i wrote this book quite suddenly feeling a deep sense of conviction and inspiration within me in a day where everything is about image and trend and where it is incredibly challenging to stay rooted and established in the truth of what we believe the heart of our king and his kingdom to look like i felt a sense of urgency to write this kingdom life that we long for and deeply desire is not easily gained even those with a true heart and pursuit after jesus can find it challenging to stay the course especially when there are so many gimmicks and easier ways to do church although i have great admiration for everyone who s desiring to see anything of the god life on earth initially i ve written it for sons and daughters who have taken up the mantle to build the kingdom as well as bless the world we must be able to see signs of kingdom life as well as measure its depth this book is written as an encouragement to keep going especially when it seems to be going slowly we are in a metamorphosis and our hearts and minds are becoming more like he is it s all very good news and we have it we are not alone we are part of something that flows from before what we hold and carry is a unique vision don t ever give up don t ever trade away a lifelong gift in order to satisfy a short term

this issue of the ministry of the word contains the eight messages of the international training for elders and responsible ones hosted by living stream ministry on october 2 4 2020 the messages were provided via webcast from anaheim california and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that

participated the general subject of this series of messages is the christian life the church life the consummation of the age and the coming of the lord the present age the age of grace the age of the church is the age of mystery and the consummation of the age the end of the age will be the three and a half years of the great tribulation in the dispensations from adam to mooses and from mooses to christ everything was unveiled and there was no mystery it will be the same in the dispensation of the millennial kingdom and in the new heaven and new earth however in the dispensation from the incarnation of christ to the millennial kingdom the church age the age of grace everything is a mystery during the church age the age of mystery christ is building up the church the body of christ to be his bride we need to see the signs of the lord s second and imminent coming the greatest sign of the end of this age the last three and a half years of the great tribulation is the preaching of the gospel of the kingdom to the whole inhabited earth to be taken by the lord we need to be those who are watchful for his imminent coming and prepared and ready to be his bride so that we may be raptured before the great tribulation every day we need to be watchful by paying the price to buy the spirit as the golden oil so that we may supply the churches with the spirit for the testimony of jesus and be rewarded by the lord to participate in the marriage dinner of the lamb if we want to save our soul life we will lose it but if we lose our soul life for the lord s sake we will save it if we allow our soul to suffer the loss of its soulish enjoyment in this age for the lord s sake we will cause our soul to have its enjoyment in the kingdom age we will share the lord s joy in ruling over the earth if we lose our soul life we may participate in the rapture of the overcomers the salvation of our soul is our receiving the end of our faith those who would receive the end of their faith are those whose faith has been proven by fire in this age that is proven by all kinds of circumstances environments and sufferings that cause the loss of their souls the salvation of the soul means that our soul will be saved from sufferings into the full enjoyment of the lord at his coming back we must be faithful in service in the lord s commission to give god as food to the members of his household so that we may win christ as our reward in the coming kingdom god has set faithful and prudent slaves over

his household as household administrators stewards channels of supply to give his people food at the proper time that is to minister the word of god and christ as the life supply to the believers in the church furthermore we must be faithful in service in the lord s gifts to make a profit for him so that we may enter into the joy of the lord in the coming kingdom the prayer of the age is the prayer of the church as the body of christ the prayer that exercises the authority of christ as the ascended lord and head of the body for the fulfilling of god s economy to fully enter into this kind of prayer and be able to exercise the authority given by the head to the body we need to realize that we are members of the body and we must live act and move in the body in his heavenly ministry christ is interceding ministering and executing god s administration and we need to be those who respond to christ s activities in his heavenly ministry by our prayers in the church as the temple of god a house of prayer we need revelation to know the reality of the body of christ and to enter into the realm and intrinsic significance of the reality of the body of christ as god s heart s desire and his ultimate purpose only a revelation from god will usher us into the realm of the reality of the body of christ and only then will the body become our experience in order to live together with other members in the reality of the body of christ we need to have a consciousness of the body of christ the overcomers typified by zion are the reality of the body of christ and consummate the building up of the body in the local churches to bring in the consummated holy city new jerusalem the holy of holies as god s dwelling place in eternity we need to follow paul s pattern of having an overcoming life of fighting the good fight finishing our course and loving the lord s appearing to fight the good fight of the faith means to fight for god s new testament economy in particular it is to fight for christ as the embodiment of god and for the church as the body of christ a proper christian life involves running the course the race for the carrying out of god s economy according to his eternal purpose we need to seek out the journey that the lord has ordained for us and faithfully walk on it paying any price to wholeheartedly continue on our journey until we reach the end the journey that the lord has ordained for us is the race that we must run with endurance by looking away

unto jesus as the author and perfecter of our faith as those who love the lord jesus take him as our life live him and magnify him we should await his coming and love his appearing this should be our heart s desire and our living as those who hope to enter into his joy be saved into the lord s heavenly kingdom and receive the crown of righteousness god s desire is to end this age and bring in the age of the kingdom in order for god to accomplish this he must have his dispensational instrument all of us should look to the lord and pray that we will have dispensational value to god because the church has not attained to god s purpose god will choose a group of overcomers who will attain to his purpose and fulfill his demand this is the principle of the man child the man child consists of the overcomers who stand on behalf of the church take the position that the whole church should take and do the work for the church the rapture of the man child to heaven the casting of satan to earth and the declaration in heaven that the kingdom has come signify that god s gaining of the man child is his greatest dispensational move because it brings an end to the church age and introduces the kingdom age the announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe

