succinct and accessible form more than 130 articles are included covering new testament books theological topics historical events background topics and methods of study also featured are maps charts and tables a glossary of terms essential bibliographies a scripture index and cross references to the full sized new testament dictionaries here is a versatile convenient and focused text that can both supplement other new testament introductions and stand alone as a resource on the new testament and its interpretation unique among reference books on the bible the volumes of the ivp bible dictionary series bridge the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accesible and summary format articles cover traditional and contemporary topics including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole in part and in whole the ivp bible dictionary series presents the fruit of evangelical biblical scholarship at the intersection of the twentieth and twenty first centuries committed to the authority of scripture utilizing the best of critical methods and maintaining dialog with contemporary research and challenges facing the church the dictionary of paul and his letters is a one of a kind reference work following the format of its highly successful companion volume the dictionary of jesus and the gospels this dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in pauline scholarship no other single reference work presents as much information focused exclusively on pauline theology literature background and scholarship in a field that recently has undergone significant shifts in perspective the dictionary of paul and his letters offers a summa of paul and pauline studies in depth articles focus on individual theological themes such as law resurrection and son of god broad theological topics such as christology eschatology and the death of christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism hellenism and qumran and various other subjects specifically related to the scholarly study of pauline theology and literature such as early catholicism the centre of paul s theology and paul and his interpreters since f c baur separate articles are also devoted to each of the pauline letters to hermeneutics and to preaching paul today the dictionary of paul and his letters takes its place alongside the dictionary of jesus and

the gospels in presenting the fruit of evangelical new testament scholarship at the end of the twentieth century committed to the authority of scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church the dictionary of paul and his letters is a one of a kind reference work no other resource presents as much information focused exclusively on pauline theology literature background and scholarship this second edition is a thoroughly revised and updated version of the acclaimed 1993 publication since that groundbreaking volume was published developments in pauline studies have continued at a rapid pace with diverse new scholars entering the conversation new ideas and methods gaining attention and fresh expressions of old topics shaping the present discussion those who enjoyed and benefited from the wealth in the first edition will find this new edition an equally indispensable and freshly up to date companion to study and research classic topics such as christology justification hermeneutics and book studies of individual epistles receive careful treatment by specialists in the field topics new to this edition including paul and politics patronage and interpretations from various historical and cultural perspectives expand the volume s breadth and usefulness over 95 of the articles have been written specifically for this edition this work bridges the gap between scholars and pastors teachers and students and all interested readers who want a thorough treatment of key topics in a summary format in curating and compiling these articles the editors have sought to make them comprehensive accessible and useful for those pursuing further research on particular subjects each article s bibliography in addition will serve a new generation of readers for years to come the updated dictionary of paul and his letters takes its place alongside the dictionary of jesus and the gospels 2nd ed and the other volumes in the ivp bible dictionary series as a unique presentation of the fruit of biblical studies committed to scripture using the best of critical methods and maintaining dialogue with both contemporary scholarship and the challenges facing the church the reference volumes in the series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole a true compendium of recent scholarship the volume includes over 100 articles covering all aspects of isaiah jeremiah ezekiel the twelve minor

prophets and daniel regrettably while the general populace on both sides of the atlantic have been exposed to the sensationalism of such projects as the jesus seminar and jesus the evidence no major undertaking has made available to the larger church the representative scholarship of students of jesus and the gospels which is both critically responsible and theologically evangelical the dictionary of jesus and the gospels has been prepared to meet such needs as these for students it provides introductory discussions and comprehensive surveys for pastors and teachers it provides reliable and readable information for theologians and biblical scholars it provides up to date reviews preface tremper longman iii and peter e enns edit this collection of 148 articles by over 90 contributors on job psalms proverbs ecclesiastes song of songs lamentations ruth and esther everything you need to start studying the bible electronically new bible dictionary new bible commentary new bible atlas also includes a free kjv biblethe basic ivp reference collection built on the new libronix digital library system tm is extremely easy to use enter a bible passage or a topic and the software will automatically search and open every reference in your electronic library with a complete user s manual on the cd even a new computer user who has never run bible software of any kind can immediately get results like a professional scholar also on this cd rom are many more up to date comprehensive reference works you can purchase and unlock anytime including ivp s pocket dictionary of theological terms pocket dictionary of biblical studies pocket dictionary for the study of new testament greek pocket dictionary of apologetics philosophy of religion the ivp bible background commentary new testament the ivp bible background commentary old testament hard sayings of the bible dictionary of biblical imagery dictionary of jesus and the gospels dictionary of paul and his letters dictionary of the later new testament its developments dictionary of new testament background new dictionary of theology new dictionary of biblical theology and several bible versions including nasb nrsv nlt and rsv that are unlockable for an additional fee this powerful collection of basic bible reference tools is ideal for pastors students sunday school teachers and anyone who is serious about studying the bible system requirements windows 98 and beyond pentium 133mhz 64 mb ram 60 mb hard drive capacity cd rom drive 800 x 600 or higher screen resolution sorry not yet macintosh compatible if you notice performance problems please contact logos research systems inc online or at 360 679

