbelievable here are the signposts that have directed him since childhood to measure fear and embrace the unknown he wonders about the luck or the choices along the way that have caused the loss of so many climbing friends ghosts everywhere i look all i see are ghosts or perhaps i am the ghost a spectre of my past standing in the rubble of my present anxiously awaiting the future this is a compelling work of adventure and introspection that will hold both mountaineers and armchair travelers spellbound
