## ***A Voice That Could Stir an Army 2014-04-30***

a sharecropper a warrior and a truth telling prophet fannie lou hamer 1917 1977 stands as a powerful symbol not only of the 1960s black freedom movement but also of the enduring human struggle against oppression a voice that could stir an army is a rhetorical biography that tells the story of hamer s life by focusing on how she employed symbols images words and even material objects such as the ballot food and clothing to construct persuasive public personae to influence audiences and to effect social change drawing upon dozens of newly recovered hamer texts and recent interviews with hamer s friends family and fellow activists maegan parker brooks moves chronologically through hamer s life brooks recounts hamer s early influences her intersection with the black freedom movement and her rise to prominence at the 1964 democratic national convention brooks also considers hamer s lesser known contributions to the fight against poverty and to feminist politics before analyzing how hamer is remembered posthumously the book concludes by emphasizing what remains rhetorical about hamer s biography using the 2012 statue and museum dedication in hamer s hometown of ruleville mississippi to examine the larger social political and historiographical implications of her legacy the sustained consideration of hamer s wide ranging use of symbols and the reconstruction of her legacy provided within the pages of a voice that could stir an army enrich understanding of this key historical figure this book also demonstrates how rhetorical analysis complements historical reconstruction to explain the dynamics of how social movements actually operate

## **The Parliamentary Register; Or, an Impartial Report of the Debates that Have Occurred in the Two Houses of Parliament, in the Course of the Second Session of the Second Parliament 1804**

this essay sheds light on what are the factors that can influence your success as an entrepreneur demystifies the most important critical success factors that can influence your success as an entrepreneur and reveals the ample reasons why it is difficult to be successful as an entrepreneur there are a multitude of factors that can influence your success as an entrepreneur the factors that can influence your success as an entrepreneur can vary based on the capacities that you work in as an entrepreneur some of the myriad of factors that can have bearing on influencing your success as an entrepreneur encompass whether or not the content recommendation algorithms promote your content on social media platforms whether or not your content is deemed to be share worthy content by your target market on social media platforms whether or not your content is deemed to be watch worthy content by your target market on social media platforms whether or not your content is deemed to be engagement worthy content by your target market on social media whether or not you leverage aesthetically appealing thumbnails for your content on social media platforms whether or not you leverage the optimal metadata that is germane to your content on social media platforms and whether or not your content is deemed to be like worthy content by your target market on social media some of the other multitude of factors can have bearing on influencing your success as an entrepreneur encompass whether or not your videos on social media platforms yield high viewership rates whether or not your videos on social media platforms yield high watch times whether or not your social media channels have internal monetization options that are available for you to access and whether or not your videos on social media

platforms yield high audience retention rates by producing an exorbitant amount of enthralling viral worthy share worthy like worthy engagement worthy algorithm recommendation worthy videos on a daily basis that are apt to build traction and yield high engagement rates high watch times high viewership rates and a high audience retention rate an entrepreneur who doubles as a content creator can render himself at a higher probability of becoming profoundly successful on social media platforms content on social media platforms needs to build traction in order to generate advertisement revenue it is also more cumbersome for an entrepreneur who doubles as a content creator to generate advertisement revenue subscription revenue affiliate marketing revenue print on demand merchandise sales revenue and donation revenue if his content on social media platforms builds traction at a slow cadence than it is for him to do so if his content on social media platforms builds traction at a fast cadence when content on social media platforms rapidly builds traction than it has a higher probability of reaching viral status than content that stagnates in building traction on social media platforms when content on social media platforms rapidly builds traction and becomes viral content then it furnish the content creator with substantial advertisement revenue when content on social media platforms rapidly builds traction and becomes viral content then it can also help an entrepreneur who doubles as a content creator to establish a behemoth brand across on social media platforms when content on social media platforms rapidly builds traction and becomes viral content then it can also help an entrepreneur who doubles as a content creators to attain extreme fame leverage entrepreneurs who double as content creators aim to generate extreme wealth on social media platforms and at a higher probability of reaching that ambitious objective if they are able to become profoundly successful on social media platforms a plethora of social media platforms have internal monetization options that are available for entrepreneurs who double as content creators to access it is all the less arduous for an entrepreneur to generate extreme wealth if he has unlocked internal monetization options on social media platforms than it is for him to do so if he has not unlocked internal monetization options on social media platforms your target market ultimately determines if your content will rank high on social media platforms

## **Francis Parkman's Works 1898**

a must read for those who have only experienced the modern china or those who lived as i did through the modernization beginning