4496 the dictionary of new testament background takes full advantage of the flourishing study of the dead sea scrolls and offers individual articles focused on the most important scrolls in addition the dictionary encompasses the fullness of second temple jewish writings whether pseudepigraphic rabbinic parables proverbs histories or inscriptions the essential ivp reference collection includes only work from the best of today s biblical and theological scholars you ll have instant access to ivp s award winning new testament dictionary series the immensely popular bible background commentaries and the recently updated and revised editions of the new bible dictionary and new bible commentary which have set the standard for bible reference books for over a generation does a particular verse trouble you hard sayings of the bible gives in depth explanations of over 500 of the most difficult passages in the old and new testaments this powerful collection of bible reference tools is ideal for pastors scholars students sunday school teachers and anyone who is serious about studying the bible the writings of the prophets make up over a quarter of the old testament but perhaps no other portion of the old testament is more misunderstood by readers today for some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future for others it raises expectations of a plotted out future to be reconstructed from disparate texts and yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river we might view the prophets as stage directors for israel s unfolding drama of redemption drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind for when yahweh roars from zion and thunders from jerusalem the pastures of the shepherds dry up the crest of carmel withers and the prophetic word buffets those selling the needy for a pair of sandals the dictionary of the old testament prophets is the only reference book of its kind not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and zion it maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the day of the lord here the nature of prophecy is searched out in its social historical literary and psychological dimensions.

as well as its synchronic spread of textual links and associations and the formation of the prophetic books into their canonical collection including the book of the twelve is explored and weighed for its significance then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the new testament logos book award winner ecpa gold medallion finalist the first five books of the old testament lay the foundation on which the rest of scripture stands its great themes epochal events and towering figures set down vectors on which the biblical story is played out the very shape of the rest of the old testament would collapse were the pentateuch to be removed the structure of new testament thought would be barely intelligible without it here we meet the great ancestral figures of israel abraham isaac and jacob and the towering figure of moses whose presence dominates four of these five books the creative act of god the paradisaal garden the exile of adam and eve the judgment of the great flood the call of abraham from among the nations the covenant of abraham the exodus from egypt the giving of the law at sinai the plan of the tabernacle the varied experiences of israel in the wilderness and the announcement of the covenant blessings and curses all of these and more contribute to a work of world formative power this dictionary explores the major themes and contours of the pentateuch behind and beneath the grandeur of the pentateuch issues of historicity have both puzzled and beckoned but whereas in the mid twentieth century many english speaking scholars were confident of archaeological support for the patriarchal accounts the climate has now changed in the most extreme cases some contemporary scholars have radically challenged the antiquity of the ancestral stories arguing for their final composition even as late as the hellenistic era this dictionary examines and weighs the historical issues and poses possible solutions the documentary hypothesis the former reigning critical consensus is now widely rumored to be on life support with no heir apparent meanwhile conservative scholars reconsider what indeed a claim to mosaic authorship should entail this dictionary offers an assessment of the array of questions surrounding these issues and considers some possible ways forward for evangelical scholarship at the same time there has been a fruitful turning to the nature message and

art of the received text of the pentateuch literary studies of brief episodes sprawling sagas complex narrative and even the fivefold composition of the pentateuch itself have delivered promising and exciting results this dictionary offers both appreciative panoramas and close up assessments of these developments and their methods the dictionary of the old testament pentateuch is the first in a four volume series covering the text of the old testament following in the tradition of the four award winning ivp dictionaries focused on the new testament and its background this encyclopedic work is characterized by close attention to the text of the old testament and the ongoing conversation of contemporary scholarship in exploring the major themes and issues of the pentateuch editors t desmond alexander and david w baker with an international and expert group of scholars inform and challenge through authoritative overviews detailed examinations and new insights from the world of the ancient near east the dictionary of the old testament pentateuch is designed to be your first stop in the study and research of the pentateuch on which the rest of the bible is built reference volumes in the ivp bible dictionary series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole edited by bill t arnold and hugh g m williamson the dictionary of the old testament historical books picks up where the dictionary of the old testament pentateuch left off with joshua and israel poised to enter the land and carries us through the postexilic period following in the tradition of the award winning ivp dictionaries focused on the new testament this encyclopedic work is characterized by in depth articles focused on key topics many of them written by noted experts the history of israel forms the skeletal structure of the old testament understanding this history and the biblical books that trace it is essential to comprehending the bible the dictionary of the old testament historical books is the only reference book focused exclusively on these biblical books and the history of israel the dictionary presents articles on numerous historical topics as well as major articles focused on the books of joshua judges samuel kings chronicles ezra and nehemiah other articles focus on the deuteronomistic history as well as the chronicler s history the narrative art of israel s historians innerbiblical exegesis text and textual criticism and the emergence of these books as canonical one feature is a series of eight consecutive

