A Harmony of the Essays, Etc. of Francis Bacon 1871

a classic manual that has gone through more than twenty printings this book is the first harmony of the gospels to use the revised standard version of the bible this simple and nontechnical book presents the gospel materials in parallel columns in order that the bible reader can compare the varied texts it does not restrict itself simply to the synoptic gospels but includes the fourth gospel as well thus enabling an overview of the major new testament descriptions of the life and ministry of jesus dr heim presents the story mainly in terms of the action involved while at the same time disclosing the substance of the teaching passages as adequately as possible he exposes the major parallels in several accounts without tearing texts from their contexts and without constantly breaking up passages and transposing verses he deliberately focuses on the large movements of thought and action avoiding minutiae of

all kinds although footnotes and cross references are held to a minimum an index is provided for easy location of individual passages

from the winner of the pen malamud award for excellence in the short story and one of our most gifted writers chicago tribune these ten stories show make everyday experiences seem utterly unprecedented even as baxter reminds us gently and with a sly comic twist that everything they feel is only the collateral damage of being human whether he is writing about the players in a rickety bisexual love triangle or a woman visiting her husband in a nursing home probing the psychic mainspring of a grimly obsessive weight lifter or sifting through the layers of resentment need and pity in a friendship that has gone on a few decades too long baxter enchants us with the elegant balance of his prose and the unexpectedness of his insights harmony of the world is a masterpiece of lucidity and compassion

A Harmony of the Four Evangelists. By the Rev. Isaac Williams 1850

the harmony of the soul creates a naturalistic grounding for ethics and a moral grounding for psychotherapy it is an original and startling synthesis of the ideas of mental health and moral virtue based on neglected affinities between classical greek ethics contemporary virtue ethics sociobiology and the basic presuppositions of psychotherapy a central thesis of the book is that we can assume the worst about what science tells us about the human animal without having to sacrifice any of the things that are of most importance to ethics virtue and the good life harmony of the soul freedom conscience and moral knowledge

Harmony of the Acts of the Apostles and Chronological Arrangement of the Epistles and Revelation, with Chronological and Explanatory Notes, and Valuable Tables. Designed for Popular Use, and Specially Adapted to Sunday-Schools 1897

this is the extended and annotated edition including an extensive biographical annotation about the author and his life book i the treatise opens with a short statement on the subject of the authority of the evangelists their number their order and the different plans of their narratives augustine then prepares for the discussion of the questions relating to their harmony by joining issue in this book with those who raise a difficulty in the circumstance that christ has left no writing of his own or who falsely allege that certain books were composed by him on the arts of magic he also meets the objections of those who in opposition to the evangelical teaching assert that the disciples of christ at once ascribe more to their master than he really was when they affirmed that he was god and inculcated what they had not been instructed in by him when they interdicted the worship of the gods against these antagonists he vindicates the teaching of the apostles by appealing to the utterances of the prophets and by showing that the god of israel was to be the sole object of worship who also although he was the only deity to whom acceptance was denied in former times by the romans and that for the very reason that he prohibited them from worshipping other gods

along with himself has now in the end made the empire of rome subject to his name and among all nations has broken their idols in pieces through the preaching of the gospel as he had promised by his prophets that the event should be book ii in this book augustine undertakes an orderly examination of the gospel according to matthew on to the narrative of the supper and institutes a comparison between it and the other gospels by mark luke and john with the view of demonstrating a complete harmony between the four evangelists throughout all these sections book iii this book contains a demonstration of the harmony of the evangelists from the accounts of the supper on to the end of the gospel the narratives given by the several writers being collated and the whole arranged in one orderly connection book iv this book embraces a discussion of those passages which are peculiar to mark luke or john
