how are democracy and market reforms faring in east central europe and the former soviet union is civil society expanding or shrinking are the media free or fettered by official constraints to what degree are nations governed by the rule of law are human rights respected do taxation and trade policies property rights reforms banking laws privatization and macroeconomic policies encourage or encumber private sector development and economic growth in nations in transit 2000 2001 freedom house asked leading regional specialists and in house experts to answer a checklist of more than 70 indicators for 27 post communist countries in ten key areas political process civil society independent media governance and public administration constitutional legislative and judicial framework corruption privatization macroeconomic policy microeconomic policy and social sector indicators the results are incisive authoritative and comprehensive country by country reports which assess the progress of east central european and former soviet countries in ridding themselves of repressive political systems and inefficient statist economies as an added dimension freedom house also developed a rating system which allows for a comparative analysis of countries in terms of democratic and market reforms nations in transit is an invaluable resource for government and non governmental institutions schools and universities and anyone else interested in better understanding the political economic and legal structures and institutions that compromise the infrastructure on which the transition to open societies and markets depends this annual volume from the worldwatch institute gives prominence to key trends that too often escape the attention of the news media world leaders and economic experts by distilling 45 vital signs of our times from thousands of government industrial and scientific sources the volume allows readers to track key indicators that show social economic and environmental progress or the lack of it each trend is presented in both text and graphics this survey consists of two distinctive parts the first part examines main aspects of the regional economy while the second part contains an analysis of the individual countries in latin america and the caribbean the part on the regional economy covers the situation in the first semester of 2002 and the prospects for the year as a whole it also analyzes various aspects of the regional economy in 2001 including macroeconomics policies and reforms the performance of the internal economy and the external sector the part on individual countries covers 20 nations in latin america and the english speaking caribbean it covers the period 2001 and early 2002 revealing

country reports with tables and figures showing main economic indicators this is the 30th anniversary edition of the leading guide to taxation in britain it will incorporate updates following the finance act 2001 and contains full coverage of taxes recent changes and the main implications of taxes a bestseller with students professionals and private individuals it is a practical guide which explains in simple terms how the tax system works and how to best minimise tax liabilities up to date authoritative information on military capabilities in the middle east the explosion of violence between israelis and palestinians that began in late 2000 is a tragic reminder of the potential for armed conflict in the middle east although many developments in the 1990s appeared to have reduced the likelihood of war in the region stability between israel and its arab neighbors remains tenuous security in the persian gulf also remains uncertain as iran and iraq have continued their pursuit of weapons of mass destruction understanding the dynamics of security in the middle east requires detailed information on the military capabilities of the region s countries the middle east military balance is prepared annually by the jaffee center for strategic studies in tel aviv it is based on data from many sources including some that are unavailable to other institutes with its wealth of current hard to find information it offers an authoritative and indispensable guide to military capabilities in the middle east governments the media and researchers pay close attention to its data and analysis each year called the theater equivalent of longtime new yorker film critic pauline kael by matinee magazine critic and producer steven suskin chronicles the 2001 2002 theater season in his latest installment in the broadway yearbook series commenting with wit and erudition on each show that opened on broadway between may 2001 and may 2002 suskin s vivid descriptions recall tony winners like thoroughly modern millie and urinetown and commercial smashes like mamma mia and the graduate a great read for theater buffs the book is also a valuable sourcebook for critics broadway historians and theater professionals providing an array of statistics on every broadway production of the season as well as noteworthy off broadway performances the intelligent and witty broadway yearbook 2001 2002 will engage theater lovers performers and critics alike this report gives an in depth look at the major factors influencing competitiveness in latin america trying to assess the position of these countries as well as indicating policies and actions to be promoted to improve their current situation modern tax administrations seek to optimize tax collections while minimizing administration costs and taxpayer compliance costs experience shows that voluntary compliance is best achieved through a system of self assessment many tax administrations have introduced self assessment principles in the income tax law but the legal authority is not being consistently applied they continue to rely heavily on desk auditing a majority of tax returns while risk management practices remain largely underdeveloped and or underutilized there is also plenty of opportunity in many countries to enhance the design and