articles on the periods of israel s history from the settlement to postexilic period which form a condensed history of israel within the dothb syro palestinian archaeology is surveyed in one article while significant archaeological sites receive focused treatment usually under the names of biblical cities and towns such as jerusalem and samaria shiloh and shechem dan and beersheba other articles delve into the histories and cultures of the great neighboring empires egypt assyria babylonia and persia as well as lesser peoples such as the ammonites edomites moabites philistines and phoenicians in addition there are articles on architecture solomon s temple agriculture and animal husbandry roads and highways trade and travel and water and water systems the languages of hebrew and aramaic as well as linguistics each receive careful treatment as well as the role of scribes and their schools and writing and literacy in ancient israel and its environs the dothb also canvases the full range of relevant extrabiblical written evidence with five articles focused on the various non israelite written sources as well as articles on hebrew inscriptions and ancient near eastern iconography articles on interpretive methods on hermeneutics and on preaching the historical books will assist students and communicators in understanding how this biblical literature has been studied and interpreted and its proper use in preaching in the same vein theological topics such as god prayer faith forgiveness and righteousness receive separate treatment the history of israel has long been contested territory but never more so than today much like the quest of the historical jesus a quest of the historical israel is underway at the heart of the quest to understand the history of israel and the old testament s historical books is the struggle to come to terms with the conventions of ancient historiography how did these writers conceive of their task and to whom were they writing clearly the old testament historians did not go about their task as we would today the divine word was incarnated in ancient culture rather than being a dictionary of quick answers and easy resolutions readily provided the dothb seeks to set out the evidence and arguments allowing a range of informed opinion to enrich the conversation in this way it is hoped that the dothb will not only inform its readers but draw them into the debate and equip them to examine the evidence for themselves reference volumes in the ivp bible dictionary series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation

significant historical or cultural background and each old and new testament book as a whole this unique commentary provides historical social and cultural background for each passage of the old testament from genesis through malachi this single volume gathers and condenses an abundance of specialized knowledge and includes a glossary maps and charts and expanded explanations of significant background issues arthur g patzia and anthony j petrotta offer clear concise definitions of more than 300 terms related to biblical studies examines the major themes of the first five books of the old testament craig s keener presents fascinating wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the new testament editors bill t arnold and hugh g m williamson present more than 160 in depth articles on the essential historical literary theological interpretive and background topics for studying the historical books of the old testament joshua judges 1 2 samuel 1 2 kings 1 2 chronicles ezra nehemiah

in recent years our knowledge of the individual parts of the bible has increased greatly but our understanding of how they fit together has not kept pace in particular the relationship between the old and new testaments has been a neglected field of study the latest in ivp s developing family of new dictionaries the new dictionary of biblical theology is an essential tool for students preachers and ministers as well as for scholars and others seeking a better grasp of the bible s teaching the aim of this prestigious dictionary is to integrate the various biblical books and themes into the overarching story of the scriptures the volume embodies three perspectives on biblical theology which are reflected in its structure line drawings diagrams charts and illustrations an index with 10 000 entries gives easy access to the massive amounts of information in the book the dictionary of biblical imagery is dedicated to exploring the images symbols motifs metaphors and literary patterns found in the bible it examines the bible s universal archetypes or master images including the plot motifs and character types that recur throughout life literature and the bible from publisher s description this work along with the other volumes in the foundational knowledge of the bible series can help those who are young in the faith to seek a christian relationship with god all who choose to enter into the new covenant must concurrently embrace a new perceptual field by heeding god s call to service believers embark upon a christian journey to become wise from the application of spiritual

