

Free download Pragmatics and discourse a resource for students (2023)

unit based resource for primary english teachers which integrates reading writing speaking and listening includes teaching and learning strategies assessment evaluation overviews and lesson plans for each of the five topics in the course accompanied by five student texts and a book of blackline masters one of the tjacaranda english series for upper primary students global englishes fourth edition has been fully revised and updated and provides an introduction to the subject that is both accessible and comprehensive

Pragmatics and Discourse: A Resource for Students (2023) is a comprehensive and accessible resource for primary English teachers. It integrates reading, writing, speaking, and listening, and includes teaching and learning strategies, assessment, evaluation, overviews, and lesson plans for each of the five topics in the course. The resource is accompanied by five student texts and a book of blackline masters. One of the titles in the TjacaRanda English series for upper primary students, Global Englishes, Fourth Edition, has been fully revised and updated, providing an introduction to the subject that is both accessible and comprehensive.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. The teacher's resource book contains extra photocopiable grammar and communication activities and full pages of teaching tips and ideas, specially written by methodology expert Mario Rinvoluceri, a testmaker. Audio CD, CD-ROM, which allows teachers to create and edit their own tests, is also available separately, as is Classware, which integrates the student's book, class audio, and video. Shows English teachers how they can expand their curriculum beyond the traditional emphases on grammar and syntax to help their students learn about many aspects of the English language, including general semantics, regional and social dialects, syntax, spelling, history of the English language, social language conventions, lexicography, and word origins. Back cover: World Englishes is a comprehensive introduction to the subject of world Englishes, covering major developments and current debates whilst drawing on a range of texts, data, classic readings, and examples from key names in the discipline.

This innovative resource presents program planning tools that can be customized for local school and district needs in planning effective interventions to benefit struggling students. History of English provides an accessible introduction for those coming to the topic for the first time and answers why and how English has come to be written and spoken as it is today. Structured to reflect chronological developments, it describes and explains the changes that occurred at all linguistics levels, as well as considering changes in orthography, register, and discourse. Moreover, it considers international varieties of Englishes and more recent developments in the history of English. Key features of the new edition include new examples, wider coverage of varieties of English, expanded section on early English, and updated readings. This book provides an engaging introductory textbook that is essential reading for all students of English language and linguistics. This online integrated skills course can be used to supplement your core course or as a self-study program. Students can log in anytime, anywhere. Teachers can manage their class, set assignments, and monitor students' progress with the program's easy-to-use management tools. Character-based videos present language in context, and cultural notes help learners understand cultural differences and
