Stance MAG. #32 2023-09-14

the book invites the reader both volvo fans and those with a more general interest in motoring on board the company s landmark cars volvo model by model brings volvo to life with the feel of the cars from behind the wheel from the side valve Öv4 to the electric c40 with legends like the 240 the xc90 and the 850 in between volvo s marketing strategies from safety to sporty and back again are examined with thoughts from contemporary road tests so buckle up your volvo patented three point safety belt and prepare for the ride in the 2020s volvo is undergoing a resurgence gaining mainstream desirability with record sales for six consecutive years there is also huge interest in wider scandinavian culture and design volvo model by model is a new look at the cars and cultural impact of volvo always daring to be different no other car manufacturer encapsulates its home nation so completely accounting for one third of the swedish dream villa volvo vovve volvo started in 1927 but the open topped Öv4 didn t sell well in the harsh swedish climate this was a rare misstep although there have some challenging aesthetics on the way like the 760 volvo survived a failed marriage with ford which still produced one of the company s all time best sellers volvo now has another home china parent company geely enables volvo to freely express its scandinavian style and today s slick swedes were voted the best designed range of cars by british motorists concept recharge

points the way to an electric future

Volvo Model by Model 2016-09-13

when i see an alfa romeo i lift my hat henry ford few things ignite such reverence as a classic car with more than 250 iconic models from the 1940s to the 1980s photographed from every angle this title is a glorious celebration of the stars in the classic car firmament edited by award winning automotive journalist giles chapman classic car brings you the story of more than 20 great marques including household names bentley mercedes ferrari cadillac and aston martin its lavish photography reveals every detail in close ups of models that range from the 1940s giant two ton daimler de36 which ferried royals about in style through to sleek ferraris from the 1980s capable of smashing the 200mph barrier it puts you in the driving seat of such icons as the chevrolet corvette the ford thunderbird and the mercedes 300sl and brings you the designers of these amazing machines and the story of their manufacturers whether you dream of owning one of these super cool cars or you are a collector already classic car is set to become a treasured favorite
