Peter F. Drucker on Practical Leadership

2020-08-11

a unique indispensable resource for both student and scholar this collection gathers together key material to enable readers to explore the impact of drucker s ideas

Peter F. Drucker

2005

the effective business peter drucker observes focuses on opportunities rather than problems how this focus is achieved in order to make the organization prosper and grow is the subject of this companion to his classic work the practice of management managing for results shows what the executive decision maker must do to move his enterprise forward drucker again employs his particular genius for breaking through conventional outlooks and opening up new perspectives for profits and growth

Managing for Results

2009-03-17

peter drucker s wide ranging book drawn from his best work looks at management the individual and society he connects these themes of today s world with his usual clear sighted and far reaching style to create a work which encapsulates his essential and strongest writings in one volume under the three headings drucker covers aspects such as what the non profits are teaching business and the information that executives need today in his section on the individual he gives advice on knowing your own strengths and values your time and intriguingly the second half of your life the third part on society encompasses the coming of the entrepreneurial society and citizenship through the social sector

The Essential Drucker

2020-05-12

management is tasks management is a discipline peter drucker s classic text also reminds us that management is also people every achievement of management is the achievement of a manager every failure is a failure of a manager people manage rather than forces or facts the vision dedication and integrity of managers determine whether there is management or mismanagement

Management: Tasks, Responsibilities, Practices

1974

the companion to drucker s seminal work management completely revised and updated management cases revised edition is a collection of thought provoking case studies each a timeless representative of a challenge that all managers will face at some point in their careers longtime drucker colleague collaborator and eminent management professor joseph a maciariello has organized the material to be used in conjunction with management revised edition making the book particularly useful in undergraduate mba and executive education classrooms it contains fifteen completely new cases written especially for this edition plus another thirty five revised and updated cases ensuring that the book provides comprehensive coverage of the most important management dilemmas and most timeless leadership wisdom an essential resource for business students and working professionals alike the book will help readers test and hone their management skills

Management Cases, Revised Edition

2009-02-17

we live in an age of unprecedented opportunity with ambition drive and talent you can rise to the top of your chosen profession regardless of where you started out but with opportunity comes responsibility companies today aren t managing their knowledge workers careers instead you must be your own chief executive officer that means it s up to you to carve out your place in the world and know when to change course and it s up to you to keep yourself engaged and productive during a career that may span some 50 years in managing oneself peter drucker explains how to do it the keys cultivate a deep understanding of yourself by identifying your most valuable strengths and most dangerous weaknesses articulate how you learn and work with others and what your most deeply held values are and describe the type of work environment where you can make the greatest contribution only when you operate with a combination of your strengths and self knowledge can you achieve true and lasting excellence managing oneself identifies the probing questions you need to ask to gain the insights essential for taking charge of your career peter drucker was a writer teacher and consultant his 34 books have been published in more than 70 languages he founded the peter f drucker foundation for nonprofit management and counseled 13 governments public services institutions and major corporations

Managing Oneself

2008-01-07

concept of the corporation was the first study ever of the constitution structure and internal dynamics of a major business enterprise basing his work on a two year analysis of the company done during the closing years of world war ii drucker looks at the general motors managerial organization from within he tries to understand what makes the company work so effectively what its core principles are and how they contribute to its successes the themes this volume addresses go far beyond the business corporation into a consideration of the dynamics of the so called corporate state itself when the book initially appeared general motors managers rejected it as unfairly critical and antibusiness yet the gm concept of the corporation and its principles of organization later became models for organizations worldwide not only businesses but also government agencies research laboratories hospitals and universities have found in concept of the corporation a basis for

effective organization and management because it offers a fundamental theory of corporate goals this book is a valuable resource for business professionals and organization analysts it will also be of interest to students and professionals in economics public administration and political science professional and technical readers who admire peter drucker s work will want to be certain this volume is in their personal library at a time when everything from the size to the structure of corporations is being questioned this classic should prove a valuable guide

Concept of the Corporation

2009-08-01

peter drucker is widely regarded as the father of modern management offering penetrating insights into business that still resonate today but drucker also offers deep wisdom on how to manage our personal lives and how to become more effective leaders in these two classic articles from harvard business review drucker reveals the keys to becoming your own chief executive officer as well as a better leader of others managing oneself identifies the probing questions you need to ask to gain the insights essential for taking charge of your career while what makes an effective executive outlines the key behaviors you must adopt in order to lead together they chart a powerful course to help you carve out your place in the world
