**existence of god history philosophy arguments britannica Nov 10 2023**

2024-3-28 according to anselm the concept of god as the most perfect being a being greater than which none can be conceived entails that god exists because a being who was otherwise all perfect and who failed to exist would be less great than a being who was all perfect and who did exist

## god wikipedia *Oct 09 2023*

god is often conceived as the greatest entity in existence god is often believed to be the cause of all things and so is seen as the creator sustainer and ruler of the universe god is often thought of as incorporeal and independent