knowledge this is made possible with the indwelling of the holy spirit who guides covenant believers in the faithful word of god which is the source of all spiritual truth in this world the intended purpose presented in this plan of action is to speak the truth of god in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to christ s authoritative leadership eph 4 15 by becoming covenant christians set apart by god for his particular use we can be diligent by precisely and accurately handling the word of truth 2 tim 2 15 this series can serve to edify and ground those who are new in the faith because the revelation of god provides all the essential answers to life s pressing spiritual questions whether general or specific accordingly christ s disciples need to comprehend the questions before the answers can have real meaning no greater reason can be given for studying the bible therefore the people of god are duty bound to master this christian discipline the first volume in this series is divided into three phases of bible study why addresses the importance of knowing god s word study motivations conditions for discipleship christian distinctions and the attributes needed to study biblical truth how covers preliminary actions bible versions principles study considerations and necessary skills what offers a unique sevenfold framework for understanding the bible divine power can move the scriptures to be more than words on a page it can become a life changing force for good in the world to that end this resource directs the reader on how to inquire search and ask diligently concerning godly truth invaluable information accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the sacred text this work will also prepare the reader to receive the scriptures by learning how to obtain a faithful accounting of spiritual truth to be sure wisdom is the result of applying biblical knowledge to our lives by speaking divine truth in love believers can grow together in christ as fellow workers who labor in the word of god there is no greater work in this world than to share this life saving truth with others the obligation of receiving divine knowledge requires that it be shared truly giving the hope and joy that is found in jesus christ and the message he brought from the father is the greatest privilege of a human life amen and amen a christianity today 1999 book of the year every reader of the bible has encountered the powerful comforting and sometimes puzzling imagery of scripture these concrete pictures with their hidden force have struck sharp and lasting impressions on our

minds their imprint has etched itself on the language and grammar of christian faith and western culture why then do traditional bible dictionaries and reference works offer so little help to explorers of the bible s galaxy of verbal pictures they excel in describing the climate borders and location of galilee or sinai but they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text the dictionary of biblical imagery is the first contemporary reference work dedicated to exploring the images symbols motifs metaphors and literary patterns found in the bible more than that it examines the bible s universal archetypes or master images including the plot motifs and character types that recur throughout life literature and the bible this unique dictionary explores the dazzling variety in which the word of god comes dressed in clothes of everyday life it traces the trail of images from eden to the new jerusalem it captures the plotted patterns of biblical narrative it surveys the imaged texture of each book of the bible in short the dictionary of biblical imagery is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the bible the dictionary of the later new testament its developments offers a summa of new testament studies designed to bring students teachers pastors and general readers up to date and up to speed this one of a kind reference volume presents more information than any other single work dealing exclusively with the theology literature background and scholarship of the later new testament and the apostolic church exploring the changes between the old and new testament provides an open window to the wide ranging vision of god s work in the human race it is actually a remarkable vision which stretches from the beginning of the universe to the end of time as we know it but many aspects of the old testament are difficult to understand today the ancient origins of the old testament ot explains part of the difficulty the ot was written thousands of years ago in cultures and time periods very different from our own these vast differences in culture make many practices in the ot seem unusual today understanding and making sense of the changes between the ot and nt is one of the key purposes of this book many changes become more understandable when you compare god s instructions for a nation ot with god s instructions for freely gathered communities of faith who follow jesus as messiah nt these changes will be highlighted in the chapters of this volume along with other key principles for understanding differences

between the old and new testament god s greater purposes will be in view along with current insights and concepts building on keown s earlier two volume work *jesus in a world of colliding empires* understanding mark s gospel gives an easily readable introduction to mark s gospel designed as a textbook it includes eleven lessons on mark s gospel the first lesson covers background issues important for understanding mark the gospel is then divided into ten sections each forming a lesson after reading the biblical passages students can read each lesson and get a succinct commentary with exegetical insights on the markan passages each lesson ends with questions that can be discussed by readers all greek is transliterated and the book is an excellent and simple introduction to mark s gospel christianity today merit award winner ecpa gold medallion the old testament books of wisdom and poetry carry themselves differently from those of the pentateuch the histories or the prophets the divine voice does not peal from sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet here scripture often speaks in the words of human response to god and god s world the hymns laments and thanksgivings of israel the dirge of lamentations the questionings of qohelet the love poetry of the song of songs the bold drama of job and the proverbial wisdom of israel all offer their textures to this great body of biblical literature then too there are the finely crafted stories of ruth and esther that narrate the silent providence of god in the course of israelite and jewish lives this third old testament volume in intervarsity press s celebrated black dictionary series offers nearly 150 articles covering all the important aspects of job proverbs ecclesiastes psalms song of songs lamentations ruth and esther over ninety contributors many of them experts in this literature have contributed to the dictionary of the old testament wisdom poetry writings this volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series coverage of each biblical book includes an introduction to the book itself as well as separate articles on its ancient near eastern background and its history of interpretation additional articles amply explore the literary dimensions of hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme and there are well rounded treatments of israelite wisdom and wisdom literature including wisdom poems sources and theology in addition a wide range of interpretive approaches is canvassed in articles on hermeneutics