Ministry Digest, Vol. 04, No. 02 1885

this issue of the ministry of the word contains the first eight messages given during the fall 2017 term of the full time training in anaheim california the general subject of this series of messages is the crucial revelation of life in the scriptures the central thought of god in this universe and in eternity is to have christ as his expression through the church with the shining in life god s expression is based on life and light and the light is the shining in life in order for god to have an expression of himself in christ through the church the divine life that expresses him must be embodied and expressed in christ and then dispensed into worked into and expressed through the church only the life of god can express god based on this principle we will see the crucial revelation of life throughout the scriptures genesis 1 and 2 are not merely a record of creation actually nearly every item recorded in these two chapters is a revelation of christ who is life to god s people for the producing and building up of the church according to genesis 1 god created many forms of life beginning with the lowest form and progressing to the highest form of created life that is man whom god created in his image the purpose of the creation of

man with god s image is that this man would express god however the created man had only a human life any form of created life can only express itself it cannot express another kind of life this means that man is unable to express god if he has only his created human life in order for man to express god and fulfill his purpose man must obtain and receive the life of god as his life god has to enter into man to be life to man genesis 2 reveals that the bride of christ typified by the woman built from the rib taken from the man is produced and comes into being by life the real eve the church the counterpart of christ which will consummate in the new jerusalem is built with the resurrection life that was released by the lord through his death and imparted through his resurrection this counterpart of the lord is a building of life for god to gain his corporate expression through the church he must dispense and work himself into us his people his believers this is accomplished through our eating and drinking him we need to pass through three stages of the enjoyment of christ by eating him the first stage is the eating of christ as the passover lamb in egypt the second stage is the eating of christ as the manna in the wilderness and the third stage is the eating of christ as the rich produce of the good land by our eating in the first two stages we are energized to leave the world and are constituted with christ as the heavenly element only in the third stage of the enjoyment of christ as our food can we fulfill god s purpose it was not until the children of israel entered into the good land and enjoyed the produce of the land that they were able to defeat all the enemies build up god s dwelling place on the earth and bring in the kingdom of god likewise for us to reach the goal of god s economy we need to progress until we enter into the highest stage of eating christ as the all inclusive spirit as typified by the rich produce of the good land in this stage we overcome the spiritual enemies we are built up to be god s dwelling place and we establish god s kingdom on earth the history of god s people is not only one of eating but also one of drinking in the old testament before coming into the good land and building the house of god the children of israel journeyed through the wilderness during that journey they came to marah a place of bitter waters moses followed god s command to cast a tree into the bitter waters the waters then became sweet

this tree signifies the tree of life the crucified and resurrected christ who today is the spirit mingled with our spirit in our spirit we have the crucified and resurrected christ as our healer he is the one who transforms our bitter circumstances and makes them sweet and he also heals all our diseases before the building of the house of god the bible speaks of the springs of water exo 15 22 27 the water out of the cleft rock 17 6 and the water from the well num 21 16 17 christ as the living spiritual rock was smitten by the authority of god s law so that the water of life in resurrection could flow out of him and into his redeemed people for them to drink after god s people built the house of god in the good land the bible speaks of the river of god s pleasures psa 36 8b the river whose streams gladden the city of god 46 4 a fountain going forth from the house of jehovah joel 3 18 and living waters going forth from jerusalem zech 14 8 we need to experience the flowing of the living water out of the house of god ezek 47 1 5 in order to be in the flow we have to be in the building that is we need to be in the church in the new testament we can see the crucial revelation of life in the book of matthew in the decree of the kingdom s constitution given by the lord in chapters 5 7 he displayed the two possible ways people may live and work before god 7 13 14 21 27 the broad way that leads to destruction is according to the worldly systems satisfying the natural tastes to get the crowd to maintain a career of man and to achieve man s enterprise the constricted way is according to the divine regulations this way which leads to life fulfills the spiritual requests brings in god s elect bears the testimony of jesus christ and carries out god s economy for the building up of the body of christ we take this way by walking in the spirit this will restrict us and cause us to live a normal christian life we will thereby become vital healthy believers who take the way of life for god s building there are three basic elements in matthew first christ is the king as the kingdom bringing in the reality of the kingdom second he is the king in his all inclusiveness third he is the kingly bread when we partake of this kingly bread we eat digest and assimilate the king and the kingdom with its reality and we eat and digest the king in his all inclusiveness the ruling element is in the food when we take in this food we gradually become the reality of

the kingdom of the heavens the announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe

The Ministry of the Word, Vol. 24, No. 08 2008-08-01
