### ***idle surging technical troubleshooting discussion in Nov 30 2022***

toyota 7fgu30 toyota 7fgu30 idle surging this model is a late 7 series so it has the electronic throttle body like on the 8 series trucks the problem we are having is it surges at idle runs fine with lots of power any other time if you depress the throttle pedal just a little bit twisting the potentiometer it will stop

### ***toyota 4p forklift engine toyota nation forum Oct 30 2022***

i am looking for a forum to help me with a toyota 4p forklift engine is there one

### ***toyota forklift uses gm engine practical machinist Sep 28 2022***

these have aluminum heads are true sfi multiport fuel injection engines with a single ignition coil per spark plug and has electronic throttle control too i would doubt something that high tech would appear in a forklift although the base engine is certainly a possibility
