the 40th anniversary edition of the classic vietnam memoir featured in the pbs documentary series the vietnam war by ken burns and lynn novick with a new foreword by kevin powers in march of 1965 lieutenant philip j caputo landed at danang with the first ground combat unit deployed to vietnam sixteen months later having served on the line in one of modern history s ugliest wars he returned home physically whole but emotionally wasted his youthful idealism forever gone a rumor of war is far more than one soldier s story upon its publication in 1977 it shattered america s indifference to the fate of the men sent to fight in the jungles of vietnam in the years since then it has become not only a basic text on the vietnam war but also a renowned classic in the literature of wars throughout history and as the author writes of the things men do in war and the things war does to them heartbreaking terrifying and enraging it belongs to the literature of men at war los angeles times book review a closeup look at the american experience in the vietnam war the elders could see nothing but smoke

until they turned the corner onto the street where the fire was and then both of them stopped the synagogue elder thomas said it had never occurred to him that anyone even the nazis would do such a thing elder thomas got his camera out he snapped the shot but then heard someone say in german what are you doing there he tucked the camera inside his coat under his arm he tried to appear normal but his heart was suddenly beating hard a man was crossing the narrow street and coming toward them making pictures the man asked as he walked closer elder thomas took a better look he saw what he feared the black uniform with silver trim and braided hat gestapo elder alex thomas wants only to teach the gospel to the people of germany but it soon becomes obvious that he will never complete his mission war is coming and that will affect not only elder thomas but also his family back home in salt lake city in the family is wally elder thomas s younger brother who usually just wants ot have a good time but lately doesn t seem to care much about anything there s his sister bobbi who is supposed to marry phil clark the most eligible bachelor in the salt lake valley the problem is she can t ignore her attraction to dr stinson a university of utah professor who s not a member of the church and

there are elder thomas s parents d alexander thomas stake president and his wife bea who want their children to be true to the values and ideals they ve taught them but president and sister thomas are finding they can t just tell their children what to do anymore and they re worried about what will happen when the united states enters a war that no one seems able to stop in rumors of war the first volume of the series children of the promise author dean hughes recreates the era of world war ii in stunning detail but more than that he shows how the war affects an ordinary family of latter day saints if you re interested in church or world history or if you re simply looking for a powerful lds novel you won t want to miss rumors of war

rumors of war is a powerful and thought-provoking novel that explores the impact of war on a family of Latter-day Saints. The story is set in the early 1940s, during the height of World War II, and follows the lives of the Stake President and his family. The novel is a masterpiece of storytelling, and it is a must-read for anyone who is interested in the history of the Church and the impact of war on our lives.

this provocative and unique work reveals the remarkably influential role of futuristic literature on

contemporary political power in america tracing this phenomenon from its roots in victorian britain rumors of war and infernal machines offers a fascinating exploration of how fictional speculations on emergent or imaginary military technologies profoundly influence the political agendas and actions of modern superpower states gannon convincingly demonstrates that military fiction anticipated and even influenced the evolution of the tank the development of the airplane and also the bitter political battles within britain s war office and the admiralty in the united states future fictions and cold war thrillers were an officially acknowledged factor in the pentagon s research and development agendas and often gave rise and shape to the nation s strategic development of technologies as diverse as automation atomic weaponry aerospace vehicles and the strategic defense initiative star wars his book reveals a striking relationship between the increasing political influence of speculative military fiction and the parallel rise of superpower states and their technocentric ideologies with its detailed political historical and literary analysis of u s and british fascination with hi tech warfare this lively and revealing study will appeal to students literary and cultural scholars military and history enthusiasts and general