delivery of client focused taxpayer service programs and better engage with the private sector and other stakeholders to celebrate glay s live show at tokyo dome in may 2015 which is their first show at tokyo dome in 10 years as the great closing of their 20th anniversary year all the booklets made and sold exclusively at their dome tours in the past are digitally reproduced with the 6th album one love glay raced though the end of 2001 to the beginning of 2002 with their 2nd dome circuit tour glya dome tour 2001 2002 one love the booklet originally made for the particular tour is now reborn with the newly added photo gallery of 38 live shots from the tour those beautifully compiled pictures absolutely remind you of all the precious moments you shared with glay back in the first winter of the 21st century moreover you can enjoy them on your smart phone tablet at your disposal just open the photo gallery then voila you are instantly brought back in the live show to conjure up your emotion passion and all the feelings you felt there permanent preservation is the right description for this beautifully digitalized and reproduced booklet specially packaged as deluxe edition this was originally a voluminous photo collection booklet full of great pictures exclusively taken for it by 3 different photographers each photographer s different theme for one love makes this booklet colorful and fun to see cool glay to pop glay they seem to enjoy changing their visuals in tune with each photographer you would sense it just by seeing them this digital book is created with fixed layout text scaling search and highlight are not available japanese language only since 1950 the south has undergone the most dramatic political transformation of any region in the united states the once solid meaning democratic south is now overwhelmingly republican and long disenfranchised african americans vote at levels comparable to those of whites in the rational southerner m v hood iii quentin kidd and irwin l morris argue that local strategic dynamics played a decisive and underappreciated role in both the development of the southern republican party and the mobilization of the region s black electorate mobilized blacks who supported the democratic party made it increasingly difficult for conservative whites to maintain control of the party s machinery also as local republican party organizations became politically viable the strategic opportunities that such a change provided made the gop an increasingly attractive alternative for white conservatives blacks also found new opportunities within the democratic party as whites fled to the gop especially in the deep south where large black populations had the potential to dominate state and local democratic parties as a result republican party viability also led to black mobilization using the theory of relative advantage hood kidd and morris provide a new perspective on party system transformation following a theoretically informed description of recent partisan dynamics in the south they demonstrate with decades of state level sub state and individual level data that gop organizational strength and black electoral mobilization were the primary determinants of political change in the region the authors finding that race was

and still is the primary driver behind political change in the region stands in stark contrast to recent scholarship which points to in migration economic growth or religious factors as the locus of transition the rational southerner contributes not only to the study of southern politics but to our understanding of party system change racial politics and the role that state and local political dynamics play in the larger context of national politics and policymaking

teri energy data directory yearbook or teddy is an annual publication brought out by teri since 1986 teddy is often used as a reference in other peer reviewed books and journals for energy and environment related data it gives an annual overview of the developments in the energy supplying and consuming sectors as well as the environment sector it also provides a review of the government policies that have implications for these sectors of the indian economy

teri energy data directory yearbook or teddy is an annual publication brought out by teri since 1986 teddy is often used as a reference in other peer reviewed books and journals for energy and environment related data it gives an annual overview of the developments in the energy supplying and consuming sectors as well as the environment sector it also provides a review of the government policies that have implications for these sectors of the indian economy

each edition of teddy contains india s commercial energy balances for the past four years that provide comprehensive information on energy flows within different sectors of the economy and how they have been changing over time these energy balances and conversion factors are a valuable ready reckoner for anybody working on energy and related sectors

the growing disconnect between china s market oriented economy with its emerging civil society and the brittle anacronistic and authoritarian state has given rise to intense discussion and debate about political reform not only by western observers but also among chinese intellectuals while some expect china s political reform to lead to democratization others have proposed to strengthen the institution of single party rule and provide it with a solid legal base this book brings the ongoing debate to life and explores the options for political reform offering the perspectives of both western and chinese scholars it presents the controversial argument for building a consultive rule of law regime as an alternative to liberal democracy it provides several critiques of this thesis and then tests the thesis through empirical studies on the development of the rule of law in china

zebrafish methods for assessing drug safety and toxicity offers a practical guide for using zebrafish as a tool for toxicology studies consolidating key protocols and approaches to help researchers navigate the important and evolving field of zebrafish models for toxicity screening this new title describes the methods for using the zebrafish as a model organism to assess compound induced toxicity on all major organs individual chapters that concentrate on assays for each organ system are included and various analytical tools including microscopy microplate readers high content imaging systems ecg blood pressure monitors high speed video and motion detectors are described

the national

immunization system has achieved high levels of immunization particularly for children however this system faces difficult challenges for the future significant disparities remain in assuring access to recommended vaccines across geographic and demographic populations these disparities result in part from fragmented publicâ private financing in which a large number of children and adults face limited access to immunization services access for adults lags well behind that of children and rates of immunizations for those who are especially vulnerable because of chronic health conditions such as diabetes or heart and lung disease remain low financing vaccines in the 21st century assuring access and availability addresses these challenges by proposing new strategies for assuring access to vaccines and sustaining the supply of current and future vaccines the book recommends changes to the advisory committee on immunization practices acip the entity that currently recommends vaccines and calls for a series of public meetings a post implementation evaluation study and development of a research agenda to facilitate implementation of the plan
