Unceasing Worship

2009-08-20

harold m best casts a holistic vision for worship that transcends narrow discussions of musical style or congregational preference corrects errors in how christians have viewed the arts and misunderstandings about the use of music and offers instead a more biblically consistent approach to artistic action

Dumbfounded Praying

2011-01-01

dumbfounded praying is a book of no limits uninhibited praying dumbfounded praying it is a confessing book an idea book a wrestling and praise filled book and like the psalms intensely personal but certainly not private these prayers are for everybody who is thirsty and hungry who doubts who might be unsure of the value of prayer they are for anybody who wants to question confess praise lament imagine and speculate this book is open to all who love the richness of speech with god and want his everlasting richness to flood their minds hearts and circumstances in return prayer is more than a narrow tidied list of proper things to talk to god about nothing is off limits with god for he intimately knows what fills our minds stirs in our hearts and frames our circumstances god invites us to talk everything over with him honestly fearlessly even imaginatively out of sheer love god has eternally

befriended himself to us and asks us into his confidence and in turn invites us to confide freely in him god wants us to know that while we would rather talk than listen he always listens before he talks and when he does it is always with his word strongly yet sweetly offered to us by his spirit and made eternally sure by his son this word is inevitably filled with mercy love grace forgiveness correction and unblemished wisdom

The Influence of Harold Best's Music Through the Eyes of Faith and Unceasing Worship on Select Worship Authors and Educators

2020

this dissertation examines the impact of harold best s music through the eyes of faith 1993 and unceasing worship biblical perspectives on worship and the arts 2003 on seven representative worship authors and educators through interviews and close examination of their writings lectures and philosophies the impact of best s primary arguments is traced his main positions are 1 that human creativity is rooted in the doctrines of common grace and the creation of humankind in the imago dei 2 that worship which is either biblical or idolatrous is an inherent activity of all humans and 3 that music is amoral a premise upon which he builds his advocacy of musical pluralism in worship and in the christian life following the introduction to the research problem in chapter 1 chapter 2 presents an overview of the leading

philosophies of music from both secular and christian thinkers between 1940 and c 1990 as a backdrop against which to view best s own philosophy of music worship and the arts a survey of the evangelical worship landscape is offered in chapter 3 highlighting major changes in worship philosophy and praxis in the 1940s on through the 1990s chapter 4 contains a professional biography of best noting specific experiences that influenced the development and articulation of his thought with reference to nyack college wheaton college the national association of schools of music colleagues and his work as a composer an exposition and critique of best s books is offered in chapter 5 through interviews and close examination of their writings chapter 6 traces the impact of best s books on seven representative worship authors and educators bob kauflin barry liesch david music michael card mike cosper d clark measels and joseph crider chapter 7 concludes the dissertation summarizing the main areas of best s impact

Exploring the Worship Spectrum

2010-05-11

an exploration of what worship looks like from a biblical standpoint and why the topic of worship can be so contentious among christians because worship is inherently theological because it s a manifestation of humanity s response to god s holiness it s important to take seriously how we worship and the roles it serves in personal displays of adoration and in community with other believers exploring the worship spectrum provides an overview critique and celebration of six prominent

worship styles formal liturgical represented by paul zahl traditional hymn based represented by harold best contemporary music driven represented by joe horness charismatic represented by don williams blended represented by robert webber emerging represented by sally morgenthaler this unique format allows those with a heart for worship to compare different perspectives and draw their own conclusions on what the bible teaches it allows readers to understand the various approaches to worship carefully evaluate their strengths and weaknesses and make personal choices without adopting a judgmental spirit the counterpoints series presents a comparison and critique of scholarly views on topics important to christians that are both fair minded and respectful of the biblical text each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Music Through the Eyes of Faith

2013-12-17

christian musicians know of the obligation to make music as agents of god s grace they make music graciously whatever its kind or style as ambassadors of christ showing love humility servanthood meekness victory and good example music is freely made by faith as an act of worship in direct response to the overflowing grace of god in christ jesus co sponsored by the christian college coalition this thought provoking study of music as worship leads both students and experienced musicians to a better understanding of the connections between music making and christian faith

christian music makers have to risk new ways of praising god their faith must convince them that however strange a new offering may be it cannot out reach out imagine or overwhelm god god remains god ready to swoop down in the most wonderful way amidst all of the flurry and mystery of newness and repetition to touch souls and hearts all because faith has been exercised and christ s ways have been imitated meanwhile a thousand tongues will never be enough best relates musical practice to a larger theology of creation and creativity and explores new concepts of musical quality and excellence musical unity and the incorporation of music from other cultures into today s music

