an 1884 official report proposing a third expedition to rescue any survivors of the 1881 greely expedition to the arctic this 1884 investigation into the two failed attempts to relieve the greely arctic expedition led to success later that year the arctic became part of canada in 1880 when it was transferred from britain how the transfer came about and what canada did with its new territory is described the book focuses on the ten marine expeditions that the dominion government sent north between 1884 and 1912 and examines what these expeditions accomplished reprint of the original first published in 1861 in 1899 one of america s wealthiest men assembled an interdisciplinary team of experts many of whom would become legendary in their fields to join him entirely at his expense on a voyage to the largely unknown territory of alaska the harriman expedition remains unparalleled in its conception and execution this book follows the team closely where they went what they did and what they learned including finding early evidence of glacial retreat assessing the nature and future of alaska s natural resources making important scientific discoveries and collecting an astonishing collection of specimens a second thread involves the lives and accomplishments of the members of the party weaving biographical strands into the narrative of the journey and the personal experiences they shared this is the first comprehensive scholarly treatment of the harriman alaska expedition since the 1980s it features the diaries letters home and post expedition writings including unpublished autobiographies generated by the members of the party portfolio of 8 charts accompanies v 83 when fort sumter was attacked in april 1861 hundreds of soldiers were stationed at the u s army s camp floyd forty miles southwest of salt lake city the camp established in june 1858 was the nation s largest military post utah and the american civil war presents a wealth of primary sources pertaining to the territory s participation in the civil war material that until now has mostly been scattered incomplete or difficult to locate organized and annotated for easy use this rich mix of military orders dispatches letters circulars battle and skirmish reports telegraph messages command lists and other correspondence shows how utah s wartime experience was shaped by a peculiar blend of geography religion and politics editor kenneth l alford opens the collection with a year by year summary of important events in utah territory during the war with special attention paid to the army s recall from utah in 1861 the lot smith utah cavalry company s 107 day military service the union army s return in 1862 and relations between the military and mormons readers will find accounts of an 1861 attempt to court martial a virginia born commander for treason battle reports from the january 1863 bear river massacre documents from the army s high command authorizing governor james doty to enlist additional utah troops in october 1864 and evidence of colonel patrick edward connor s personal biases against native americans and mormons a glossary of nineteenth century phrases military terms and abbreviations along with a detailed timeline of key historical events places the records in historical context collected and published together for the first time these records document the unique role utah played in the civil war and reveal the war s influence both subtle and overt on the emerging state of utah reprint of the original first published in 1858 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost in 1926 27 the soviet central statistical administration initiated several yearlong expeditions to gather primary data on the whereabouts economy and living conditions of all rural peoples living in the arctic and sub arctic at the end of the russian civil war due partly to the enthusiasm of local geographers and ethnographers the polar census grew into a massive ethnological exercise gathering not only basic demographic and economic data on every household but also a rich archive of photographs maps kinship charts narrative transcripts and museum artifacts to this day it remains one of the most comprehensive surveys of a rural population anywhere the contributors to this volume all noted scholars in their region have conducted long term fieldwork with the descendants of the people surveyed in 1926 27 this volume is the culmination of eight years work with the primary record cards and was supported by a number of national scholarly funding agencies in the uk canada and norway it is a unique historical ethnographical analysis and of immense value to scholars familiar with these communities contemporary cultural dynamics and legacy the rough guide to devon cornwall is the ultimate handbook for discovering the region from the wilds of dartmoor to the rocky atlantic coast and from lundy island to the english riviera of torbay for outdoor activities
