improve basic skills quickly to move ahead at work and in the classroom unique features include dozens of exercises real world examples hundreds of practical tips for success extensive lists of further resources and much more this series offers entry level job seekers the perfect first step to careers in these growing fields each book features the hottest jobs in each career area easy to read requirements for each job leading providers of training programs for the specific career area financing for training tips for success and much more ideal for young job hunters who want to know where the opportunities are riccucci presents a well researched analysis of the public sector relationship of women and minorities to unions as well as the influence of unions on the wage and employment opportunities of women and minorities separate chapters discuss female and minority membership in public sector unions the legal obligations of unions to females and minorities joint labor management cooperation including equal opportunity and affirmative action committees and apprenticeship programs women in uniformed service jobs and unions and comparable worth choice although in recent years much attention has been paid to affirmative action and the employment patterns of women and minorities in the public sector there has been little attention placed on union involvement in these employment patterns the role of unions in the private sector has been of concern to policymakers and scholars for decades in women minorities and unions in the public sector riccucci examines this discrepancy on the premise that although unions in the public sector are important decision makers in the employment of women and minorities they are overlooked largely because their formal powers tend to be circumscribed due to their operation in the government as opposed to the private sector sphere the research presented in this book suggests that unions in the public sector often possess de facto power to influence the employment progress of women and minorities in government work forces through legal political and historical frameworks riccucci examines the patterns of union involvement and addresses issues that are pertinent to both women and minorities she provides an up to date list of case law as well as current data on the percentage of women and minorities in public sector unions complete preparation for winning a coveted entry level job at the u s postal service this guide provides test prep for the qualifying 470 battery exam plus a full rundown on hiring procedures job hunting strategies and where to find out about job openings exams in the reader s area new york city s municipal government is the largest and most complex in the nation perhaps in the world its annual operating budget is now a

staggering 29 billion a year plus it has a capital budget of 4 billion more the city and its various agencies employ approximately 360 000 full time workers the office of the mayor alone employs some 1 600 people and spends some 135 million and the police department boasts a small army of over 25 000 officers with a budget of 1 5 billion anyone wanting to make sense of an organization this vast needs an excellent guide in power failure charles brecher and raymond horton provide a complete guidebook to the political workings of new york city ranging from 1960 to the present the authors explore in depth the political machinery behind city hall from electoral politics to budgetary policy to the delivery of city services they examine the operation of the office of the mayor and the city council covering everything from the number of members and their annual salaries council members receive 55 000 per year the council president 105 000 to the mayoral races of john v lindsay abraham beame and edward i koch much of this encyclopedic work focuses on new york s ever present financial woes including the financial crisis of the mid 1970s when the city had an unaudited deficit of over a billion dollars and the public credit markets closed their doors they examine the repeated failure of collective bargaining to set wage policy before the annual operating budget is set which undermines the integrity of the budgetary process and they look at the main source of revenue the property tax homeowners pay 84 cents per hundred dollars of market value commercial property owners pay 4 31 a politically motivated imbalance which the authors find economically harmful and grossly unfair to renters and businesses finally they examine service delivery and discover not surprisingly that the highest local taxes in the nation are not spent efficiently the authors offer detailed looks at the uniformed services police fire sanitation corrections the department of parks and recreation and the health and hospitals corporation which operates the country s largest municipal hospital system revealing which departments are run well and which are not for new york city residents this is an essential volume for understanding city hall indeed anyone baffled by big city government whether you live in new york or in any major metropolis will find in this volume a wealth of information on how to run a city well and how to run it into the ground new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea current guide provides all information needed to become a professional emergency medical technician covers salaries benefits career opportunities training financing an education and more for aspiring emts your emt basic national standards exam test preparation guide provides must know exam information customized study planners tips on physical and mental preparation test taking strategies advice on managing time and test anxiety and much more includes entries for maps and atlases
