Managerial Accounting 2020-12-15 the demo docs system of instruction replicates the classroom experience by providing more i get it moments outside of class we ve talked to tons of poa instructors and our editors have even taken the accounting course numerous times to figure out the following issue in this course that is consistent students understand or get it right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them

either having to come to office hours to get help or they just quit and get behind in the course on top of this you can end up getting behind in the course as well in order to keep everyone on track the demo docs system helps to recreate the i get it moments outside of class keeping both you and the students on track

Financial Accounting 2015-11-17 a textbook of cost and management accounting provides the students with thorough grounding in cost concepts cost behaviour and methods and techniques of cost and management accounting with an understanding of the uses and limitations of cost and financial data for managerial operations the text of the subject matter has been presented in a student friendly simple and intelligible manner every discussion involving conceptual complexity is immediately illustrated by a numerical example in addition the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its finer points the subject matter has been organized on first things first basis for its logical presentation that sustains interest the approach of the book is examination oriented thus a good number of problems and solutions have been included in its chapters theoretical and numerical questions have been mostly selected from various examinations objective type questions have been given to serve as self test by students this is an ideal book for self study new to this edition all chapters thoroughly revised latest information on cost accounting standards cas issued by the institute of cost accountants of india icai chapter on miscellaneous topics made more contemporary by including some new sub topics and thus re named advanced cost management techniques revision and augmentation of practical problems