interpretation form criticism historical criticism rhetorical criticism and social scientific approaches the dictionary of the old testament wisdom poetry writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature tremper longman iii and peter e enns edit this collection of 148 articles by 90 contributors on job psalms proverbs ecclesiastes song of songs lamentations ruth and esther reference volumes in the ivp bible dictionary series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole ecpa book award finalist with the dictionary of the old testament prophets ivp s black dictionary series completes its coverage of the old testament canonical books a true compendium of recent scholarship the volume includes 115 articles covering all aspects of isaiah jeremiah ezekiel the twelve minor prophets and daniel each book s historical cultural religious and literary background is thoroughly covered alongside articles on interpretation history and critical method pastors scholars and students will find this a deep resource for their old testament studies reference volumes in the ivp bible dictionary series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole from abelard to zwingli the history of christian biblical interpretation has been shaped by great thinkers who delved deeply into the structure and meaning of christianity s sacred texts with over two hundred in depth articles donald mckim s dictionary of major biblical interpreters introduces readers to the principal players in that history their historical and intellectual contexts their primary works their interpretive principles and their broader historical significance in addition six major essays offer an overview of the history of biblical interpretation from the second century to the present this one volume reference a revised and vastly expanded edition of ivp academic s historical handbook of major biblical interpreters will serve as an invaluable tool for any serious student of the bible and the history of biblical interpretation market audience students and professors of biblical studies librarians and researchers pastors thoughtful laypeople features and benefits offers in depth descriptions of the contributions of 230 major christian interpreters

of the bible goes beyond the cursory descriptions of other dictionaries of its kind provides an excellent resource for students and teachers of biblical studies and the history of biblical interpretation drawing upon both jewish and christian scriptures this book lays a groundwork for understanding how grace is a critical element of leadership and followership studies this volume divided into three sections begins by defining the concept of grace leadership using biblical examples part two discusses how grace leadership develops while the last part of the book offers contemporary examples of leaders displaying grace to their employees with cases from the military as well as organizational perspectives this edited collection adds a new wrinkle to the leadership literature and will appeal to scholars in hrm and organizational studies biblical foundations book awards finalist no one reads the bible without some interpretive principles or hermeneutics in place the question every student of scripture needs to ask then is this are your interpretive principles and methods legitimate and ethical in this accessible introduction to biblical hermeneutics nicholas g piotrowski presents an approach that explores three layers of context literary historical and christological because no text exists in the abstract interpreters must seek to understand a passage s ecology the flow and argument of the entire biblical book the world of the original author and audience and the movement of redemptive history that culminates in the person and work of jesus christ careful interpretation is both a science and an art piotrowski argues and it has powerful implications for what we believe and how we apply god s word featuring numerous examples further reading lists and a glossary in all the scriptures equips students pastors and thoughtful readers to build a solid foundation for interpreting the bible do covenants or dispensations structure the biblical revelation the historic conflict between covenant and dispensational theology has resulted in a neglect of biblical covenants in dispensationalism as a corrective this book offers a variant of dispensationalism designated covenantal dispensationalism analyzing both ancient near eastern and biblical covenants this work clearly demonstrates that the character of each dispensation is the sum of the stipulations of the operative covenants therefore this book concludes that covenants structure the biblical revelation and that resulting structure is dispensationalism this work is a compilation of research designed to assist students researching the bible and passing a program at a university in biblical studies it

covers a myriad of topics focusing primarily on the biblical text and contains deeper exposition on texts and themes commonly researched in an undergraduate graduate christian studies and masters in divinity programs that focus on the bible this text is divided by the old and new testament and further subdivided based on traditional category of the bible this reliable guide lists and ranks approximately 800 bible commentaries and 1 200 printed volumes as well as numerous computer resources related to biblical interpretation theology and church history commentaries are categorized by level and approach and recommended titles are highlighted a unique and special studies section lists works of significance for each book of the bible

## **IVP New Bible Dictionary 1994-06-01**

the writings of the prophets make up over a quarter of the old testament but perhaps no other portion of the old testament is more misunderstood by readers today for some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future for others it raises expectations of a plotted out future to be reconstructed from disparate texts and yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river we might view the prophets as stage directors for israel s unfolding drama of redemption drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind for when yahweh roars from zion and thunders from jerusalem the pastures of the shepherds dry up the crest of carmel withers and the prophetic word buffets those selling the needy for a pair of sandals the dictionary of the old testament prophets is the only reference book of its kind not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and zion it maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the day of the lord here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations and the formation of the prophetic books into their canonical collection including the book of the twelve is explored and weighed for its significance then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the new testament

