Thacker's Indian Directory 1918

although it has been appreciated for many years that immune processes underlie most types of glomerulonephritis it is the recent explosion in knowl edge of cellular and molecular immunology that has prompted another book on the subject the understanding of the mechanisms involved in renal injury requires the integration of information from in vitro cell culture systems experimental models of disease and clinical studies this volume draws on all of these sources in an attempt to explain current concepts of nephritis increased emphasis is placed on autoimmune processes as opposed to the deposition of circulating immune complexes although it will be apparent that these may overlap in the area of in situ immune complex formation of central importance in autoimmunity is the relationship between antigen pre senting cells including b cells expressing mhc class ii molecules autoan tigenic peptides t helper lymphocytes and various effector cells the mechanisms by which the immune system may lead to tissue injury are also becoming better understood and consideration is given to the role of inflam matory cells the complement proteins and soluble factors such as cytokines and

eicosanoids

Music around the World [3 volumes] 2020-09-08

indian poetry in english began with the imitation of english romantic poets but gradually indo anglian poets began to write on indian themes based on indian contexts and indian social scenario indo anglian poetry has received world recognition and some of the poets are held in high esteem this anthology containing 35 essays is an attempt to represent the gamut of indian poetry in english both pre independence and post independence from diverse critical perspectives the thirteen poets covered in this anthology include michael madhusudan dutt toru dutt rabindranath tagore sarojini naidu nissim ezekiel a k ramanujan and kamala das the essays in the book offer innovative perspectives and touch upon different aspects of indian poetry in english the tone of the essays varies from personal to argumentative to objectively discursive the book with diverse and thought provoking essays will be highly useful for undergraduate and postgraduate students of english literature besides those who are interested to know about indian poetry in english will find the book quite illuminating and interesting

Up-to-date Civil Reference (1985-1990). 1991

indian poets who wrote in english a small middle class minority were divided from the regional language poets by more than language for long the english poets had a selected readership were known unto themselves in academic circles if they were widely published but were looked down upon with a kind of derision by regional writers however the scenario has changed now from english being spurned as a colonizer s tongue that was nobody s language it has now become everybody s language with english medium schools english movies ads soaps and serials for a generation living in a global village genuine readership and appreciation of english poetry is no longer an encumbrance this book in its second edition continues to educate the students with diverse and thought provoking essays that vary from personal to argumentative to objectively discursive english literature and to those who are genuinely interested in indian english poetry the fourteen poets selected in this anthology are michael madhusudan dutt toru dutt rabindranath tagore aurobindo ghosh sarojini naidu jibanananda das nissim ezekiel jayanta mahapatra a k ramanujan arun kolatkar rajagopal parthasarathy kamala das and dilip chitre the poets included are all on the syllabi of major universities in india
