# **Final Supplement to the Final Environmental Statement**

1981

nearly half of americans use supplements and many more are curious about them yet questions abound will feverfew help my migraines are there any vitamins that will keep my skin clear does lysine really prevent cold sores are there herbs i can take to boost my mood are any of these things safe mark moyad md mph is the only physician in the united states who has an endowed position to study vitamins minerals herbs and other supplements for the past 25 years he s been researching supplements using them in his practice and traveling the country giving lectures to laypeople and physicians about what works and what s worthless in the world of drugs and supplements based on the latest research as well as dr moyad s clinical experience the supplement handbook will guide you through the proven or debunked treatment options for more than 100 common conditions everything from arthritis heartburn and high cholesterol to fibromyalgia migraines and psoriasis dr moyad provides clear guidelines sifting through conflicting information for a definitive answer you can use today he does not hesitate to point out which remedies are overhyped useless and even harmful he even ranks the most effective options so you know which remedies to try first and he s honest about when over the counter or prescription drugs are the better option more than an overview the supplement

handbook delivers prescriptive reliable advice whether you re an alternative medicine convert or an interested but confused supplement novice this comprehensive evidence based guide is sure to become a must have reference in your home