Worship Quest

2015-03-10

worship quest serves as a guide to understanding foundational questions about worship and leading in worship worship quest offers a practical perspective on four roles of worship leadership and how they are to be fulfilled within various worship gatherings for those called to lead in worship as well as those tasked in hiring worship leaders it is important to understand the roles of worship leadership worship quest helps readers come to understand the different worship gatherings and the various roles of worship leadership and thus successfully fulfill god s call of leading in worship

Worship That Changes Lives

2008-12

compiles cultural theological and psychological perspectives on spiritual experience in worship from scholars and laity paying particular attention to the role of the arts in facilitating spiritual transformation

The Music Architect

2016-07-19

guidance for leaders seeking a richer way to employ worship music worship expert constance cherry offers comprehensive guidance to christian leaders seeking a deeper richer way to employ worship music in engaging ways for twenty first century worshipers following cherry s successful book the worship architect this work helps christian leaders think theologically and act pastorally about worship music in their churches it addresses larger issues beyond the surface struggles of musical styles and provides tools to critically evaluate worship songs the book is applicable to all christian traditions and worship styles and is well suited to both the classroom and the local church each chapter concludes with suggested practical exercises recommended reading and basic vocabulary terms

Designing Worship Together

2004-12-30

much more than a how to for worship planners drawing on more than two decades of collaborative worship planning as well as numerous conversations with other worship planners pastor howard vanderwell and musician norma de waal malefyt lay out a thoughtful field tested process for planning implementing and evaluating life enriching weekly worship well over a dozen field tested tools and a selected bibliography round out this invaluable resource for worship planners

The New Worship

2001-04

shows pastors how to balance new worship ideas with the traditional while focusing on the purpose of praise and fellowship

Renewal Worship

2022-09-06

theologian steven félix jäger offers a theology of renewal worship including its biblical foundations how its global nature is expressed in particular localities and

how charismatic worship shapes the community of faith with this guidance the whole church might better understand what it means to pray come holy spirit

Honest Worship

2018-08-07

drawing from his own experience leading worship in a large congregation and feeling the pull of performance manuel luz guides us on a journey through worship that takes us far beyond style and deep into our own souls with spiritual practices throughout he calls us back to an honest worship that moves past facades and pulls us inward toward the true self that god is forming within each of us

The Worship Pastor

2016-10-11

modern worship leaders are restless they have inherited a model of leadership that equates leading worship with being a rock star but leading worship is more than a performance it s about shaping souls and making disciples every worship leader is really a pastor the worship pastor is a practical and biblical introduction to this essential pastoral role filled with engaging illustrative stories it is organized to address questions of theory and practice striving to balance conversational accessibility with informed instruction part one presents a series of evocative

vignettes intriguing and descriptive titles and metaphors of who a worship pastor is and what he or she does it shows the worship pastor as church lover disciple maker corporate mystic and doxological philosopher part two covers specific roles related to ministry within the worship service itself the worship pastor as theological dietician caregiver mortician emotional shepherd war general prophetic guardian missional historian and liturgical architect part three looks at ministry beyond the worship service the worship pastor as visionary teacher evangelist artist chaplain and team leader while some worship leaders are eager to embrace their pastoral role many are lost and confused or lack the resources of time or money to figure out what this role looks like pastor zac hicks gives us a clear guide to leading worship one that takes the pastoral call seriously

Worship Essentials

2018-11-01

everybody talks about the worship but nobody does anything about it the well known quote associated with mark twain actually goes like this everybody talks about the weather but changing it to worship seems appropriate with worship essentials dove award winning worship leader mike harland helps leaders do something about it perhaps no subject about church generates more opinion and passion than worship walk with the typical church going family on their way to the car after the service and just listen everybody really does talk about worship now veteran worship leader and experienced ministry coach mike harland offers the tools worship leaders need to

build biblically faithful and effective worship ministries without bringing the disruption that often accompanies change psalm 67 5 reads let the peoples praise you god let all the peoples praise you worship essentials is here to help

The Savvy Christian's Guide to Life

2011-02-21

the savvy christian s guide to life tackles 40 life issues for christians and provides a quick hitting and creative tutorial that includes a powerful overview of the topic followed by keen insights from a variety of experts case studies practical solutions and action steps topics include dialoging with people of other faiths counseling someone who is suicidal starting and incorporating a new ministry parenting a rebellious kid being generous even when money is tight bringing up spirituality with non christians in a natural and non threatening manner discovering individual talents purpose and calling in life and much more

Evangelicals, Worship and Participation

2016-04-22

in discussions of worship the term participation covers a lot of ground it refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of christian theology in this book alan rathe probes the ways in which north

american evangelicals have in recent years regarded the landscape of participation rather presents a broad review of evangelical worship literature through a lens borrowed from medieval theology this brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as god's triunity missio dei and the practical theology of participation offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the great tradition and in the process reappropriates classic concepts that are full of promise for contemporary ecumenical dialogue

Who Do You Think You Are?

