## **Climatological Data 1949**

in 1939 faced with the german invasion of czechoslovakia and a growing italian threat in the balkans turkey and britain and later france signed an alliance in which turkey linked itself politically and militarily with britain and france in exchange for financial assistance for its rearmament program despite the agreement however when the war came to the mediterranean turkey did not become involved presenting a new interpretation of why the alliance failed brock millman explores anglo turkish relations leading up to the alliance of 1939 taking into account the broader economic military and strategic issues while previous accounts suggest that turkey entered into the alliance reluctantly millman contends that it not only wanted an alliance but sought as close a relationship as britain would concede in the prewar years he attributes the failure of the alliance mainly to britain s lack of support namely its inability to fit turkey into its strategy in the mediterranean its failure to produce a coherent operational plan that could encompass turkish military co operation and its unwillingness to provide turkey with timely and much needed financial material and industrial assistance divided into three parts the ill made alliance examines the roots and course of the anglo turkish rapprochement in the years 1934 38 the economic military and politic factors in 1938 39 that inhibited development of the emerging alliance to the point where it might have been fully functional and the collapse of the alliance in 1939 40