# **The Essential IVP Reference Collection 2001**

logos book award winner ecpa gold medallion finalist the first five books of the old testament lay the foundation on which the rest of scripture stands its great themes epochal events and towering figures set down vectors on which the biblical story is played out the very shape of the rest of the old testament would collapse were the pentateuch to be removed the structure of new testament thought would be barely intelligible without it here we meet the great ancestral figures of israel abraham isaac and jacob and the towering figure of moses whose presence dominates four of these five books the creative act of god the paradisaal garden the exile of adam and eve the judgment of the great flood the call of abraham from among the nations the covenant of abraham the exodus from egypt the giving of the law at sinai the plan of the tabernacle the varied experiences of israel in the wilderness and the announcement of the covenant blessings and curses all of these and more contribute to a work of world formative power this dictionary explores the major themes and contours of the pentateuch behind and beneath the grandeur of the pentateuch issues of historicity have both puzzled and beckoned but whereas in the mid twentieth century many english speaking scholars were confident of archaeological support for the patriarchal accounts the climate has now changed in the most extreme cases some contemporary scholars have radically challenged the antiquity of the ancestral stories arguing for their final composition even as late as the hellenistic era this dictionary examines and weighs the historical issues and poses possible solutions the documentary hypothesis the former reigning critical consensus is now widely rumored to be on life support with no heir apparent meanwhile conservative scholars reconsider what indeed a claim to mosaic authorship should entail this dictionary offers an assessment of the array of questions surrounding these issues and considers some possible ways forward for evangelical scholarship at the same time there has been a fruitful turning to the nature message and art of the received text of the pentateuch literary studies of brief episodes sprawling sagas complex narrative and even the fivefold composition of the pentateuch itself have delivered promising and exciting results this dictionary offers both appreciative

panoramas and close up assessments of these developments and their methods the dictionary of the old testament pentateuch is the first in a four volume series covering the text of the old testament following in the tradition of the four award winning ivp dictionaries focused on the new testament and its background this encyclopedic work is characterized by close attention to the text of the old testament and the ongoing conversation of contemporary scholarship in exploring the major themes and issues of the pentateuch editors t desmond alexander and david w baker with an international and expert group of scholars inform and challenge through authoritative overviews detailed examinations and new insights from the world of the ancient near east the dictionary of the old testament pentateuch is designed to be your first stop in the study and research of the pentateuch on which the rest of the bible is built reference volumes in the ivp bible dictionary series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole

## **Dictionary of the Old Testament: Prophets** **2020-05-21**

edited by bill t arnold and hugh g m williamson the dictionary of the old testament historical books picks up where the dictionary of the old testament pentateuch left off with joshua and israel poised to enter the land and carries us through the postexilic period following in the tradition of the award winning ivp dictionaries focused on the new testament this encyclopedic work is characterized by in depth articles focused on key topics many of them written by noted experts the history of israel forms the skeletal structure of the old testament understanding this history and the biblical books that trace it is essential to comprehending the bible the dictionary of the old testament historical books is the only reference book focused exclusively on these biblical books and the history of israel the dictionary presents articles on numerous historical topics as well as major articles focused on the books of joshua judges samuel kings chronicles ezra and nehemiah other articles focus on the deuteronomistic history as well as the chronicler s history the narrative art of israel s historians

innerbiblical exegesis text and textual criticism and the emergence of these books as canonical one feature is a series of eight consecutive articles on the periods of israel s history from the settlement to postexilic period which form a condensed history of israel within the dothb syro palestinian archaeology is surveyed in one article while significant archaeological sites receive focused treatment usually under the names of biblical cities and towns such as jerusalem and samaria shiloh and shechem dan and beersheba other articles delve into the histories and cultures of the great neighboring empires egypt assyria babylonia and persia as well as lesser peoples such as the ammonites edomites moabites philistines and phoenicians in addition there are articles on architecture solomon s temple agriculture and animal husbandry roads and highways trade and travel and water and water systems the languages of hebrew and aramaic as well as linguistics each receive careful treatment as well as the role of scribes and their schools and writing and literacy in ancient israel and its environs the dothb also canvases the full range of relevant extrabiblical written evidence with five articles focused on the various non israelite written sources as well as articles on hebrew inscriptions and ancient near eastern iconography articles on interpretive methods on hermeneutics and on preaching the historical books will assist students and communicators in understanding how this biblical literature has been studied and interpreted and its proper use in preaching in the same vein theological topics such as god prayer faith forgiveness and righteousness receive separate treatment the history of israel has long been contested territory but never more so than today much like the quest of the historical jesus a quest of the historical israel is underway at the heart of the quest to understand the history of israel and the old testament s historical books is the struggle to come to terms with the conventions of ancient historiography how did these writers conceive of their task and to whom were they writing clearly the old testament historians did not go about their task as we would today the divine word was incarnated in ancient culture rather than being a dictionary of quick answers and easy resolutions readily provided the dothb seeks to set out the evidence and arguments allowing a range of informed opinion to enrich the conversation in this way it is hoped that the dothb will not only inform its readers but draw them into the debate and equip them to examine the evidence for themselves reference volumes in the ivp bible dictionary series provide in depth

treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole

## **Dictionary of the Old Testament: Pentateuch 2010-05-11**

## ***New Dictionary of Biblical Theology*** **2020-05-21**

this work along with the other volumes in the foundational knowledge of the bible series can help those who are young in the faith to seek a christian relationship with god all who choose to enter into the new covenant must concurrently embrace a new perceptual field by heeding god s call to service believers embark upon a christian journey to become wise from the application of spiritual knowledge this is made possible with the indwelling of the holy spirit who guides covenant believers in the faithful word of god which is the source of all spiritual truth in this world the intended purpose presented in this plan of action is to speak the truth of god in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to christ s authoritative leadership eph 4 15 by becoming covenant christians set apart by god for his particular use we can be diligent by precisely and accurately handling the word of truth 2 tim 2 15 this series can serve to edify and ground those who are new in the faith because the revelation of god provides all the essential answers to life s pressing spiritual questions whether general or specific accordingly christ s disciples need to comprehend the questions before the answers can have real meaning no greater reason can be given for studying the bible therefore the people of god are duty bound to master this christian discipline the first volume in this series is divided into three phases of bible study why addresses the importance of knowing god s word study motivations conditions for discipleship christian distinctions and the attributes needed to study biblical truth how covers preliminary actions bible versions principles study considerations and necessary skills what

offers a unique sevenfold framework for understanding the bible divine power can move the scriptures to be more than words on a page it can become a life changing force for good in the world to that end this resource directs the reader on how to inquire search and ask diligently concerning godly truth invaluable information accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the sacred text this work will also prepare the reader to receive the scriptures by learning how to obtain a faithful accounting of spiritual truth to be sure wisdom is the result of applying biblical knowledge to our lives by speaking divine truth in love believers can grow together in christ as fellow workers who labor in the word of god there is no greater work in this world than to share this life saving truth with others the obligation of receiving divine knowledge requires that it be shared truly giving the hope and joy that is found in jesus christ and the message he brought from the father is the greatest privilege of a human life amen and amen

## **New Bible Dictionary 1996**

a christianity today 1999 book of the year every reader of the bible has encountered the powerful comforting and sometimes puzzling imagery of scripture these concrete pictures with their hidden force have struck sharp and lasting impressions on our minds their imprint has etched itself on the language and grammar of christian faith and western culture why then do traditional bible dictionaries and reference works offer so little help to explorers of the bible s galaxy of verbal pictures they excel in describing the climate borders and location of galilee or sinai but they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text the dictionary of biblical imagery is the first contemporary reference work dedicated to exploring the images symbols motifs metaphors and literary patterns found in the bible more than that it examines the bible s universal archetypes or master images including the plot motifs and character types that recur throughout life literature and the bible this unique dictionary explores the dazzling variety in which the word of god comes dressed in clothes of everyday life it traces the trail of images from eden to the new jerusalem it captures the plotted patterns of

biblical narrative it surveys the imaged texture of each book of the bible in short the dictionary of biblical imagery is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the bible

## **Dictionary of Biblical Imagery 1998**

the dictionary of the later new testament its developments offers a summa of new testament studies designed to bring students teachers pastors and general readers up to date and up to speed this one of a kind reference volume presents more information than any other single work dealing exclusively with the theology literature background and scholarship of the later new testament and the apostolic church

## **Mastering the Discipline of Bible Study 2022-07-22**

exploring the changes between the old and new testament provides an open window to the wide ranging vision of god s work in the human race it is actually a remarkable vision which stretches from the beginning of the universe to the end of time as we know it but many aspects of the old testament are difficult to understand today the ancient origins of the old testament ot explains part of the difficulty the ot was written thousands of years ago in cultures and time periods very different from our own these vast differences in culture make many practices in the ot seem unusual today understanding and making sense of the changes between the ot and nt is one of the key purposes of this book many changes become more understandable when you compare god s instructions for a nation ot with god s instructions for freely gathered communities of faith who follow jesus as messiah nt these changes will be highlighted in the chapters of this volume along with other key principles for understanding differences between the old and new testament god s greater purposes will be in view along with current insights and concepts

## ***Dictionary of Biblical Imagery 2010-05-11***

building on Keown's earlier two volume work *Jesus in a World of Colliding Empires* understanding Mark's Gospel gives an easily readable introduction to Mark's Gospel designed as a textbook it includes eleven lessons on Mark's Gospel the first lesson covers background issues important for understanding Mark the Gospel is then divided into ten sections each forming a lesson after reading the biblical passages students can read each lesson and get a succinct commentary with exegetical insights on the Markan passages each lesson ends with questions that can be discussed by readers all Greek is transliterated and the book is an excellent and simple introduction to Mark's Gospel