2013

offering insight into identity's many facets argues that false identity is at the root of most struggles and that challenges can be overcome by establishing an identity in christ

Baptists and Worship

2020-11-30

worship is dialogue it is more than that but it is not less than that the way

baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy no one tells baptists how to order their worship services they don't have a common liturgy that they must follow and yet their services look remarkably similar this is largely due to two controlling factors in their worship the bible that they embrace as inspired inerrant authoritative and sufficient and the christ revealing gospel that is contained within its pages when the word of god is followed closely a shape for worship order begins to emerge it is the same gospel shape that is found throughout the bible when the word of god is applied to a worship service in which god and his people are engaged in a worship conversation a consistent contour of gospel elements and content begins to emerge that reveals the glory of the christ we gather to worship he is so glorious that when we behold him we are transformed into the same image from one degree to another this is the power of corporate worship 2 cor 3

The Influence of Music on the Development of the Church of God (Cleveland, Tennessee)

2018-03-23

this book examines the influence of music on the development of the church of god cleveland tennessee this narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music this study utilizes a chronological and systematic approach to the relationship between music and the

church of god in the united states during the first 125 years of the denomination s history from 1886 to 2011 for over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in pentecostal history along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music events in the church of god the book also relies upon musical examples to explore the influence of music upon the shaping of the denomination s history and theology

Biblical Worship Through Music

2009-03-01

seeking a faithful solution to conflict over musical worship the pastor musician author begins with biblical principles for worship examines historical and contemporary models for worship and evaluates worship practices in one presbytery of the presbyterian church u s a to propose guiding principles and specific applications for the use of music in worship the project shows biblical worship to be described by a number of characteristics and grounded in god s word presence and community after exploring these principles biblically historically and culturally the outcome of the project is a significant collection of music related worship resources for use in the local church and for equipping in broader teaching contexts

Acceptable Worship

2016-06-23

whenever worship is mentioned there seems to be an immediate vision of what worship should be that vision is generally produced from past experiences and practices very seldom does anyone stop to consider the possibility that what they believe to be worship may not be worship at all in the eyes of god for many people worship is just another form of entertainment and self gratification if one is to truly worship the lord we should consider what god says is acceptable to him in genesis 4 3 7 we have cain and abel coming before the lord to worship abels worship was accepted and cains rejected in verse 7 god basically tells cain that if he did it right he would be accepted if not sin lies at the door the challenge for anyone who seeks to worship the lord is to do it right

WORSHIP PRIMER FOR PASTORS AND PLANNERS WHAT YOU WISH YOU LEARNED IN SCHOOL

2023-11-10

there has to be more to leading worship than what i ve been doing that nagging thought drove william kirkwood to develop this primer on worship for all lead pastors and worship planners who have wondered the same thing most pastors come out of seminary with little training in worship yet are ultimately responsible for the

worship life of their church most worship planners leaders have musical and leadership skills but little theological background in worship kirkwood brings his decades of worship leading experience and education from the robert e webber institute for worship studies into the pages of this timely book he explores the biblical historical theological and cultural foundations of worship and brings them together with practical guidance on how to create vibrant worship services that facilitate a divine human interaction the primer is written for leaders in contemporary free churches traditional liturgical churches and charismatic pentecostal churches each chapter includes thoughtful exercises and questions to help in your own church context as well as recommended resources for further study

Music Ministry

2004

this work is an introduction to church music administration that provides insight into the responsibilities and demands placed on the person who heads the music program of a church the chapters are written by various experts in their fields and address the topics of weekly worship planning choir rehearsal preparation recruitment church staff relationships financial management working with children and youth choirs and leading orchestras and handbell choirs this addition to the smyth helwys help series is a must have for those just beginning a church music ministry or for seasoned professionals looking to improve the administration of their music programs

Secularizing the Sacred

2016-04-26

this book explores one of the great paradoxes of our era western culture has almost imperceptibly come to secularize the sacred while at the same time sacralizing the secular the authors endeavor to show the debilitating effects that this paradox has had on the foundations of christian worship with special reference to the history of worship and in particular the presbyterian church in australia the authors show how the theological predilection for minimization has become inextricably woven into the fabric of what we call the theory of transformative subjugation which drives the rationale for religious secularization the book argues that it is necessary to consider a serious reconstruction of theological education in which its framework is located in a specific christian theory of knowledge which engenders the lordship of christ and encourages a spirit of transformative love and connectedness it is only in this context that the theology of worship and the beauty and usefulness of liturgical forms can be appreciated

