Humanistica Lovaniensia - Volume XLII 1993-02-15 em 2022 tive o prazer de dar um curso de 100 dias sobre o globo x terra plana e o fruto deste estudo é esta coleção de 3 livros sendo esta a segunda parte da coleção espero que esta coleção seja útil para todos os que buscam a verdade não busquem explicações simples para a vida a vida é complexa e é preciso esforço e dedicação para compreender as coisas acima de tudo humildade para aprender quando algumas pessoas defendem um posicionamento ideológico de forma fanática ela só tem a perder e ficará presa e embrutecida sigo na minha saga de estudar e analisar as grandes controvérsias da humanidade na verdade o terraplanismo me parece uma idéia simplória e muito vaga queria eu que todos os embates ideológicos fossem do nível de debate com a hipótese da terra plana não vejo grandes dificuldades em rebater esta teoria conspiracionista mas respeito os que pensam que a terra plana é uma hipótese concreta a história tem mostrado que muitos terraplanistas têm abandonado esta teoria à medida que procuram estudar mais as questões que envolvem o formato da terra creio que este livro

vai cair na mão de muitos terraplanistas e respeitosamente peço que analisem friamente os argumentos aqui exposto

Antiguo Oriente - Volume 19 (2021) 2021-12-31 although kierkegaard s reception was initially more or less limited to scandinavia it has for a long time now been a highly international affair as his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native denmark while in scandinavia the attack on the church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders as his reputation grew he was co opted by a number of different philosophical and religious movements in different contexts throughout the world the three tomes of this volume attempt to record the history of this reception according to national and linguistic categories tome iii is the most geographically diverse covering the near east asia australia and the americas the section on the near east features pioneering articles on the kierkegaard reception in israel turkey iran and the arab world the next section dubbed asia and australia features articles on the long and rich traditions of kierkegaard research in japan and korea along with the more recent ones in china and australia a final section is dedicated to americas with articles on canada the united states hispanophone south america mexico and brazil

GLOBO X TERRA PLANA - Volume 1 2022-09-02 a revolução de 1930 mais do que selar o fim de uma velha república oligárquica e inaugurar um novo brasil moderno e industrial como dizia o próprio regime de vargas e seus intelectuais representou o auge de uma crise advinda de princípios da década de 1920 de um modelo político e econômico respectivamente marcado pela chamada política dos governadores e pela exportação cafeeicultora além disso marcou o início de fortes disputas entre

setores mais ou menos modernos e tradicionais da sociedade brasileira culminando na imposição ao país a 10 de novembro de 1937 de um novo modelo político econômico de tipo autoritário e corporativo para além dos anos vargas contudo questões como a centralidade do estado a proeminência do executivo e alguns princípios de sua legislação social se manteriam até muito recentemente no país

Recovering The U.S Hispanic Literary Heritage, Volume VI 2007-03-31 in recent years interest in the thought of kierkegaard has grown dramatically and with it the body of secondary literature has expanded so quickly that it has become impossible for even the most conscientious scholar to keep pace the problem of the explosion of secondary literature is made more acute by the fact that much of what is written about kierkegaard appears in languages that most kierkegaard scholars do not know kierkegaard has become a global phenomenon and new research traditions have emerged in different languages countries and regions the present volume is dedicated to trying to help to resolve these two problems in kierkegaard studies its purpose is first to provide book reviews of some of the leading monographic studies in the kierkegaard secondary literature so as to assist the community of scholars to become familiar with the works that they have not read for themselves the aim is thus to offer students and scholars of kierkegaard a comprehensive survey of works that have played a more or less significant role in the research second the present volume also tries to make accessible many works in the kierkegaard secondary literature that are written in different languages and thus to give a glimpse into various and lesser known research traditions the six tomes of the present volume present reviews of works written in catalan chinese czech danish dutch english finnish french galician german greek hebrew hungarian italian japanese norwegian polish portuguese romanian russian slovak spanish and swedish