## **Dictionary of the Later New Testament & Its Developments 1997**

Christianity Today Merit Award Winner ECPA Gold Medallion the Old Testament books of Wisdom and Poetry carry themselves differently from those of the Pentateuch the histories or the prophets the divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet here Scripture often speaks in the words of human response to God and God's world the Hymns Laments and Thanksgivings of Israel the Dirge of Lamentations the Questionings of Qohelet the Love Poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives this third Old Testament volume in Intervarsity Press's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther over ninety contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry Writings this volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series coverage of each biblical book includes an introduction to the book itself as well as

separate articles on its ancient near eastern background and its history of interpretation additional articles amply explore the literary dimensions of hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme and there are well rounded treatments of israelite wisdom and wisdom literature including wisdom poems sources and theology in addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches the dictionary of the old testament wisdom poetry writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature trempner longman iii and peter e enns edit this collection of 148 articles by 90 contributors on job psalms proverbs ecclesiastes song of songs lamentations ruth and esther reference volumes in the ivp bible dictionary series provide in depth treatment of biblical and theological topics in an accessible encyclopedia format including cross sectional themes methods of interpretation significant historical or cultural background and each old and new testament book as a whole

## **Key Connections 2023-12-06**

## **Understanding Mark's Gospel 2021-12-17**

from abelard to zwingli the history of christian biblical interpretation has been shaped by great thinkers who delved deeply into the structure and meaning of christianity s sacred texts with over two hundred in depth articles donald mckim s dictionary of major biblical interpreters introduces readers to the principal players in that history their historical and intellectual contexts their primary works their interpretive principles and their broader historical significance in addition six major essays offer an overview of the history of biblical interpretation from the second century to the present this one volume reference a revised and vastly expanded edition of ivp academic s historical handbook of major biblical interpreters will serve as an invaluable tool for any serious student of the bible and the history of biblical interpretation market audience students and professors of biblical studies librarians and researchers pastors thoughtful laypeople features and benefits offers in depth descriptions of the contributions of 230 major christian interpreters of the bible goes beyond the cursory descriptions of other dictionaries of its kind provides an excellent resource for students and teachers of biblical studies and the history of biblical interpretation

## ***Dictionary of the Old Testament: Wisdom, Poetry & Writings 2010-05-11***

drawing upon both jewish and christian scriptures this book lays a groundwork for understanding how grace is a critical element of leadership and followership studies this volume divided into three sections begins by defining the concept of grace leadership using biblical examples part two discusses how grace leadership develops while the last part of the book offers contemporary examples of leaders displaying grace to their employees with cases from the military as well as organizational perspectives this edited collection adds a new wrinkle to the leadership literature and will appeal to scholars in hrm and organizational studies

## **Dictionary of the Old Testament: Prophets 2013-05-14**

biblical foundations book awards finalist no one reads the bible without some interpretive principles or hermeneutics in place the question every student of scripture needs to ask then is this are your interpretive principles and methods legitimate and ethical in this accessible introduction to biblical hermeneutics nicholas g piotrowski presents an approach that explores three layers of context literary historical and christological because no text exists in the abstract interpreters must seek to understand a passage s ecology the flow and argument of the entire biblical book the world of the original author and audience and the movement of redemptive history that culminates in the person and work of jesus christ careful interpretation is both a science and an art piotrowski argues and it has powerful implications for what we believe and how we apply god s word featuring numerous examples further reading lists and a glossary in all the scriptures equips students pastors and thoughtful readers to build a solid foundation for interpreting the bible

## **Dictionary of Major Biblical Interpreters 2007**

do covenants or dispensations structure the biblical revelation the historic conflict between covenant and dispensational theology has resulted in a neglect of biblical covenants in dispensationalism as a corrective this book offers a variant of dispensationalism designated covenantal dispensationalism analyzing both ancient near eastern and biblical covenants this work clearly demonstrates that the character of each dispensation is the sum of the stipulations of the operative covenants therefore this book concludes that covenants structure the biblical revelation and that resulting structure is dispensationalism

## **Grace Leadership 2022-08-21**

this work is a compilation of research designed to assist students researching the bible and passing a program at a university in biblical studies it covers a myriad of topics focusing primarily on the biblical text and contains deeper exposition on texts and themes commonly researched in an undergraduate graduate christian studies and masters in divinity programs that focus on the bible this text is divided by the old and new testament and further subdivided based on traditional category of the bible