Authentic Worship

2002

an authoritative new look at one of the most contentious and potentially divisive areas of church planning worship styles and preferences

The Beauty of Holiness

2017-08-20

contemporary traditional divisive words particularly when referring to methods of worship unhappily the whole controversy about worship styles has degenerated into arguments based on personal preference given the intensity of this worship controversy that is increasingly dividing professedly bible believing churches into distinctive camps i have felt inclined to make my contribution to the concern i am convinced that the bible does establish clear guidelines for both what we are to believe issues of faith and what we are to practice issues of obedience and that this direction includes matters of worship if there is any overriding biblical truth that must circumscribe every worship practice it is that worship is all about god and not about us there is little hope of worshipping in a manner that is pleasing to the lord if we do not start with the bible and stress what it stresses the beauty of holiness is a guide to what the bible says about the object manner and the heart of worship we must never shy away from what the bible says regardless of how out of sync with culture it seems to be god s word not culture whether modern or medieval defines the way of worship

Evangelicals, Worship and Participation

2014-11-28

this book probes the ways in which turn of the millennium evangelicals in north america have regarded the landscape of participation rather than views relevant evangelical literature by looking through a surprising lens borrowed from medieval theology bringing into focus not only evangelical understandings but also the identities and historical traditions they reflect one of the broadest reviews yet made of evangelical worship literature this book reconnects evangelical tradition to the great tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue

Preaching as Worship

2011-09

leading preaching authority offers a revolutionary exploration of the role of preaching in worship

Trinity and Transformation

2016-03-08

the triune god of grace james b torrance tirelessly insisted is the true agent to transform worship mission and society unfortunately the church often lapses into moralism and legalism or exhortations and condemnations rather than witnessing to the sole sufficient grace of god in christ when we neglect the trinity a de facto

unitarianism throws the church back onto its own existence and resources in christ however the church participates through the spirit in union with christ s communion with the father by so doing it also participates in christ s mission to the world the essays of this volume articulate and extend torrance s evangelical theology which draws attention away from ourselves and toward the triune god who is for us and for the world

In Praise of Worship

2010-06-01

drawing together scholars from fields of biblical studies systematic theology liturgics and pastoral theology in praise of worship questions an overemphasis on singing and music alone as worship in today s church whilst not minimizing moments of conscious and deliberate worship the authors show that according to a close reading of scripture and a clear understanding of theology the whole of our lives is to be considered as worship glorifying to the lord who deserves such honor contributors nancy ault alastair campbell david j cohen david g firth travis fitch michael w goheen stephen haar brian s harris chris jack angela mccarthy alan niven john w olley michael o neil robin parry michael parsons michael j quicke

Grace in the Flames: Discovering God's Power In Fiery

Trials

2015-03-25

the author takes a closer look at the tragedy of the book of job and finds god s fingerprint of grace on every single page he delves into the culture of job s time to make sense of the mannerisms of the characters involved in this extreme story of loss and god s goodness many truths that are overlooked and hidden are brought into plain sight as we discover the frailty humanity and flaws of job the author takes a look at centuries old assumptions and applies even older truths of the character of god which tells a different tale than we are used to this book is refreshing funny painfully honest and a very easy read if you are looking for answers to your why s this book is a must have for you

Evangelical Worship

2021

almost invariably media stories with the word evangelical in their headlines are accompanied by a familiar stock photo a mass of middle class worshippers with eyes closed faces tilted upward and hands raised to the sky yet despite the fact that worship has become symbolic of evangelicalism s identity in the twenty first century it remains an understudied locus of academic inquiry historians of american evangelicalism tend to define the movement by its political entanglements the rise

of the religious right and academic trajectories the formation of the evangelical mind not its ecclesial practices theological scholars frequently dismiss evangelical worship as a reiteration of nineteenth century revivalism or a derivative imitation of secular entertainment three christian rock songs and a spiritual ted talk but by failing to engage this worship seriously we miss vital insights into a form of protestantism that exerts widespread influence in the united states and around the world evangelical worship an american mosaic models a new way forward drawing together insights from american religious history and liturgical studies and putting both in conversation with ethnographic fieldwork in seven congregations this book argues that corporate worship is not a peripheral extra tacked on to a fully formed spiritual political cultural movement but rather the crucible through which congregations forge and negotiate the contours of evangelicalism s contested theological identity

