Who is Dobbin Feldman and why is he saying those awful things about me in this fictional yet semi-autobiographical novella? The author tries to explore the existential experience of being born Jewish into a particularly strange set of familial circumstances that encapsulates the boomer generation's struggle to make sense of the helter skelter world bequeathed to them by their fathers and mothers.

If anyone can discuss telling it like it is, it would be Tonya Brown in *Bags n Stuff*. This book is straight up reality; this is definitely not a children's book. Ms. Brown brings out the inner emotions of our actions, be it good or bad, and she leads us to the land of faith, hope, and internal success. She displays the upside to being single and the beauty in a loving relationship. Ms. Brown asks us to remember that there is a rainbow at the end of every dark tunnel we must believe this. She also introduces the power of prayer with a clean heart, forgiveness, and the acknowledgement of our mistakes. *Bags n Stuff* is funny, seductive, and heartfelt along with realistic journeys. Enjoy.

A rough trade book of the year: Wayne Kramer, legendary guitarist and co-founder of quintessential Detroit proto-punk legends the MC5, tells his story in *The Hard Stuff* as gripping as it is sobering. The Times veyerustically dramatic, New York Times eye-opening, Guardian one of rock's most engaging and readable memoirs, Rolling Stone inspiring and redemptive, uncut, an endearing read. Mojoled by legendary guitarist Wayne Kramer, the MC5 was a reflection of the times: exciting, sexy, violent, out of control. Assuring their time in the spotlight would be short-lived, Kramer's story is a revolutionary one, but it is also the deeply personal struggle of an addict and an artist from the glory days of Detroit to the junk-sick streets of the East Village, from Key West to Nashville and Sunny Los Angeles, in and out of prison and on and off of drugs. His is the classic journeyman narrative, but with a twist: he's here to remind us that revolution is always an option.
