in today's world teaching English as a second language (ESL) is big business. An expanding global communications network has made English the international language of choice in highway to ESL authors Rik Ruiter and Pinky Dang provide an easy-to-understand guide not only for individuals seeking a new and rewarding career teaching English but also for experienced ESL instructors who wish to improve their classroom skills. Written in a user-friendly format that includes detailed course planning and an appendix containing a variety of useful evaluation forms, Highway to ESL supplies readers with valuable information on how to teach the different disciplines of English, a vital component to successful education in both domestic and international markets. Other key topics include necessary teaching methodologies and approaches, innovative personal teaching tips, proficient classroom management, troubleshooting common classroom problems, efficient planning that utilizes timetables, stimulating activity suggestions, effective curriculum and lesson planning for grammar, reading, writing, listening, and speaking, incorporating both conventional and non-conventional teaching resources in the classroom. Highway to ESL Ruiter and Dang answer the common who, where, when, what, why, and how questions of both experienced and inexperienced ESL teachers, providing teachers with the vital information needed to educate eager minds. Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills while keeping the same basic approach and materials as in earlier editions. The fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are information in the grammar charts, highlighting differences between spoken and written English, step-by-step writing activities with models for students to

follow innovative warm up exercises that precede the grammar charts and introduce points to be taught newly created exercises to give students more incremental grammar practice structure based listening exercises that introduce students to relaxed reduced speech this volume offers the most comprehensive up to date description of the wide array of second language programs currently available to undergraduate students in the united states and abroad it brings together for the first time detailed descriptions of programs in foreign language english as a second language esl dual language bilingual american sign language native american and heritage languages addressing both theory and practice the volume presents the historical development current practices and future directions of each type of program along with detailed case studies for second language teachers academic administrators and teacher educators this handbook provides information that will be useful in making instructional and programmatic planning decisions basic english grammar is a classic developmental skills text for beginning students of english as a second or foreign language p 4 of cover

the content of this book has many kinds for practice text and grammar become a focus combined for enriching the lecture target in accordance with language components speaking writing reading and listening students can develop their competence in language this book guides the students to check and recheck their understanding in every language component after theories given the students should practice in pairs or individual as the basic steps in mastering english the writer divides the discussion into several activities the grammatical case reading text question sentences for dialogues and exercises all activities are provided in sequence time of meeting every student has many opportunities to explore their bravery in practice combines the fundamentals of technical writing and verbal communication with essential english as a second language esl skills contains a range of actual examples and case studies to enable non native english speaking professionals to write clear and effective documentation understanding and using english grammar is a developmental skills text for intermediate to advanced students of english as a second or
