similarities in material culture exchange patterns and preferential practices are suggestive of a certain level of regional collective self awareness from the 1st century bc onwards cyprus became increasingly engulfed by mass produced and standardized ceramic fine wares which seem ultimately to have put many of the indigenous makers of similar products out of business or forced them to modify their output also the ceramic record gradually became less diverse during the roman period than before developments which we today might be inclined to view as symptoms of an early form of globalisation

International Symposium on Advanced Material Research III 2013

this edited volume brings together the perspectives of a diverse group of international scholars to explore the intersections of study abroad and social mobility in doing so it challenges universalist assumptions and power imbalances implicit in study abroad across the global north and south and explores the implications of covid 19 for equity within study abroad programs policy and practice going forward offering empirical theoretical and conceptual contributions critical perspectives on equity and social mobility in study abroad foregrounds critical reflection on the stratification of access to study abroad and examines the varied outcomes of international study in relation to graduates entry into domestic and international labor markets focusing on the experiences and outcomes of students from varied backgrounds chapters identify a number of power imbalances relating to student race ethnicity religion local and international policies and politics and put forward valuable recommendations to ensure greater equity within the field against the backdrop of growing criticism over the power imbalances in international exchange this text will benefit researchers academics and educators with an interest in higher education international and comparative education and multicultural education those interested in educational policy and the sociology of education more broadly will also benefit from this book
