cultural connections discuss leadership expectations and behaviors in other cultures

leadership on the big screen correlates chapter concepts with the themes of popular films and documentaries

## Quality Management Principles and Policies in Higher Education

2019-08-02

this book analyses the development of hospitality education from vocational to higher education and discusses the positioning of hotel schools it addresses questions such as should hospitality management become part of generic business education are the technical training programmes that have defined the identity of these schools a remnant of their

vocational past or have they contributed to the successful careers of many hospitality graduates topics discussed in the book are curriculum innovation the theory of experimentation the nature of hospitable behaviour information technology life long learning and developments for future curricula the book makes clear that the debate on the balance between theory and practice will not only define the future of hospitality management education but can also be considered a relevant case study in other business disciplines the history of hospitality education goes back to the end of the nineteenth and early twentieth century when hotel schools were founded to train the protocol and technical skills required to receive the travellers of those days since then the scale and complexity of the hospitality industry and its professions have changed as well as our understanding of what makes a business whether it offers accommodation or something else hospitable the scope and educational level of hotel schools have evolved accordingly and hospitality management has

become a popular discipline in the traditional and renowned hotel schools as well as in universities

## Leadership

2018-01-26