Lifestyle Worship

2010-09-13

with the onslaught of books on how to do worship dr david adams conversational book lifestyle worship is a breath of fresh air highlighting the current concept of worship dr adams explains the contrast and similarities of biblical worship within our contemporary definition of worship sprinkled with humor lifestyle worship gets to the heart of what true worship is and offers practical suggestions to deepen your walk with god with years of research behind him dr adams is quickly garnering

attention as one of the leading authorities on worship and cultural theology

Essential Worship

2016-11-01

an essential guide to understanding and leading worship worship leaders are adrift in a sea of worship resources but incredibly no single book provides a simple introduction to worship and worship leading essential worship is a concise easy to read primer on the basics of worship theology and practice each concept is introduced clearly and concisely diagrams charts and bulleted lists make the information easy to digest and preparation and reflection questions help readers apply the material to their own church context whether one is a beginner or an experienced worship leader readers from all traditions will find in this resource a solid foundation for future success it is particularly well suited for the first time worship or praise band leader as well as for pastors who want to be more intentional about the music in their services

Going Full Circle

2013-07-03

in the grip of serious numerical decline american evangelical churches are now experiencing a missional movement god is calling his people to return to a biblical

lifestyle that goes full circle in continual worship discipleship and missions mark powers connects the dots between these three main elements of authentic christian living he presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions going full circle uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission are you a casualty of worship wars are you worried about the decline of your church are you thrilled with fast growth churches but sense there must be something more than spectator worship are you confused by the word missional that seems to be popping up everywhere this book is for you and your friends read it share it and join the movement

From Memory to Imagination

2012-09-21

the relatively recent worship wars over styles of worship traditional contemporary or blended have calmed down and many churches have now reached decisions about which worship style defines them at a more fundamental level however change has yet to begin in from memory to imagination randall bradley argues that fallout from the worship wars needs to be cleaned up and that fundamental cultural changes namely the effects of postmodernism call for new approaches to worship outlining imaginative ways for the church to move forward this book is a must read for church leaders and anyone interested in worship music

Worship Formation

2020-02-17

worship formation provides a thoughtful perspective on christian worship and addresses how each element within a worship service spiritually forms the worshiper brooks challenges the reader toward an understanding that worshiping through music prayer scripture reading communion sermon stillness giving and baptism engages the worshiper in spiritual formation worship formation encourages the worshiper to not just go through the motions when they gather for worship but to realize that they are being formed through each element of worship and challenges those in leadership to be thoughtful in their approach to planning and leading worship services

Serving a Movement

2016-03-15

in serving a movement best selling author and pastor timothy keller looks at the nature of the church s mission and its relationship to the work of individual christians in the world he examines what it means to be a missional church today and how churches can practically equip people for missional living churches need to intentionally cultivate an integrative ministry that connects people to god to one another to the needs of the city and to the culture around us finally he highlights the need for intentional movements of churches planting new churches that faithfully

proclaim god's truth and serve their communities this new edition contains the third section of center church in an easy to read format with new reflections and additional essays from timothy keller and several other contributors

Called to Worship

2013-04-08

what is worship biblically speaking worship might mean a lot of things a celebration of god and his glory a display of reverence and awe an act of humility or prostration before our creator but what does this look like today and do churches of today of any tradition or denomination really worship in a way that's biblical called to worship is a deep dive into what worship means in the bible vernon whaley dean of the school of music at liberty university investigates each individual book of scripture to uncover the tapestry of instruction and insight into god's idea of worship with this book you'll learn how to see through the comfort zones of the modern church's worship rituals and routines the biblical principles of worship and why understanding these principles is essential in our discipleship and important to our creator how the life of christ serves as a living guide to worship throughout the entire bible and the history of christianity the bible describes a rich history of yahweh worship offered first by the hosts of heaven in eternity past and then by mankind from creation to present day this book is a call to understand and participate in that richness

Rediscovering Worship

2015-06-16

many opinions contend in the church today for what constitutes true worship of god and how best it can be practiced this collection of essays carries on a conversation between biblical scholars and church music practitioners it begins with three studies investigating what we can learn about worship in the old testament followed by essays on the teaching about worship in the gospels epistles and the book of revelation in the new testament the church music practitioners featured in the book respond to each of these essays the final essay by wendy porter takes a historical journey of theological reflection on christian worship from the days of the early church tracing worship developments in the western church through the centuries to today this is an important book for anyone who wants to think theologically about how and why christians worship god
