little tim is the central character for this innovative series that speaks both to parents and their little ones each of the first four books in the series deals with a fundamental problem that might affect three to five year olds fear especially of the dark anger and aggression that are

frightening and difficult to manage jealousy perhaps due to the arrival of a new family member and the shyness that makes it difficult to face new situations such as the first day of nursery school the book's point of view makes it unique it speaks directly to the reader describing a problem and providing five small simple solutions to help face it all of the points are imaginative and written using language suitable to the targeted age group with examples taken from the child's daily life that he or she can actually put into practice at the end of every book parents will find reflections and behaviors in a section dedicated to them because sometimes parents find these situations just as hard as their children do and sometimes even harder

fear and anxiety are a normal part of life even adaptive in many conditions who among us has not studied for a test without some anxiety and scored better for it who has not walked down a dark street in a high crime district without mounting fear normal anxiety keeps us alert it makes us question whether we really have to walk down that street after all phobias can range from the logical arachnophobia or the fear of spiders to the seemingly bizarre pteronophobia or the fear of being tickled by feathers and while some may scoff at conditions like pentheraphobia the fear of mother in laws or pogonophobia the fear of beards phobias are no laughing matter are you afraid to fly do needles make you nervous do you avoid dental appointments elevators or contact with spiders because you are scared if so you may have a phobia phobias are intense fears about specific places situations or things phobias can make it hard for you to go to places that you would like to go make it hard to be effective at work and put a strain on relationships this is because people will do whatever they can to avoid the uncomfortable and often terrifying feelings associated with their phobia if you have a phobia you are not alone so you re scared let s finally talk about that shall we i know you re worried i know it feels impossible and daunting and terrifying i know you wish someone would make it all better i can t make it all better but i m pretty sure i can make the fear

you re feeling a whole lot more bearable
